### **POSITIVE PROFIT ALERT**

This announcement is made by Shunten International (Holdings) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the initial assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2022 (the “**Relevant Period**”), the Group is expected to record a turnaround of its results from loss to profit making for the Relevant Period by recording a consolidated profit attributable to owners of the Company within a range of approximately HK\$16.0 million to HK\$20.0 million, as compared to a consolidated loss attributable to owners of the Company of approximately HK\$57.9 million for the six months ended 30 September 2021.

The abovementioned consolidated profit expected to be recorded for the Relevant Period was primarily attributable to the following reasons:

- (1) although the Group’s business has been severely hit by the fifth wave of the COVID-19 pandemic in Hong Kong during the fourth quarter of 2021/22, the Group’s performance has recovered and improved significantly for the Relevant Period; and

- (2) during the six months ended 30 September 2021, there was a loss on fair value change of the Company's shares issued in relation to acquisition of an associate of approximately HK\$55.4 million. No such loss has incurred for the Relevant Period.

As at the date of this announcement, the consolidated results of the Group for the Relevant Period have not yet been finalised. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to unaudited consolidated management accounts of the Group for the Relevant Period and the information currently available to the Board. Such information has not been reviewed or audited by the auditor of the Company, or reviewed by the Company's audit committee, and may be subject to adjustments. Further details of the Group's performance will be disclosed in the interim results announcement of the Company for the Relevant Period in accordance with the Listing Rules, which is expected to be published on 29 November 2022.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
