

FORWARD-LOOKING STATEMENTS

This document contains certain forward-looking statements and information relating to our Company and our subsidiaries that are based on the beliefs of our management as well as assumptions made by and information currently available to our management, in particular, in “Summary”, “Risk Factors”, “Industry Overview”, “Business” and “Financial Information” in this document in relation to future events, our future financial, business or other performance and development, the future development of our industry and the future development of the general economy of our key markets. When used in this document, the words “aim”, “anticipate”, “believe”, “continue”, “could”, “estimate”, “expect”, “going forward”, “intend”, “may”, “ought to”, “might”, “plan”, “potential”, “predict”, “project”, “seek”, “should”, “will”, “would” and the negative of these words and other similar expressions, as they relate to our Group or our management, are intended to identify forward-looking statements.

These statements reflect the current views of our management with respect to future events, operations, liquidity and capital resources, our future financial, business or other performance and development, the future development of our industry and the future development of the general economy of our key markets, some of which may not materialise or may change. These statements based on various assumptions regarding our present and future business strategy and the environment in which we will operate in the future. These statements are not a guarantee of future performance and are subject to certain risks, uncertainties and assumptions, including the other risk factors as described in this document. Prospective investors are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties facing our Company, which could affect the accuracy of forward-looking statements and include, but are not limited to the following:

- our Group’s business prospects;
- our Group’s financial position;
- our Group’s business and operating strategies and plans to achieve these strategies;
- general outlook in the industry and markets in which our Group operates;
- future developments, trends and conditions in the industry and markets in which our Group operates;
- changes to the regulatory environment;
- nature of and potential for future development of our Group’s business;
- our Group’s dividend policy;
- general economic, political and business conditions in the markets in which our Group operates;
- effects of global financial markets and economic crisis;

FORWARD-LOOKING STATEMENTS

- actions and developments of our competitors and our Group’s ability to compete under these actions and developments;
- change or volatility in interest rates, foreign exchange rates, equity prices, volumes, operations, margins, risk management and overall market trends; and
- other factors beyond our Group’s control.

Subject to the requirements of applicable laws, rules and regulations, administrative measures and the Listing Rules, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all.

Accordingly, prospective investors should not place undue reliance on any forward-looking information. All forward-looking statements in this document are qualified by reference to the cautionary statements in this section.

In this document, statements of or references to our intentions or those of our Directors are made as of the date of this document. Any such intentions may change in light of future developments.
