7. ADJUSTMENT

(A) Subject as hereinafter provided, the Conversion Price shall from time to time be adjusted in accordance with the following relevant provisions and so that if the event giving rise to any such adjustment shall be such as would be capable of falling within more than one of sub-paragraphs (a) to (g) inclusive of this Clause 7(A) it shall fall within the first of the applicable paragraphs to the exclusion of the remaining paragraphs:

- (a) If and whenever the Shares by reason of any consolidation, sub-division or re-classification become of a different nominal amount, the Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by the revised nominal amount and dividing the result by the former nominal amount. Each such adjustment shall be effective from the close of business in Hong Kong on the day immediately preceding the date on which the consolidation, sub-division or re-classification becomes effective.
- (b) If and whenever the Company shall issue (other than in lieu of the whole or part of a cash dividend and other than issue that would amount to a capital distribution) any Shares credited as fully paid to the holders of Shares by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve fund), the Conversion Price in force immediately prior to such issue shall be adjusted by multiplying it by the following fraction:

$$\frac{A}{A + B}$$

where:

A = the aggregate nominal amount of the issued Shares immediately before such issue; and

B = the aggregate nominal amount of the Shares issued in such capitalisation.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day following the record date for such issue.

- (c) If and whenever the Company shall make any Capital Distribution (as defined in Clause 7(B)) to holders (in their capacity as such) of Shares (whether on a reduction of capital or otherwise) or shall grant to such holders rights to acquire for cash assets of the Company or any of its subsidiaries, the Conversion Price in force immediately prior to such distribution or grant shall be adjusted by multiplying it by the following fraction:

$$\frac{A - B}{A}$$

where:

A = the market price (as defined in Clause 7(B)) on the date on which the Capital Distribution or, as the case may be, the grant is publicly announced or (failing any such announcement) next preceding day of the Capital Distribution or, as the case may be, of the grant; and

B = the fair market value on the day of such announcement or (as the case may require) the next preceding day, as determined in good faith by the Independent Adviser, of the portion of the Capital Distribution or of such rights which is attributable to one Share. For avoidance of doubt, if the Capital Distribution is distributions in cash the fair market value shall be the cash value and determination by the Independent Adviser is not required.

Provided that:

(aa) if in the opinion of the Independent Adviser, the use of the fair market value as aforesaid produces a result which is significantly inequitable, it may instead determine (and in such event the above formula shall be construed as if B meant) the amount of the said market price which should properly be attributed to the value of the Capital Distribution or rights; and

(bb) the provisions of this sub-paragraph (c) shall not apply in relation to the issue of Shares paid out of profits or reserves and issued in lieu of a cash dividend.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day following the record date for the Capital Distribution or grant.

(d) If and whenever the Company shall offer to holders of Shares new Shares for subscription by way of rights, or shall grant to holders of Shares any options or warrants to subscribe for new Shares, at a price which is less than 90% of the market price on the date of the announcement of the terms of the offer or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of the announcement of such offer or grant by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A = the number of Shares in issue immediately before the date of such announcement;
- B = the number of Shares which the aggregate of the amount (if any) payable for the rights, options or warrants and of the amount payable for the total number of new Shares comprised therein would purchase at such market price per Share; and
- C = the number of Shares offered for subscription or comprised in the options or warrants.

Such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the record date for the offer or grant.

Provided however that no such adjustment shall be made if the Company shall make a like offer or grant (as the case may be) at the same time to the Bondholders (subject to such exclusions or other arrangements as the directors of the Company may deem necessary or expedient in relation to fractional entitlements or having regard to any restrictions or obligations under the laws of, or the requirements of any recognised regulatory body or any stock exchange in any territory outside Hong Kong) as if they had exercised the Conversion Rights under the Bonds registered in their Bondholder holds out of the total principal amount of the Bonds outstanding at the time of the proposed redemption.

- (e) (aa) If and whenever the Company shall issue wholly for cash or for reduction of liabilities any securities or for acquisition of asset which by their terms are convertible into or exchangeable for or carry rights of subscription for new Shares, and the total Effective Consideration per Share (as defined below) initially receivable for such securities is less than 90% of the market price on the date of the announcement of the terms of issue of such securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the issue by the following fraction

$$\frac{A + B}{A + C}$$

where:

- A = the number of Shares in issue immediately before the date of the issue
- B = the number of Shares which the total Effective Consideration receivable for the securities issued would purchase at such

market price per Share; and

C = the number of Shares to be issued upon conversion or exchange of, or the exercise of the subscription rights conferred by, such securities at the initial conversion or exchange rate or subscription price.

Such adjustment shall become effective on the date of the issue.

(bb) If and whenever the rights of conversion or exchange or subscription attached to any such securities as are mentioned in section (aa) of this sub-paragraph (e) are modified so that the total Effective Consideration per Share initially receivable for such securities shall be less than 90% of the market price on the date of announcement of the proposal to modify such rights of conversion or exchange or subscription, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such modification by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A = the number of Shares in issue immediately before the date of such modification

B = the number of Shares which the total Effective Consideration receivable for the securities issued at the modified conversion or exchange price would purchase at such market price; and

C = the number of Shares to be issued upon conversion or exchange of or the exercise of the subscription rights conferred by such securities at the modified conversion or exchange rate or subscription price.

Such adjustment shall become effective as at the date upon which such modification shall take effect. A right of conversion or exchange or subscription shall not be treated as modified for the foregoing purposes where it is adjusted to take account of rights or capitalisation issues and other events normally giving rise to an adjustment of the Conversion Price under this Clause 7(B) provided that corresponding adjustment has already been made to the Conversion Price in respect of such an event.

