## Kwong Luen Engineering Holdings Limited 廣聯工程控股有限公司

(incorporated in the Cayman Islands with limited liability) (Stock Code: 1413)

## **PROFIT WARNING**

This announcement is made by Kwong Luen Engineering Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group and the information currently made available to the Board, the Group is expected to record consolidated loss attributable to owners of the Company of approximately HK\$1.0 million to HK\$10.0 million for the six months ended 30 September 2022, as compared to consolidated profit attributable to owners of the Company of approximately HK\$32.2 million for the six months ended 30 September 2021.

Such expected loss is mainly attributable to a decrease in gross profit margin for the Group's business due to (i) the increase in cost of sales as a result of increase in price of the raw materials, mainly attributable to the outbreak of COVID-19 SARS-CoV-2 Omicron variant in Hong Kong in early 2022 and mainland China in the second and third quarter of 2022; and (ii) stagnation in economic growth of Hong Kong, as demonstrated by the contraction in gross domestic product of Hong Kong for the first three quarters of 2022, leading to reduction in tender opportunities and decrease in gross profit margin of projects awarded.

As the Company is still in the process of finalising the interim results of the Group for the six months ended 30 September 2022, the information contained in this announcement is based solely on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available, which have neither been reviewed by the audit committee of the Company nor reviewed or audited by the Company's auditors. The above information may be subject to further adjustments upon final review by the Board. Shareholders and potential investors are advised to refer to the details in the interim results of the Group for the six months ended 30 September 2022, which is expected to be published in late November 2022 in accordance with the Listing Rules.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
