### **VOLUNTARY ANNOUNCEMENT STUDENT ENROLLMENT AS OF 30 OCTOBER 2022**

This announcement is made by Hope Education Group Co., Ltd. (the “**Company**”) on a voluntary basis.

The board of directors of the Company (the “**Board**”) is pleased to present the student enrollment of the Group as of 30 October 2022 (together with the comparative figures for the same period in 2021):

	<b>2021</b>	<b>2022</b>	<b>Change</b>	<b>Approximate Percentage Change</b>
New student enrollment	82,564	95,034	12,470	15.1%
Student enrollment	232,059	280,453	48,394	20.9%

The Board considers that the main reasons for the increase in the number of student enrollments of the Group are as follows:

- 1) Implementing the general requirement of “keeping jobs and protecting people’s livelihoods” as required by the central government by providing more quotas of quality higher education, while retrofitting, upgrading and expansion of the campus had been accelerated, leading to a significant increase in campus capacity;
- 2) Further promoting the strategy of “quality-first” through increased investment in teaching and quality enhancement and excellence to gain higher social recognition of our quality of school operation, which in turn leads to a significant increase in the number of student enrollments for 2022/2023 school year.

**The Board wishes to remind shareholders of the Company and prospective investors that the above figures are approximate numbers based on the Group's internal statistics currently available. Differences may arise between such figures and the disclosure in subsequent results announcements, financial reports and/or other relevant corporate materials. Shareholders of the Company and prospective investors are cautioned not to unduly rely on such figures and are advised to exercise caution when dealing in the shares of the Company.**