For the purposes of this sub-paragraph (e), the “**total Effective Consideration**” receivable for the securities issued shall be deemed to be the consideration receivable by the Company for any such securities

or the aggregate consideration deemed to be paid for such securities on acquisition of the relevant asset without any deduction of any commissions, discounts or expenses paid, allowed or incurred in connection with the issue thereof plus the additional minimum consideration (if any) to be received by the Company upon (and assuming) the conversion or exchange thereof or the exercise of such subscription rights, and the total Effective Consideration per Share initially receivable for such securities shall be such aggregate consideration divided by the number of Shares to be issued upon (and assuming) such conversion or exchange at the initial conversion or exchange rate or the exercise of such subscription rights at the initial subscription price, in each case without any deduction for any commissions, discounts or expenses paid, allowed or incurred in connection with the issue.

- (f) If and whenever the Company shall issue wholly for cash or for reduction of liabilities any Shares at a price per Share which is less than 90% of the market price on the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A= the number of Shares in issue immediately before the date of such announcement;

B = the number of Shares which the aggregate amount payable for the issue would purchase at such market price; and

C = the number of Shares so issued.

Such adjustment shall become effective on the date of the issue.

- (g) If and whenever the Company shall issue Shares for the acquisition of asset at a total Effective Consideration per Share (as defined in this sub-paragraph (g) below) which is less than 90% of the market price (as defined in Clause 7(B)) at the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A = the number of Shares in issue immediately before the date of such announcement;

B = the number of Shares which the total Effective Consideration receivable for the securities issued would purchase at such market price per Share; and

C = the number of Shares so issued.

Such adjustment shall become effective on the date of the issue.

For the purpose of this sub-paragraph (g) “**total Effective Consideration**” shall be the aggregate consideration credited as being paid for such Shares by the Company on acquisition of the relevant asset without any deduction of any commissions, discounts or expenses paid, allowed or incurred in connection with the issue thereof, and the “**total Effective Consideration per Share**” shall be the total Effective Consideration divided by the number of Shares issued as aforesaid; and

(B) For the purposes of this Clause 7:

“**announcement**” shall include the release of an announcement to the press or the delivery or transmission by telephone, facsimile or otherwise of an announcement to the Stock Exchange and “**date of announcement**” shall mean the date on which the announcement is first so released, delivered or transmitted;

“**Capital Distribution**” shall (without prejudice to the generality of that phrase) include distributions in cash or specie. Any dividend charged or provided for in the accounts for any financial period shall (whenever paid and however described) be deemed to be a Capital Distribution, provided that any such dividend shall not automatically be so deemed if it is paid out of the aggregate of the net profits (less losses) accrued and attributable to the holders of Shares for all financial periods after 31 December 2021 as shown in the audited consolidated profit and loss account of the Company and its subsidiaries for each financial period ended 31 December;

“**issue**” shall include allot;

“**reserves**” includes unappropriated profits;

“**rights**” includes rights in whatsoever form issued;

“**Shares**” includes, for the purposes of Shares comprised in any issue, distribution or grant pursuant to sub-paragraphs (c), (d), (e), (f), or (g) of Clause 7(A), any such ordinary shares of the Company as, when fully paid, will be Shares; and

- (C) The provisions of sub-paragraphs (b), (c), (d), (e), (f) and (g) of Clause 7(A) shall not apply to:
- (a) an issue of fully paid Shares upon the exercise of any conversion rights attached to securities convertible into Shares or upon exercise of any rights (including any conversion of the Bond or any other convertible bond of the same class as this Bond) to acquire Shares provided that an adjustment has been made under this Clause 7 in respect of the issue of such securities or granting of such rights (as the case may be);
 - (b) an issue of fully paid Shares upon the exercise of any subscription warrants of the Company listed on the Stock Exchange the initial exercise price of which is not less than the market price (as defined hereinabove) of the Shares on the trading day before the announcement of a proposal for the creation and issue of such warrants provided that an adjustment has been made under this Clause 7 in respect of the issue of such securities or granting of such rights (as the case may be);
 - (c) an issue of Shares or other securities of the Company or any subsidiary of the Company wholly or partly convertible into, or rights to acquire, Shares pursuant to any employee or executive share scheme which complies with Chapter 17 of the Listing Rules adopted by the Company from time to time (including the Share Option Scheme);

and in no event shall any adjustment (otherwise than upon the consolidation of Shares into Shares of a larger nominal amount) involve an increase in the Conversion Price. In addition to any determination which may be made by the directors of the Company every adjustment to the Conversion Price shall be certified by the Independent Adviser.

- (E) Notwithstanding anything contained herein, no adjustment shall be made to the Conversion Price in any case in which the amount by which the same would be reduced in accordance with the foregoing provisions of this Clause 7 would be less than one-tenth of one cent and any adjustment that would otherwise be required then to be made shall not be carried forward.
- (F) If the Company or any subsidiary of the Company shall in any way modify the rights attached to any share or loan capital so as wholly or partly to convert or make convertible such share or loan capital into, or attach thereto any rights to acquire, Shares, the Company shall appoint the Independent Adviser to consider whether any adjustment to the Conversion Price is appropriate (and if such Independent Adviser shall certify that any such adjustment is appropriate, the Conversion Price shall be adjusted accordingly and the provisions of Clauses 7(D), 7(E) and 7(H) shall apply).
- (G) Notwithstanding the provisions of Clause 7(A), in any circumstances where the directors of the Company shall consider that an adjustment to the Conversion Price provided for under the said provisions should not be made or should be calculated on a different basis or that an adjustment should take effect on a different date or with a different time from that provided for under the provisions, the Company may appoint the Independent Adviser to consider whether for any reason whatever the adjustment to be made (or the absence of adjustment) would or might not fairly and appropriately reflect the relative interests of the persons affected thereby and, if such Independent Adviser shall consider this to be the case, the adjustment shall be modified or nullified in such manner including without limitation, making an adjustment calculated on a different basis) and/or the adjustment shall take effect from such other date and/or time as shall be certified by such Independent Adviser to be in its opinion appropriate.

