#### **POSITIVE PROFIT ALERT**

This announcement is made by Man King Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary review of the latest available unaudited consolidated management accounts of the Group for the six months ended 30 September 2022, the Group is expected to record a net profit ranging from approximately HK\$27 million to HK\$36 million for the six months ended 30 September 2022 as compared to a net profit of approximately HK\$25.2 million for the six months ended 30 September 2021. Such expected increase in net profit for the six months ended 30 September 2022 is mainly due to the higher gross profit margins of several construction projects and the compensation receivable from an arbitration application during the period.

As at the date of this announcement, the Company is still in the process of finalising the Group's results for the six months ended 30 September 2022. The information contained in this announcement is only based on the preliminary review assessment by the Board of the information currently available to it including but not limited to the latest available unaudited consolidated management accounts of the Group for the six months ended 30 September 2022, which have neither been reviewed by the audit committee of the Company nor reviewed or audited by the Company's auditors. Such financial information will be subject to finalisation and necessary adjustments. Accordingly, the actual results of the Group for the six months ended 30 September 2022 may differ from the information contained in this announcement. Shareholders and potential investors are advised to refer to the interim results announcement of the Company for the six months ended 30 September 2022 which is expected to be published in late November 2022.

**Shareholders and potential investors should exercise caution when dealing in the shares of the Company.**
