6. Repurchase of Shares by our Company

(a) Provisions of the Listing Rules

The Listing Rules permit companies whose primary listings are on the Main Board of the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions, the most important of which are summarized below:

(i) Shareholders' approval

All proposed repurchases of securities on the Stock Exchange by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of shareholders, either by way of general mandate or by specific approval of a particular transaction.

Pursuant to the resolutions in writing of all our Shareholders passed on October 13, 2022, a general unconditional mandate (the “**Repurchase Mandate**”) was granted to our Directors authorizing the repurchase by our Company on the Stock Exchange, or on any other stock exchange on which the securities of our Company may be listed and which is recognized by the SFC and the Stock Exchange for this purpose, of Shares with an aggregate nominal value not exceeding 10% of the aggregate nominal amount of the share capital of our Company in issue and to be issued immediately following the completion of the Capitalization Issue and the [REDACTED], at any time until the conclusion of the next annual general meeting of our Company, the expiration of the period within which the next annual general meeting of our Company is required by any applicable law or the Memorandum and Articles of Association to be held or when such mandate is revoked or varied by an ordinary resolution of our Shareholders in general meeting, whichever is the earliest.

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

(ii) Source of funds

Repurchases must be funded out of funds legally available for the purpose in accordance with the Memorandum and Articles of Association and the laws of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange as amended from time to time.

(iii) Trading restrictions

The total number of shares which a listed company may repurchase on the Stock Exchange is the number of shares representing up to a maximum of 10% of the aggregate nominal value of the company's shares in issue on the date the repurchase mandate is granted. A listed company may not issue or announce a proposed issue of new securities for a period of 30 days immediately following a repurchase (other than an issue of securities pursuant to an exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to such repurchase) without the prior approval of the Stock Exchange. In addition, a listed company is prohibited from repurchasing its shares on the Stock Exchange if the purchase price is 5% or more than the average closing market price for the five preceding trading days on which its shares were traded on the Stock Exchange.

The Listing Rules also prohibit a listed company from repurchasing its securities on the Stock Exchange if the repurchase would result in the number of listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange.

A listed company is required to procure that the broker appointed by it to affect a repurchase of securities disclose to the Stock Exchange such information with respect to the repurchase made on behalf of the listed company as the Stock Exchange may require.

(iv) Status of repurchased securities

A listed company may not make any repurchase of securities after inside information has come to its knowledge until the information has been made publicly available. In particular, during the period of one month immediately preceding the earlier of (a) the date of the board meeting (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of a listed company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules) and (b) the deadline for a listed company to announce its results for any year or half-year under the Listing Rules,

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

or quarterly or any other interim period (whether or not required under the Listing Rules) and ending on the date of the results announcement, the listed company may not repurchase its securities on the Stock Exchange other than in exceptional circumstances.

(v) Reporting requirements

Certain information relating to repurchases of securities on the Stock Exchange or otherwise must be reported to the Stock Exchange not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the following Business Day. In addition, a listed company's annual report is required to disclose details regarding repurchases of securities made during the year reviewed, including a monthly analysis of the number of securities repurchased, the purchase price per share or the highest and lowest price paid for all such purchases, where relevant, and the aggregate prices paid.

(vi) Core connected persons

A listed company is prohibited from knowingly repurchasing securities on the Stock Exchange from a "core connected person," that is, a director, chief executive or substantial shareholder of the company or any of its subsidiaries or their respective close associates and a core connected person is prohibited from knowingly selling his securities to the company, on the Stock Exchange.

(b) Reasons for repurchases

Our Directors believe that it is in the best interests of our Company and Shareholders for our Directors to receive the general authority from our Shareholders to repurchase Shares in the market. Repurchases of Shares will only be made when our Directors believe that such repurchases will be in the interest of our Company and our Shareholders. Such repurchases may, depending on market conditions, funding arrangements and other circumstances at the time, lead to an enhancement of the net value of our Company and its assets and/or its earnings per Share.

(c) Funding of repurchases

In repurchasing securities, our Company may only apply funds legally available for such purpose in accordance with the Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

Any payment for the repurchase of Shares will be drawn from the profits or share premium of our Company or from the proceeds of a fresh issue of shares made for the purpose of the repurchase or, if authorized by the Memorandum and Articles of Association and subject to the Companies Act of the Cayman Islands, out of capital and, in the case of any premium payable on the purchase, out of the profits of our Company

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

or from sums standing to the credit of the share premium account of our Company or, if authorized by the Memorandum and Articles of Association and subject to the Companies Act of the Cayman Islands, out of capital.

Our Directors do not propose to exercise the Repurchase Mandate to such an extent as would, under the circumstances, have a material adverse effect in the opinion of our Directors on the working capital requirements of our Company or its gearing levels. However, there might be a material adverse impact on the working capital or gearing position of our Company as compared with the position disclosed in this document in the event that the Repurchase Mandate is exercised in full.

(d) Share capital

Exercise in full of the Repurchase Mandate, on the basis of [REDACTED] Shares in issue immediately after the [REDACTED] of the Shares, could accordingly result in up to [REDACTED] Shares being repurchased by our Company during the period until:

- (i) the conclusion of the next annual general meeting of our Company;
- (ii) the expiration of the period within which the next annual general meeting of our Company is required by any applicable law or the Memorandum and Articles of Association to be held; or
- (iii) the date on which the Repurchase Mandate is revoked or varied by an ordinary resolution of our Shareholders in general meeting,

whichever occurs first.

(e) General

None of our Directors or, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), has any present intention to sell any Shares to our Company or our subsidiaries.

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

No core connected person (as defined in the Listing Rules) of our Company has notified our Company that he/she or it has a present intention to sell Shares to our Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

If as a result of a securities repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of our Company increases, such increase will be treated as an acquisition for the purpose of the Hong Kong Code on

APPENDIX IV

STATUTORY AND GENERAL INFORMATION

Takeovers and Mergers (the “Code”). Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of the increase of our Shareholders’ interest, could obtain or consolidate control of our Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Code as a result. Save as aforesaid, our Directors are not aware of any consequences which may arise under the Code if the Repurchase Mandate is exercised. Any repurchase of Shares which results in the number of Shares held by the public being reduced to less than 25% of our Shares then in issue could only be implemented with the approval of the Stock Exchange to waive the Listing Rules requirements regarding the public shareholding referred to above. It is believed that a waiver of this provision would not normally be given other than in exceptional circumstances. No core connected person (as defined in the Listing Rules) of our Company has notified our Company that he/she or it has a present intention to sell Shares to our Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.