- (H) **Listing of Shares:** obtain and/or maintain a listing on the Stock Exchange (as the case may be) for all the issued Shares for the time being and, as soon as reasonably practicable after their issue, for all Conversion Shares to be issued on exercise of the Conversion Rights attaching to the Bonds;
- (I) **Compliance with stock exchange rules:** comply with all rules, regulations, practice directions and other applicable directives imposed by the Stock Exchange and other regulatory authorities having jurisdiction over it;

- (J) **No reduction of issued share capital:** not reduce its issued share capital, share premium account, contributed surplus or capital redemption reserve and save in circumstances where such share premium account, contributed surplus or capital redemption reserve is converted into share capital or used in the payment of any related expenses and other than any reduction for the purposes of (to the extent permissible under applicable law) writing off goodwill arising from the acquisition of business or shares in a corporation or resulting from the purchase of Shares pursuant to the authority granted to the Directors of the Company by the Shareholders in general meeting or any uncalled liability in respect thereof except pursuant to the terms of issue of the relevant share capital or by means of a purchase or redemption of share capital of the Company;
- (K) **Closing of register of members:** unless so required by applicable law or regulation or for the purpose of establishing any dividend or other rights attaching to the Shares, not close its register of shareholders or take any other action which prevents the transfer of its Shares generally and ensure that the Bonds may be converted legally and the Conversion Shares to be issued upon conversion may (subject to any limitation imposed by law) be transferred (as between transferor and transferee although not as against the Company) at all times during the period of such closure or while such other action is effective, nor take any action which prevents the conversion of the Bonds or the issue of the Conversion Shares in respect of them, and in the event of any closure or proposed closure of its register of shareholders permitted pursuant to this sub-Clause (K), give notice of such closure or proposed closure to the Bondholders as soon as is practicable;
- (L) **Maintenance of register of Bondholders:** to maintain a register of holders of the Bonds in Hong Kong or the Cayman Islands;

- (B) **Further acts:** the Company will, so far as permitted by applicable law, do all such further things as may be necessary having regard to the interests of Bondholders to give effect to this Instrument;
- (C) **Change in Registrar:** the Company will give not less than seven (7) days' prior notice to the Bondholders of any future appointment or any resignation or removal of the Registrar or of any change by the Registrar of its Specified Office or, if later, notice as soon as reasonably practicable after becoming aware thereof or of any change in its Specified Office;
- (D) **Bonds held by Company etc:** the Company will send to the Bondholders as soon as reasonably practicable and in any event within five (5) days after being so requested in writing by any Bondholders a certificate of the Company signed by any two of its Directors on behalf of the Company setting out, based on the register of Bondholders maintained by the Registrar on behalf of the Company, the total number of Bonds which, at the date of such certificate, were held by or on behalf of the Company or its subsidiaries and which had not been cancelled;
- (E) **Compliance:** the Company will comply with and perform and observe all the provisions of this Instrument which are expressed to be binding on it. The Conditions shall be binding on the Company and the Bondholders. The Bondholders shall be entitled to enforce the obligations of the Company under the Bonds and the Conditions as if the same were set out and contained in this Instrument which shall be read and construed as one document with the Bonds. The provisions contained in Schedule 3 shall have effect in the same manner as if herein set forth;
- (F) **Conversion Rights:** upon the exercise of any Conversion Rights pursuant to the Conditions it will within fourteen (14) days after the Conversion Date (and subject, with regard to fractional entitlements, to Condition 5(A)(i)) allot such number of Conversion Shares in respect of which Conversion Rights are exercised;
- (G) **Ranking:** all Shares allotted in accordance with (F) above shall rank *pari passu* in all respects with the fully paid Shares in issue on the relevant Conversion Date and shall accordingly entitle the holders to participate in full in all dividends or other distributions, paid or made on the Shares on or after the relevant Conversion Date other than any dividend or other distribution previously declared, or recommended or resolved to be paid or made if the record date therefor shall be on or before the relevant Conversion Date and notice of the amount and record date for which shall have been given to the Stock Exchange and the Bondholders prior to the relevant Conversion Date and, for this purpose, the notice to the Bondholders may take the form of sending a copy of the relevant paid announcement to them; and
- (H) **Banking and trade credit facilities:** the Company will at all times maintain

sufficient banking and trade credit facilities available to satisfy the Group's working capital requirements.

11. **TRANSFER, TRANSMISSION AND REGISTER**

Subject to and in accordance with Condition 3, the Bonds shall be transferable in whole or in part in integral multiples of the authorised denomination (unless the outstanding principal amount of the Convertible Bonds is less than the authorised denomination in which case the whole (but not part only) of that amount may be assigned and transferred) by instrument of transfer in the form set out at the end of the Conditions or in any usual or common form or such other form as may be approved by the directors of the Company. For this purpose, except where required otherwise by the Bondholders pursuant to an Ordinary Resolution, the Company shall appoint the Registrar to maintain a register of Bondholders and, unless the Bondholders shall otherwise require by Ordinary Resolution, the provisions in the memorandum of association and the articles of association of the Company from time to time regarding the transfer and transmission of Shares shall apply to the transfer and transmission of the Bonds and shall have full effect as if the same had been incorporated herein save that the Company shall be obliged (unless the Bondholders shall otherwise permit by Ordinary Resolution) to maintain a register of Bondholders outside Hong Kong and the register of Bondholders may not be closed other than as permitted by Condition 3(E).

12. **CAPITAL DUTIES AND TAXES**

- (A) **Capital duties, etc:** The Company will pay any capital, stamp, issue, registration, documentary or other similar taxes and duties, including interest and penalties, payable in Hong Kong in respect of the creation and original issue and offering of the Bonds and the execution or delivery of this Instrument. The Company will also indemnify the Bondholders from and against all capital stamp, issue, registration, documentary or other similar taxes paid by any of them in any jurisdiction in relation to which the liability to pay arises directly as a result of any action taken by or on behalf of the Bondholders to enforce the obligations of the Company under this Instrument or the Bonds.
- (B) **Change of taxing jurisdiction:** If the Company becomes subject generally to the taxing jurisdiction of any territory or any authority of or in that territory having power to tax other than Hong Kong or any such authority of or in such territory then the Company will give to the Bondholders an undertaking in terms corresponding to the terms of Condition 9 with the substitution for the references in that Condition to Hong Kong of references to that other territory or authority to whose taxing jurisdiction the Company has become so subject and in such event this Instrument and the Bonds will be read accordingly.

