### **Assumptions**

The above table assumes that (i) each outstanding Class A Ordinary Share, 2020 Senior Ordinary Share and 2021 Senior Ordinary Share is converted into one Ordinary Share on the Listing Date, and (ii) the Global Offering becomes unconditional and Shares are issued pursuant to the Global Offering. The above table also does not take into account any Shares that may be issued pursuant to (i) an exercise of the Over-allotment Option, (ii) the exercise of options or vesting of awards granted or to be granted under the Share Incentive Plans, and (iii) Shares that may be issued or repurchased by us under the general mandates granted to our Directors as referred to in “– Potential changes to number of shares the Company is authorized to issue” below.

### **Ranking**

The Offer Shares will rank *pari passu* in all respects with all Shares currently in issue, in issue in the future, or to be issued as mentioned in this document, and will qualify and rank equally for all dividends or other distributions declared, made or paid on the Shares on a record date which falls after the date of this document.

## **POTENTIAL CHANGES TO NUMBER OF SHARES THE COMPANY IS AUTHORIZED TO ISSUE**

### **Circumstances under which general meeting and class meeting are required**

Our Company may by resolution of members increase the maximum number of shares the Company is authorized to issue. The Company may also divide its shares (including those shares already in issue) into a larger number of shares or combine them into a smaller number of shares in the same class or series, provided that the maximum number of shares the Company is permitted to issue is not exceeded.

See “Summary of the constitution of our Company and BVI company law – Articles of Association – Variation of rights of existing shares or classes of shares” in Appendix III for further details.

Subject to the BVI Business Companies Act, if at any time the authorized shares of our Company is divided into different classes of shares, all or any of the special rights attached to any class of shares may (unless otherwise provided for by the terms of issue of the shares of that class) be varied or abrogated either with the consent in writing of the holders of not less than three-fourths of the voting rights of the issued shares of that class or with the sanction of a Special Resolution of Members (as defined in the Articles of Association) passed at a separate general meeting of the holders of the shares of that class.
