

The information set out in this Appendix does not form part of the Accountant's Report from PricewaterhouseCoopers, Certified Public Accountants, Hong Kong, the reporting accountant of the Company, as set out in Appendix I in this prospectus, and is included herein for illustrative purposes only.

The unaudited pro forma financial information should be read in conjunction with the section headed "Financial Information" in this prospectus and the Accountant's Report set out in Appendix I to this prospectus.

A. UNAUDITED PRO FORMA ADJUSTED CONSOLIDATED NET TANGIBLE ASSETS

The following unaudited pro forma adjusted consolidated net tangible assets prepared in accordance with Rule 4.29 of the Listing Rules are set out below to illustrate the effect of the Global Offering on the consolidated net tangible assets of the Group attributable to the owners of the Company as at June 30, 2022 as if the Global Offering had taken place on that date.

The unaudited pro forma adjusted consolidated net tangible assets has been prepared for illustrative purposes only and, because of its hypothetical nature, it may not give a true picture of the consolidated net tangible assets of the Group had the Global Offering been completed as at June 30, 2022 or at any future dates. The unaudited pro forma statement of adjusted consolidated net tangible assets of the Group is based on the consolidated net tangible assets of the Group attributable to the owners of the Company as at June 30, 2022 as set out in the Accountant's Report of the Company, the text of which is set out in Appendix I to this prospectus, and adjusted as described below.

	Audited consolidated net tangible assets of the Group attributable to owners of the Company as at June 30, 2022 <i>(Note 1)</i> RMB'000	Estimated net proceeds from the Global Offering <i>(Note 2)</i> RMB'000	Estimated impact on the conversion of convertible senior ordinary shares <i>(Note 3)</i> RMB'000	Unaudited pro forma adjusted consolidated net tangible assets attributable to the owners of the Company as at June 30, 2022 RMB'000	Unaudited pro forma adjusted consolidated net tangible assets per Share <i>(Note 4)</i> RMB	<i>(Note 5)</i> HK\$
Based on an Offer Price of HK\$46.0 per share	(390,727)	417,514	826,886	853,673	6.74	7.50
Based on an Offer Price of HK\$50.0 per share	(390,727)	456,706	826,886	892,865	7.05	7.84

Notes:

- (1) The audited consolidated net tangible assets of the Group attributable to the owners of the Company as at June 30, 2022 is extracted from the Accountant's Report set out in Appendix I to this prospectus, which is based on the audited consolidated net assets of the Group attributable to the owners of the Company as at June 30, 2022 of RMB851,251,000 with adjustments for the intangible assets as at June 30, 2022 of RMB1,241,978,000.
- (2) The estimated net proceeds from the Global Offering are based on the indicative Offer Price of HK\$46.0 and HK\$50.0 per share, respectively, after deduction of the underwriting fees and other related expenses (excluding listing expenses of approximately RMB26,895,000 which have been accounted for during the Track Record Period) paid/payable by the Company and takes no account of any Shares which may fall to be issued upon the exercise of the Over-allotment Option, exercise of options or awards granted under the Share Incentive Plan or any Shares which may be issued or repurchased by the Company pursuant to the general mandates.
- (3) All convertible senior ordinary shares will be automatically converted into fully-paid ordinary shares on a one-for-one basis upon completion of the Global Offering. The convertible senior ordinary shares were accounted for as a liability to the Group. Accordingly, for the purpose of the unaudited pro forma adjusted consolidated net tangible assets, the adjustment represents the impact of the conversion of all convertible senior ordinary shares into ordinary shares. The estimated impact is RMB826,886,000, being the carrying amount of the convertible senior ordinary shares as at June 30, 2022.
- (4) The unaudited pro forma adjusted consolidated net tangible assets per Share is arrived at after the adjustments referred to in the preceding paragraphs and on the basis that 126,632,708 Shares were in issue assuming that the Global Offering have been completed on June 30, 2022 (including the shares granted pursuant to the restricted share unit plan (the "RSU plans") prior to June 30, 2022 that are vested prior to or to be vested upon the completion of the Global Offering) but excludes (i) 316,088 shares issued subsequent to June 30, 2022, (ii) cash bonus to be paid to certain senior management and employees after the Global Offering pursuant to the cash bonus plan approved by the board of the Company subsequent to June 30, 2022, (iii) share appreciation plan approved by the board of the Company subsequent to June 30, 2022, (iv) any Shares which may fall to be issued upon the exercise of the Over-allotment Option, exercise of options or awards granted under the Share Incentive Plans and (v) any Shares which may be issued or repurchased by the Company pursuant to the general mandates.