13. **MODIFICATIONS**

- (A) Any modification to this Instrument may be effected only by deed poll, executed by the Company and expressed to be supplemental hereto, and (save

for minor amendments by the Company which shall not adversely affect the rights of the Bondholders under the Instrument) only if it shall first have been sanctioned by an Ordinary Resolution of the Bondholders.

- (B) A memorandum of every such supplemental deed shall be endorsed on this Instrument.
- (C) Notice of every modification to this Instrument shall be given in writing to the Bondholders as soon as reasonably practicable.

14. SUIT BY AND MEETINGS OF BONDHOLDERS

- (A) The Company hereby acknowledges and covenants that the benefit of the covenants, obligations and conditions on the part of or binding upon it contained in this Instrument shall enure to each and every Bondholder and the holder(s) of the Conversion Shares.
- (B) Each Bondholder and holder of the Conversion Shares shall be entitled severally to enforce the said covenants, obligations and conditions against the Company insofar as each such Bondholder's Bonds and holder of the Conversion Shares are concerned, without the need to join the allottee of any such Bond or the predecessor in title of the Conversion Shares or any intervening or other Bondholder or holder of the Conversion Shares in the proceedings for such enforcement.
- (C) The Bondholders may hold meetings for the consideration of such matters as they may think fit. The provisions of Schedule 3 shall apply to regulate the convening and conduct, and the powers, of all meetings of Bondholders. Such provisions may be altered by Ordinary Resolution.

15. COMMUNICATIONS

- (A) Any communication to the Company shall be by letter delivered personally or by facsimile transmission to it at 18/F., CCT Telecom Building, 11 Wo Shing Street, Fotan, Shatin, New Territories, Hong Kong (facsimile no. (852) 2102 8100) (or such other address or number as shall be notified in writing by the Company to the Bondholders, the Registrar from time to time with specific reference to this Deed).
- (B) Any such communication will take effect, in the case of delivery, at the time of delivery or, in the case of facsimile transmission, at the time of despatch.

16. GOVERNING LAW

- (A) **Governing law:** This Instrument shall be governed by and construed in accordance with Hong Kong law.
- (B) **Jurisdiction:** The courts of Hong Kong are to have jurisdiction to settle any disputes which may arise out of or in connection with this Instrument or the

Bonds and accordingly any legal action or proceedings arising out of or in connection with this Instrument and/or the Bonds ("**Proceedings**") may be brought in such courts. The Bondholders shall be entitled to take Proceedings in any other court of competent jurisdiction, and the taking of Proceedings in any one or more jurisdictions shall not preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

IN WITNESS whereof this Instrument has been executed as a deed poll on the date stated at the beginning.

TERMS AND CONDITIONS OF THE BONDS

The issue of convertible bonds in the aggregate principal amount of HK\$220,000,000 due on 31 December 2025 (the “**Bonds**”) of CCT FORTIS HOLDINGS LIMITED (中建富通集團有限公司) (the “**Company**”) and the issue of the Shares upon conversion were authorised by resolutions of the Board of Directors of the Company passed on [*] pursuant to the authority granted by the resolutions of the shareholders of the Company passed on [*]. The Bonds are constituted by a deed poll (the “**Instrument**”, such expression shall include amendments and modifications from time to time made thereto) dated [*] executed by the Company.

The statements in these Conditions include summaries of, and are subject to, the detailed provisions of the Instrument. Copies of the Instrument are available for inspection by Bondholders and holders of Conversion Shares at the principal office of the Company being at the date hereof at 18/F., CCT Telecom Building, 11 Wo Shing Street, Fotan, Shatin, New Territories, Hong Kong and at the Specified Office of the Registrar. The Bondholders and holders of Conversion Shares are entitled to the benefit of the Instrument and are bound by, and are deemed to have notice of, all the provisions of the Instrument.

Unless otherwise stated or where the context otherwise requires, terms defined in the Instrument have the same meanings when used in these Conditions.

1. STATUS AND VOTING RIGHTS

- (A) The Bonds constitute direct, unconditional, unsubordinated and secured obligations of the Company and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Company under the Bonds shall, save for such exceptions as may be provided by applicable legislation, at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations. No application will be made for the listing of the Bonds on the Stock Exchange or any stock or securities exchange.
- (B) For the avoidance of doubt, the Bondholder shall not be entitled to attend or vote at any general meetings of the shareholders of the Company by reason only it being the Bondholder.

2. FORM, DENOMINATION AND TITLE

(A) Form and denomination

The Bonds are issued in registered form in the authorised denomination of HK\$500,000 each (or the multiples thereof), save that if the outstanding amount of the Bonds to be issued is less than HK\$500,000, the Bonds may be issued in such amount. A Bond certificate (each a “**Certificate**”) will be issued to each Bondholder in respect of its registered holding of Bonds. Each bond and each Certificate will be numbered serially with an identifying number which will be recorded on the relevant Certificate and in the register of Bondholders kept by the Registrar on behalf of the Company.

(B) Title

Title to the Bonds passes only by registration in the register of Bondholders. The holder of any Bond will (except as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on, or the theft or loss of, the Certificate issued in respect of it or any entry on the register of Bondholders) and no person will be liable for so treating the holder. In these terms and Conditions “**Bondholder**” and (in relation to a Bond) “**holder**” means the person in whose name a bond is registered in the register of Bondholders.

3. TRANSFERS OF BONDS AND ISSUE OF CERTIFICATES

(A) Transfers

The Bondholder may assign or transfer the Bonds to the transferee subject to the compliance of the Listing Rules. The Bonds may not be assigned or transferred, in whole or in part, to any connected person of the Company (as defined under the Listing Rules) without prior written consent of the Company. The Bonds may be transferable in whole or in part in integral multiples of the authorised denomination (unless the outstanding principal amount of the Bonds is less than the authorised denomination in which case the whole (but not part only) of that amount may be assigned and transferred) of its outstanding principal amount and the Company shall facilitate any such assignment or transfer of the Bonds, including making any necessary applications to the Hong Kong Stock Exchange for the said approval (if required).

