

FORWARD-LOOKING STATEMENTS

This document contains certain forward-looking statements and information relating to us and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management. When used in this document, the words "aim", "anticipate", "believe", "consider", "could", "expect", "estimate", "going forward", "intend", "may", "ought to", "plan", "predict", "project", "seek", "should", "will", "would" and the negative of these words and other similar expressions, as they relate to us or our management, are intended to identify forward-looking statements. Such statements reflect the current views of our management with respect to future events, operations, liquidity and capital resources, some of which may not materialise or may change. These statements are subject to certain risks, uncertainties and assumptions, including the risk factors as described in this document. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties we face which could affect the accuracy of forward-looking statements include, but are not limited to, the following:

- our business operations and prospects;
- future developments, trends and conditions in the industry and markets in which we operate;
- our business strategies, plans to achieve these strategies, objectives and goals;
- general economic conditions and business conditions in the PRC;
- changes to the regulatory environment, policies, operating conditions and general outlook in the industries and markets in which we operate;
- the actions of and developments affecting our major customers and suppliers;
- our ability to attract and retain qualified employees and key personnel;
- our capital expenditure plans;
- our ability to control or reduce costs;
- our dividend policy;
- the amount and nature of, and potential for, future development of our business;
- capital market developments;
- the actions and developments of our competitors; and

FORWARD-LOOKING STATEMENTS

- certain statements included in the sections headed "Risk Factors", "Industry Overview", "Regulatory Overview", "Business", "Financial Information" and "Future Plans and Use of [REDACTED]" in this document with respect to operations, margins, overall market trends, risk management and exchange rates.

By their nature, certain disclosures relating to these and other risks are only estimates and should one or more of these uncertainties or risks materialise or should underlying assumptions prove to be incorrect, our financial condition and actual results of operations may be materially and adversely affected and may vary significantly from those estimated, anticipated or projected, as well as from historical results.

Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all. Accordingly, the forward-looking statements are not a guarantee of future performance and you should not place undue reliance on any forward-looking information. Moreover, the inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realised. All forward-looking statements in this document are qualified by reference to the cautionary statements in this section as well as the risks and uncertainties discussed in the section headed "Risk Factors" in this document.

In this document, statements of or references to our intentions or those of our Directors are made as at the date of this document. Any such information may change in light of future developments.
