### RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. ## **APPENDIX I            REPURCHASE MANDATE EXPLANATORY STATEMENT**

---

This appendix serves as the explanatory statement required under Rule 10.06 of the Listing Rules to provide the Shareholders with all the information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolutions approving the Repurchase Mandate.

### **SHAREHOLDERS APPROVAL**

All shares repurchases on the Stock Exchange by a Company with its primary listing on the Stock Exchange must be of fully-paid up shares and must be approved in advance by an Ordinary Resolution of shareholders, either by way of general mandate or by specific approval in relation to specific transactions.

### **SHARE CAPITAL**

As at the Latest Practicable Date for determining such figure, the total number of issued shares of the Company was 652,676,781 shares. Subject to the passing of the Ordinary Resolution, and on the basis that 652,676,781 shares are in issue and assuming no shares are issued or repurchased by the Company prior to the AGM, the Directors will be authorized under the Repurchase Mandate to repurchase a maximum of 65,267,678 shares.

### **REASONS FOR THE REPURCHASE MANDATE**

The Directors believe that it is in the interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and, or its earnings per share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders.

### **FUNDING OF REPURCHASES**

Repurchase of the Company's securities would be financed by the Company's distributable profits or proceeds of a fresh issue of shares made for the purposes of the repurchases. The Company may only apply funds legally available for such purposes in accordance with its articles of association and the laws of Hong Kong.

There may be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its latest published audited accounts made up to 30 June, 2022) in the event the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

### **DISCLOSURE OF INTERESTS**

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules), has present intention to sell any shares of the Company if the Repurchase Mandate is approved by the Shareholders.

---

## **APPENDIX I            REPURCHASE MANDATE EXPLANATORY STATEMENT**

---

No connected person (as defined in the Listing Rules) of the Company have notified the Company that they have present intention to sell shares to the Company, or have undertaken not to do so, in the event that the Directors are authorized to make repurchase of the shares.

### **UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make repurchase pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.

### **SHARE REPURCHASE MADE BY THE COMPANY**

During each of the six months preceding the date of this circular, no repurchase of shares have been made by the Company (whether on the Stock Exchange or otherwise).

### **TAKEOVER CODE CONSEQUENCES**

If as a result of a repurchase of Shares by the Company, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Hong Kong Code on Takeovers and Mergers (the "Takeovers Code"). As a result, a shareholder, or a group of shareholders acting in concert, depending on the level of increase of its or their shareholding, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, the substantial shareholders, Yan Yin Company Limited, Szehope Securities Company Limited acting in concert with Dr. Cecil Chao Sze-Tsung, are currently holding 485,981,509 shares, representing approximately 74.46% of the issued shares. In the event the repurchase of shares is exercised in full, the aggregate shareholding of Yan Yin Company Limited, Szehope Securities Company Limited and Dr. Cecil Chao Sze-Tsung will be increased to approximately 82.73% of the issued shares. The Directors have no intention of exercising the power to repurchase shares pursuant to the Repurchase Mandate to such extent as would result in the level of shareholdings in the Company held by public shareholders falling below 25%. Pursuant to the Undertaking given by Yan Yin Company Limited, Szehope Securities Company Limited and Dr. Cecil Chao Sze-Tsung, in the event if the Repurchase Mandate is exercised and resulted the public shareholdings fall below the minimum prescribed percentage of 25% laid down in Rule 8.08 of the Listing Rules, Yan Yin Company Limited, Szehope Securities Company Limited and Dr. Cecil Chao Sze-Tsung will place out such number of shares so as to reduce their aggregate shareholding to 75% or less of the issued capital of the Company. The Directors are not aware of any other consequences which would arise under the Takeover Code as a result of any repurchase of shares pursuant to the Repurchase Mandate.

The chairman of the meeting will put all resolutions set out in the notice of the Annual General Meeting to be voted by way of a poll pursuant to Article 74 of the Articles of Association.

On a poll, pursuant to Article 80 of the Articles of Association, subject to any special rights, privileges or restrictions as to voting from time to time attaching to any class or classes of Shares, every shareholder who (being an individual) is present in person or by proxy or (being a corporation) is present by a duly authorised representative or proxy, shall have one vote for every Share of which he/she is the holder.

A shareholder present in person or by proxy or by authorised representative who is entitled to more than one vote does not have to use all his/her votes (i.e. he/she can cast less votes than the number of Shares he/she holds or represents) or to cast all his/her votes the same way (i.e. he/she can cast some of his/her votes in favour of the resolution and some of his/her votes against the resolution). It is believed that in most situations, shareholders (other than nominee companies) usually cast all their votes either in favour of a resolution or against a resolution.

The poll voting slip will be distributed to shareholders or their proxies or authorized representatives upon registration of attendance at the Annual General Meeting. Shareholders who want to cast all their votes entitled may mark a “✓” in either “FOR” or “AGAINST” box corresponding to the resolution to indicate whether he/she supports that resolution. For shareholders who do not want to use all their votes or want to split votes in casting a particular resolution shall indicate the number of votes cast on a particular resolution in the “FOR” or “AGAINST” box, where appropriate, but the total votes cast must not exceed his/her entitled votes, or otherwise, the voting slip will be spoiled and the shareholder’s vote will not be counted.

After closing the poll, the Company’s Share Registrars, Computershare Hong Kong Investor Services Limited, will scrutinize the votes counting and the poll results will be published on the website of Hong Kong Exchanges and Clearing Limited at [www.hkexnews.hk](http://www.hkexnews.hk) and the Company’s website at [www.cheuknang.com.hk](http://www.cheuknang.com.hk) on the same day after the Annual General Meeting.