A transfer of the Bond shall be effected by completing and signing, by both the transferor and the transferee under the hand of one of their officers duly authorised in writing or otherwise by a duly authorised person thereof, a form of transfer set out as Annexure I at the end of the Conditions which is available to be obtained at the Specified Office of the Registrar at 18/F., CCT Telecom Building, 11 Wo Shing Street, Fotan, Shatin, New Territories, Hong Kong. No transfer of title to any Bond will be effective unless and until entered on the register of Bondholders.

(B) Registration

The Certificate must be delivered for registration during normal business hours (Monday to Friday, 9:00 a.m. to 4:30 p.m.) at the Specified Office of the Registrar accompanied by (i) a duly executed transfer form (which is available at the Specified Office of the Registrar); (ii) in case of the execution of the transfer form on behalf of a corporation by its officers, the authority of that person or those persons to do so; and (iii) such other evidence (including legal opinions) as the Company may reasonably require if the transfer form is executed by some other person on behalf of the Bondholder. The Company shall, within ten (10) Business Days of receipt of such documents from the

Bondholder, cancel the existing Certificate and issue a new Certificate in favour of the transferee or assignee as applicable.

(C) Delivery of new certificates

Each new Certificate to be issued upon a transfer of Bonds will, within ten (10) Business Days of receipt by the Company of the form of transfer, be mailed by registered mail or delivered by hand, in each case at the risk of the holder entitled to the Bond, to the address specified in the form of transfer, or made available for collection by the holder entitled to the Bond at the Specified Office of the Registrar upon production of such identification papers as may be reasonably required by the Registrar. For the purposes of these Conditions, “**Business Day**” shall mean a day (other than a Saturday, Sunday or public holiday and any day on which a tropical cyclone warning No.8 or above or a “black” rainstorm warning signal is hoisted or remains hoisted between 9:00 a.m. and 5:00 p.m.) on which licensed banks in Hong Kong are generally open for business throughout their normal business hours.

Where some but not all the Bonds in respect of which a Certificate is issued are to be transferred, converted or redeemed, a new Certificate in respect of the Bonds not so transferred, converted or redeemed will, within ten (10) Business Days of delivery of the original Certificate to the Registrar, be mailed by registered mail or delivered by hand, in each case at the risk of the holder of the Bonds not so transferred, converted or redeemed, to the address of such holder appearing on the register of Bondholders, or made available for collection by such holder at the Specified Office of the Registrar upon production of such identification papers as may be reasonably required by the Registrar.

(D) Formalities free of charge

Registration of transfer of Bonds will be effected upon (a) payment of a fee of HK\$2.50 (or such higher amount as may from time to time be allowed by the Hong Kong Stock Exchange) for each Certificate cancelled or each new Certificate issued, whichever number of the Certificates cancelled/issued is higher; and (b) payment (or the giving of such indemnity as the Company may require) in respect of any tax or other governmental charges which may be imposed in relation to such transfer.

(E) Closed periods

No Bondholder may require the transfer of a Bond to be registered during the period of seven (7) days ending on the due date for any payment of principal of that Bond.

4. INTEREST

The Bonds shall bear interest from and including the date of its issue at the rate of four and a half per cent. (4.5%) per annum on the outstanding principal amount thereof.

Interest shall be accrued daily on a 365-day basis and is payable monthly on the last day of each month after the issue of the Bonds, and on the Maturity Date (or such later date as the Company and the Bondholder(s) may agree) (the “**Interest Payment Date**”). If an Interest Payment Date would otherwise fall on a day which is not a Business Day, it shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month in which event it shall be brought forward to the immediately preceding Business Day.

5. **CONVERSION**

(A) **Conversion Right**

- (i) **Conversion Period:** Subject as hereinafter provided, Bondholders have the right to convert their Bonds into Shares at any time during the Conversion Period referred to below.

The right of a Bondholder to convert the principal amount (or any part(s) thereof, but excluding Interest) of the Bond into Shares is called the “**Conversion Right**”. Subject to, and upon compliance with, the provisions of this Condition, the Conversion Right attaching to any Bond may only be exercised, at the option of the holder thereof, from the date of this Instrument up to 4:00 p.m. (Hong Kong time) on the day immediately prior to and exclusive of the Maturity Date (as defined in Condition 8(A)) (the “**Conversion Period**”) in amounts (the “**Conversion Amount**”) not less than a whole multiple of HK\$500,000 on such conversion, save that if at any time the outstanding principal amount of the Bond held by a Bondholder is less than HK\$500,000, or if a Bondholder intends to exercise the Conversion Rights attached to the entire principal amount of all the Bonds held by him, the Bondholder may convert the whole (but not part only) of the such outstanding principal amount of the Bonds.

The right of the converting Bondholder to repayment of the principal amount of the Bond, and premium (if any), being converted shall only be extinguished and released on either: (i) the allotment and issue of Shares credited as paid up in full by the Company as provided in this Condition 5 and the name of the converting Bondholder having been entered on the Hong Kong branch register of Shareholders as the holder of such Shares or such other register of members of the Company as the exercising Bondholder may select; or (ii) the redemption of the relevant Bond by the Company in cash as provided in these Conditions.

If the Bondholder is a Clearing House representing different ultimate beneficiaries of the Bonds, such Bondholder may act upon instructions of the relevant ultimate beneficiary and convert the Bond to which such ultimate beneficiary is beneficially entitled in whole or in part (in whole multiples of HK\$500,000) of its outstanding principal amount into Conversion Shares during the Conversion Period.

The number of Conversion Shares to be issued on each conversion will be determined by dividing the principal amount specified in the Conversion Notice by the Conversion Price applicable on the Conversion Date. Fractions of Shares will not be issued on conversion and the amount representing such fraction will be retained by the Company and no payment will be made to the Bondholder in respect of such fraction, provided always that for the purpose of determining whether any (and if so what) fraction of a share arises, if the Conversion Right represented by a Certificate and any one or more other Certificates are exercised on the same Conversion Date by the same Bondholder, then the Conversion Rights represented by such bonds shall be aggregate.

