## **INFORMATION OF THE GROUP AND THE COMPANY**

## **INFORMATION ON THE PURCHASER**

The Purchaser is a limited company incorporated in the United Arab Emirates. To the best knowledge of the Directors, the Purchaser and its ultimate beneficial owners are independent of and not connected with the Company and its connected persons.

## **INFORMATION ON QUANTRON AG**

Quantron AG is a limited company incorporated in Germany in 2019 and is principally engaged in e-mobility in inner-city and regional passenger and freight transport. As at the date of this announcement, Quantron AG is beneficially owned as to 13.85% by the Company and 57.3% by Mr. Andreas Haller, a German citizen and the Founder of Quantron AG. The remaining shares of Quantron AG were held by a number of shareholders independent to the Company.

Quantron AG specialises in the electrification of used and existing vehicles. Quantron AG offers a wide spectrum of new e-commercial vehicles based on the requirements and needs of its customers, which ranges from electric vans and e-buses to electric heavy-duty tractor units. Quantron AG also provides logistics services, battery solutions, and comprehensive consulting services.

As disclosed in the announcement of the Company dated 13 August 2021, as settlement of part of the consideration for the Subscriptions, the Company issued 254,712,175 Shares to Quantron AG, representing approximately 2.83% of the issued Shares of the Company.

Quantron AG recorded revenue of approximately EUR2.1 million and EUR9.6 million for the year ended 31 December 2020 and 2021, respectively. The net loss after taxation of Quantron AG was approximately EUR3.1 million and EUR5.1 million for the year ended 31 December 2020 and 2021, respectively. The audited net liabilities of Quantron AG were approximately EUR3.5 million as at 31 December 2021.

## **REASONS FOR AND BENEFITS OF THE DISPOSAL**

In recent years, the Group has expanded its business into overseas markets instead of relying solely on the PRC market. The Company conducted the Subscriptions expecting to create a synergy effect with Quantron AG in view of establishing a foothold in Europe for achieving faster growth in European regions. After the completion of the Subscriptions, the Company received some purchase orders via Quantron AG for the manufacturing of its electric buses and relevant components. It is expected that the Group may continue to receive purchase orders from Quantron AG after the Disposal.

The Group subscribed for 9,157 shares of Quantron AG through the Subscriptions at a total consideration of approximately EUR7,027,930, which was settled by the Group through a combination of cash and allotment and issuance of consideration shares. Accordingly, the acquisition cost of the Sale Shares of 3,238 shares by the Company shall represent approximately EUR2,485,141. As such, the Consideration for the Disposal of EUR5,635,000 (equivalent to approximately HK\$45,080,000) to be fully settled in cash by the Purchaser, is higher than the respective acquisition cost which will allow the Group to record profit and net cash inflow from the Disposal.

In addition, the Board is of the view that, the resources of the Group should be best deployed and aligned with the overall and long-term goals of the Group for the exploration and development of electric vehicles and components-related business(es) or venture(s) with better prospects or higher growth potential that will best serve the interests of the Company and its shareholders in the long run. The Group considered the Disposal presented an opportunity to realise part of its investment in the Sale Shares.

With reference to the Disposal Announcement, it is the intention for the Group to dispose its entire investment in Quantron AG. As such, the Group will continue to explore opportunity to dispose the remaining 5,919 shares of Quantron AG held by the Group.

In light of the above, the Board is of the view that the Disposal is a commercially sensible business decision and an appropriate course of action to take for the long-term development of the Group. As such, the Board considers the terms and conditions of the Sale and Purchase Agreement and the Disposal are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

## **INTENDED USE OF PROCEEDS FROM THE DISPOSAL**

The net proceeds from the Disposal, after deducting transaction costs, are estimated to be approximately EUR5.3 million (equivalent to approximately HK\$42.4 million), which is intended to be used for the development and expansion of the Company's electric vehicle business and general working capital purposes.

## **FINANCIAL EFFECT OF THE DISPOSAL**

The Sale Shares is classified as financial asset at fair value through profit or loss in the Group's consolidated financial statements. Upon Completion, the Company will continue to hold 5,919 shares of Quantron AG, representing approximately 8.95% of the entire equity interest in Quantron AG, which will continue to be classified as financial asset at fair value through profit or loss in the Group's consolidated financial statements

The Group expects to recognise an unaudited gain of approximately HK\$27.3 million as a result of the Disposal, which is calculated based on the proceeds from the Disposal of approximately HK\$45.1 million, deducted by the book value of the Sale Shares on the consolidated financial statements of the Group of approximately HK\$15.1 million and the estimated transaction cost of approximately HK\$2.7 million for the Disposal. The actual gain or loss as a result of the Disposal to be recorded by the Group is subject to audit and will be assessed after the Completion.

## **LISTING RULES IMPLICATIONS**

As one or more of the applicable percentage ratios under Chapter 14 of the Listing Rules in respect of the capital commitment of the Group in relation to the Disposal are more than 5% but all applicable percentage ratios are less than 25%, the Disposal constitutes a discloseable transaction of the Company under Rule 14.06(2) of the Listing Rules and is therefore subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

**Completion of the Disposal is subject to the satisfaction of the local laws and regulations in Germany where Quantron AG operates. Shareholders and potential investors are advised to exercise caution when dealing in the Shares.**