The 316,088 shares mentioned in (i) above are excluded since the issuance of these shares is not directly attributable to the Global Offering.

The cash bonus mentioned in (ii) above and the share appreciation plan mentioned in (iii) above are excluded since the grantees are only entitled to such shares and bonus after the Global Offering.

However, had such (i) 316,088 shares issued subsequent to June 30, 2022 been taken into account, such that 126,948,796 shares are in issue immediately following the completion of the Global Offering, and assuming the cash bonus mentioned in (ii) above is paid immediately upon the Global Offering, the unaudited pro forma adjusted net tangible assets per Share would have been RMB6.60 (equivalent to HK\$7.34) and RMB6.87 (equivalent to HK\$7.64) based on the Offer Price of HK\$46.0 per Share and HK\$50.0 per Share, respectively.

- (5) For the purpose of this unaudited pro forma adjusted consolidated net tangible assets per share, the amounts stated in Renminbi are converted into Hong Kong dollars at the rate of RMB0.8993 to HKD1.00. No representation is made that Renminbi has been, could have been or may be converted to Hong Kong dollars, or vice versa, at that rate.
- (6) Except as disclosed above, no adjustment has been made to reflect any trading results or other transactions of the Group entered into subsequent to June 30, 2022.

The following is the text of a report received from PricewaterhouseCoopers, Certified Public Accountants, Hong Kong, for the purpose of incorporation in this prospectus.

We have completed our assurance engagement to report on the compilation of unaudited pro forma financial information of DPC Dash Ltd (the "Company") and its subsidiaries (collectively the "Group") by the directors of the Company (the "Directors") for illustrative purposes only. The unaudited pro forma financial information consists of the unaudited pro forma statement of adjusted consolidated net tangible assets of the Group as at June 30, 2022, and related notes (the "Unaudited Pro Forma Financial Information") as set out on pages II-1 to II-2 of the Company's prospectus dated December 13, 2022, in connection with the proposed initial public offering of the shares of the Company (the "Prospectus"). The applicable criteria on the basis of which the Directors have compiled the Unaudited Pro Forma Financial Information are described on pages II-1 to II-2 of the Prospectus.

The Unaudited Pro Forma Financial Information has been compiled by the Directors to illustrate the impact of the proposed initial public offering on the Group's financial position as at June 30, 2022 as if the proposed initial public offering had taken place at June 30, 2022. As part of this process, information about the Group's financial position has been extracted by the Directors from the Group's financial information for the six months ended June 30, 2022, on which an accountant's report has been published.

The purpose of unaudited pro forma financial information included in a prospectus is solely to illustrate the impact of a significant event or transaction on unadjusted financial information of the entity as if the event had occurred or the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the proposed initial public offering at June 30, 2022 would have been as presented.

A reasonable assurance engagement to report on whether the unaudited pro forma financial information has been properly compiled on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the directors in the compilation of the unaudited pro forma financial information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

- The related pro forma adjustments give appropriate effect to those criteria; and
- The unaudited pro forma financial information reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on the reporting accountant's judgment, having regard to the reporting accountant's understanding of the nature of the company, the event or transaction in respect of which the unaudited pro forma financial information has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the unaudited pro forma financial information.