Any calculation by the Company of the number of Conversion Shares falling to be issued on a conversion shall, in the absence of manifest error, be conclusive and binding on the Bondholder.

- (ii) **Conversion Price:** The conversion price (the “**Conversion Price**”) per Share shall be HK\$0.16 per Conversion Share, subject to adjustments as hereafter described.
- (iii) **Meaning of “Shares”:** As used in these Conditions, the expression “**Shares**” means ordinary shares of par value HK\$0.1 each of the Company or shares of any class or classes resulting from any subdivision, consolidation or re-classification of those shares, which as between themselves have no preference in respect of voting or dividends or of amounts payable in the event of any voluntary or involuntary liquidation or dissolution of the Company.

(B) Conversion, etc. procedure

- (i) **Conversion Notice:** To exercise the Conversion Right attaching to any Bond, the holder thereof must complete, execute and deposit at his own expense during normal business hours at the Specified Office of the Registrar a notice of conversion (a “**Conversion Notice**”) in duplicate in the form (for the time being current) obtainable from the Specified Office of the Registrar or in such other form that the intentions of the converting Bondholder are clearly stated, together with the relevant Certificate.

In respect of an exercise of a Conversion Right, the conversion date in respect of relating Bond (the “**Conversion Date**”) will be deemed to be: (a) except in the case described in (b) below, the Business Day immediately following the date of the surrender of such Bond and delivery of Conversion Notice therefor or; (b) where the date of surrender and delivery as aforesaid is the record date for any distribution or other right exercisable in respect of the Shares, the Conversion Date shall be deemed to be such date of surrender and delivery. A Conversion Notice once delivered shall be irrevocable.

- (ii) **Capital duty etc.:** The Company shall pay any taxes and capital, stamp, issue and registration duties arising on conversion (including any taxes or transaction levies or capital or stamp duties payable in Hong Kong by the Company in respect of the allotment and issue of Shares pursuant to the Instrument and listing of the Shares on conversion) and the Company must pay all, if any, taxes arising by reference to any disposal or deemed disposal of a Bond in connection with such conversion (other than taxes on gain on disposal or Conversion Shares or the overall income of the Bondholder or similar taxes). The Company will pay all other expenses arising on the issue of Shares on conversion of Bonds and on the conversion of the Bonds.
- (iii) **Delivery of certificates and payment of redemption monies:** As soon as practicable, and in any event not later than ten (10) Business Days after the Conversion Date, the Company will, in the case of Bonds converted on exercise of the Conversion Right and in respect of which (aa) a Conversion Notice has been delivered; and (bb) the relevant Certificate deposited as required by Condition(5)(B)(i), register the person or persons designated for the purpose in the Conversion Notice as holder(s) of the relevant number of Shares in the Company's branch share register in Hong Kong and will cause the Registrar to make a certificate or certificates for the relevant Shares available for collection at its Specified Office or, if so requested in the relevant Conversion Notice, will cause the Registrar to mail (at the risk, and, if sent at the request of such person otherwise than by ordinary mail, at the expense, of the person to whom such certificate or certificates are sent) such certificate or certificates to the person and at the place specified in the Conversion Notice or make available for personal collection by the holder of the Bonds during normal business hours (Monday to Friday, 9:00 a.m. to 4:30 p.m.) at the Specified Office of the Registrar, together with any other securities, property or cash required to be delivered upon conversion or subscription and such assignments and other documents (if any) as may be required by law to effect the conversion or subscription thereof.
- (iv) **Registration date:** The person or persons specified for that purpose will become the holder of record of the number of Shares issuable upon conversion with effect from the date he is or they are registered as such in the Company's branch register of shareholders maintained in Hong Kong (the "**Registration Date**"). The Shares issued upon conversion of the Bonds will in all respects rank pari passu with the Shares in issue on the relevant Registration Date as if the Shares issued on conversion or subscription had been issued on such date (except for any right excluded by mandatory provisions of applicable law). Save as set out below, a holder of Shares issued on conversion of Bonds shall not be entitled to any rights the record date for which precedes the relevant Registration Date.

If the record date for the payment of any dividend or other distribution (excluding the distribution element of a rights issue) in respect of the Shares is on or after the Conversion Date in respect of any Bond, but before the Registration Date, the Company will pay to the converting Bondholder or his designee an amount (the “**Equivalent Amount**”) in Hong Kong dollars equal to any such dividend or other distribution to which he would have been entitled had he on that record date been such a shareholder of record and will make the payment at the same time as it makes payment of the dividend or other distribution, or as soon as practicable thereafter, but, in any event, not later than seven days thereafter. The Equivalent Amount shall be paid by means of a Hong Kong dollar cheque drawn on a branch of a bank in Hong Kong and sent to the address specified in the relevant Conversion Notice.

If the record date for the issue of Shares to all or substantially all Shareholders as a class by way of rights or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for or purchase any Shares is on or after the Conversion Date in respect of any Bond, but before the Registration Date the Company will issue or grant to all Bondholders (or their designees) who exercised any Conversion Rights attached to the Bonds prior to the record date, such number of Shares, options, warrants or rights to subscribe for Shares by way of rights to which they would have been entitled had they on that record date been holders of the Shares falling to be issued in respect of the Conversion Rights exercised by them.

- (v) **Ranking of Shares:** The Shares issued upon conversion of the Bonds will in all respects rank *pari passu* with the Shares in issue on the relevant Conversion Date as if the Shares issued on conversion had been issued on such date and accordingly shall entitle the holders to participate in all dividends or other distributions declared, paid or made on or after the relevant Conversion Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be on or before the relevant Conversion Date. A holder of Shares issued on conversion of the Bonds shall not be entitled to any rights the record date for which precedes the relevant Conversion Date.

(C) Company’s undertakings

The Company will undertake in the Instrument that so long as any Bonds remain outstanding it will (a) maintain a listing for all the issued Shares on the Stock Exchange, and (b) obtain and maintain a listing for the Conversion Shares to be issued on the exercise of the Conversion Rights attaching to the Bonds on the Stock Exchange.

The Company will undertake in the Instrument to pay the expenses of the issue of, and all expenses of obtaining listing for, Conversion Shares arising on conversion of the

Bonds.

The Company has also given certain other undertakings in the Instrument for the protection of the Conversion Rights.

(D) Consolidation, amalgamation or merger

In the case of any consolidation, amalgamation or merger of the Company with any other corporation (other than a consolidation, amalgamation or merger in which the Company is the continuing corporation), or in the case of any sale or transfer of all, or substantially all, of the assets of the Company, the Company will forthwith notify the Bondholders and the Registrar of such event in accordance with Condition 14 and (so far as legally possible) cause the corporation resulting from such consolidation, amalgamation or merger or the corporation which shall have acquired such assets, as the case may be, to execute an instrument supplemental to the Instrument to ensure that the holder of each Bond then outstanding will have the right (during the period in which such Bond shall be convertible) to convert such Bond into the class and amount of shares and other securities and property receivable upon such consolidation, amalgamation, merger, sale or transfer by a holder of the number of Shares which would have become liable to be issued upon conversion of such Bond immediately prior to such consolidation, amalgamation, merger, sale or transfer. Such supplemental instrument will provide for adjustments which will be as nearly equivalent as may be practicable to the adjustments provided for in the foregoing provisions of this Condition. The above provisions of this Condition 5(D) will apply in the same way to any subsequent consolidations, amalgamations, mergers, sales or transfers.

(E) Limitation

The Conversion Right shall only be exercised on the condition that the exercise of the Conversion Right and the allotment and issue of the Conversion Shares will not cause the public float of the Shares to be less than 25% (or any given percentage as required by the Listing Rules for the minimum percentage of Shares being held by the public as per Rule 8.08(1) of the Listing Rules) of the issued Shares of the Company.

6. ADJUSTMENT

(A) Subject as hereinafter provided, the Conversion Price shall from time to time be adjusted in accordance with the following relevant provisions and so that if the event giving rise to any such adjustment shall be such as would be capable of falling within more than one of sub-paragraphs (a) to (g) inclusive of this Condition 6(A) it shall fall within the first of the applicable paragraphs to the exclusion of the remaining paragraphs:

- (a) If and whenever the Shares by reason of any consolidation, sub-division or re-classification become of a different nominal amount, the Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by the revised nominal amount and dividing the result by the former nominal amount. Each such adjustment shall be effective from the close of business in Hong Kong on the day

immediately preceding the date on which the consolidation, sub-division or re-classification becomes effective.

- (b) If and whenever the Company shall issue (other than in lieu of the whole or part of a cash dividend and other than issue that would amount to a capital distribution) any Shares credited as fully paid to the holders of Shares by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve fund), the Conversion Price in force immediately prior to such issue shall be adjusted by multiplying it by the following fraction:

$$\frac{A}{A + B}$$

where:

A = the aggregate nominal amount of the issued Shares immediately before such issue; and

B = the aggregate nominal amount of the Shares issued in such capitalisation.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day following the record date for such issue.

- (c) If and whenever the Company shall make any Capital Distribution (as defined in Condition 6(B)) to holders (in their capacity as such) of Shares (whether on a reduction of capital or otherwise) or shall grant to such holders rights to acquire for cash assets of the Company or any of its subsidiaries, the Conversion Price in force immediately prior to such distribution or grant shall be adjusted by multiplying it by the following fraction:

$$\frac{A - B}{A}$$

where:

A = the market price (as defined in Condition 6 (B)) on the date on which the Capital Distribution or, as the case may be, the grant is publicly announced or (failing any such announcement) next preceding day of the Capital Distribution or, as the case may be, of the grant; and

B = the fair market value on the day of such announcement or (as the case may require) the next preceding day, as determined in good faith by the Independent Adviser, of the portion of the Capital Distribution or of such rights which is attributable to one Share.

For avoidance of doubt, if the Capital Distribution is distributions in cash the fair market value shall be the cash value and determination by the Independent Adviser is not required.

Provided that:

- (aa) if in the opinion of the Independent Adviser, the use of the fair market value as aforesaid produces a result which is significantly inequitable, it may instead determine (and in such event the above formula shall be construed as if B meant) the amount of the said market price which should properly be attributed to the value of the Capital Distribution or rights; and
- (bb) the provisions of this sub-paragraph (c) shall not apply in relation to the issue of Shares paid out of profits or reserves and issued in lieu of a cash dividend.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day following the record date for the Capital Distribution or grant.

- (d) If and whenever the Company shall offer to holders of Shares new Shares for subscription by way of rights, or shall grant to holders of Shares any options or warrants to subscribe for new Shares, at a price which is less than 90% of the market price on the date of the announcement of the terms of the offer or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of the announcement of such offer or grant by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A = the number of Shares in issue immediately before the date of such announcement;
- B = the number of Shares which the aggregate of the amount (if any) payable for the rights, options or warrants and of the amount payable for the total number of new Shares comprised therein would purchase at such market price per Share; and
- C = the number of Shares offered for subscription or comprised in the options or warrants.

Such adjustment shall be effective (if appropriate retroactively) from the commencement of the day next following the record date for the offer or grant.

Provided however that no such adjustment shall be made if the Company shall make a like offer or grant (as the case may be) at the same time to the Bondholders (subject to such exclusions or other arrangements as the directors of the Company may deem necessary or expedient in relation to fractional entitlements or having regard to any restrictions or obligations under the laws of, or the requirements of any recognised regulatory body or any stock exchange in any territory outside Hong Kong) as if they had exercised the Conversion Rights under the Bonds registered in their Bondholder holds out of the total principal amount of the Bonds outstanding at the time of the proposed redemption.

- (e) (aa) If and whenever the Company shall issue wholly for cash or for reduction of liabilities or for acquisition of asset any securities which by their terms are convertible into or exchangeable for or carry rights of subscription for new Shares, and the total Effective Consideration per Share (as defined below) initially receivable for such securities is less than 90% of the market price on the date of the announcement of the terms of issue of such securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the issue by the following fraction

$$\frac{A + B}{A + C}$$

where:

- A = the number of Shares in issue immediately before the date of the issue
- B = the number of Shares which the total Effective Consideration receivable for the securities issued would purchase at such market price per Share; and
- C = the number of Shares to be issued upon conversion or exchange of, or the exercise of the subscription rights conferred by, such securities at the initial conversion or exchange rate or subscription price.

Such adjustment shall become effective on the date of the issue.

- (bb) If and whenever the rights of conversion or exchange or subscription attached to any such securities as are mentioned in section (aa) of this sub-paragraph (e) are modified so that the total Effective Consideration per Share initially receivable for such securities shall be less than 90% of the market price on the date of announcement of the proposal to modify such rights of

conversion or exchange or subscription, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such modification by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A = the number of Shares in issue immediately before the date of such modification
- B = the number of Shares which the total Effective Consideration receivable for the securities issued at the modified conversion or exchange price would purchase at such market price; and
- C = the number of Shares to be issued upon conversion or exchange of or the exercise of the subscription rights conferred by such securities at the modified conversion or exchange rate or subscription price.

Such adjustment shall become effective as at the date upon which such modification shall take effect. A right of conversion or exchange or subscription shall not be treated as modified for the foregoing purposes where it is adjusted to take account of rights or capitalisation issues and other events normally giving rise to adjustment of conversion or exchange terms.

For the purposes of this sub-paragraph (e), the “**total Effective Consideration**” receivable for the securities issued shall be deemed to be the consideration receivable by the Company for any such securities or the aggregate consideration deemed to be paid for such securities on acquisition of the relevant asset without any deduction of any commissions, discounts or expenses paid, allowed or incurred in connection with the issue thereof plus the additional minimum consideration (if any) to be received by the Company upon (and assuming) the conversion or exchange thereof or the exercise of such subscription rights, and the total Effective Consideration per Share initially receivable for such securities shall be such aggregate consideration divided by the number of Shares to be issued upon (and assuming) such conversion or exchange at the initial conversion or exchange rate or the exercise of such subscription rights at the initial subscription price, in each case without any deduction for any commissions, discounts or expenses paid, allowed or incurred in connection with the issue.

- (f) If and whenever the Company shall issue wholly for cash or for reduction of liabilities any Shares at a price per Share which is less

than 90% of the market price on the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A = the number of Shares in issue immediately before the date of such announcement;

B = the number of Shares which the aggregate amount payable for the issue would purchase at such market price; and

C = the number of Shares so issued.

Such adjustment shall become effective on the date of the issue;

- (g) If and whenever the Company shall issue Shares for the acquisition of asset at a total Effective Consideration per Share (as defined in this sub-paragraph (g) below) which is less than 90% of the market price (as defined in Condition 6(B)) at the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A = the number of Shares in issue immediately before the date of such announcement;

B = the number of Shares which the total Effective Consideration receivable for the securities issued would purchase at such market price per Share; and

C = the number of Shares so issued.

Such adjustment shall become effective on the date of the issue.

For the purpose of this sub-paragraph (g) “**total Effective Consideration**” shall be the aggregate consideration credited as being paid for such Shares by the Company on acquisition of the relevant asset without any deduction of any commissions, discounts or expenses paid, allowed or incurred in connection with the issue thereof, and the

In addition to any determination which may be made by the directors of the Company every adjustment to the Conversion Price shall be certified either (at the option of the Company) by the Independent Adviser of the Company for the time being or by the Independent Adviser.
- (E) Notwithstanding anything contained herein, no adjustment shall be made to the Conversion Price in any case in which the amount by which the same would be reduced in accordance with the foregoing provisions of this Condition 6 would be less than one-tenth of one cent and any adjustment that would otherwise be required then to be made shall not be carried forward.

consider whether any adjustment to the Conversion Price is appropriate (and if such Independent Adviser shall certify that any such adjustment is appropriate, the Conversion Price shall be adjusted accordingly and the provisions of Conditions 6(D), 6(E) and 6(H) shall apply).

- (G) Notwithstanding the provisions of Condition 6(A), in any circumstances where the directors of the Company shall consider that an adjustment to the Conversion Price provided for under the said provisions should not be made or should be calculated on a different basis or that an adjustment should take effect on a different date or with a different time from that provided for under the provisions, the Company may appoint the Independent Adviser to consider whether for any reason whatever the adjustment to be made (or the absence of adjustment) would or might not fairly and appropriately reflect the relative interests of the persons affected thereby and, if such Independent Adviser shall consider this to be the case, the adjustment shall be modified or nullified in such manner including without limitation, making an adjustment calculated on a different basis) and/or the adjustment shall take effect from such other date and/or time as shall be certified by such Independent Adviser to be in its opinion appropriate.

11. Any poll demanded at any meeting on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.
12. The Company (through its representatives) and financial and legal advisers may attend and speak at any meeting of Bondholders. INFORMATION OF THE GROUP

The Company is an investment holding company. As at the date of this announcement, the Group is principally engaged in (i) property business; (ii) securities business; (iii) Blackbird Group's multi-faceted automotive business; (iv) investment in collectible precision devices; and (v) cultural entertainment business.

INFORMATION OF THE SUBSCRIBER

The Subscriber is an investment holding company. The Subscriber is beneficially and ultimately owned by Mr. Mak, being the chairman, the chief executive officer, an executive Director and the controlling Shareholder of the Company, and is a connected person of the Company under Chapter 14A of the Listing Rules.

REASONS FOR AND BENEFITS OF THE PROPOSED ISSUE OF THE CONVERTIBLE BONDS AND USE OF PROCEEDS

As at the date of this announcement, the outstanding principal amount of the 2024 Bonds held by the Subscriber is HK\$220,000,000 and will fall due on 31 December 2024. The 2024 Bonds shall be redeemable at the option of the Company at any time on or before 31 December 2024.

The Board considers that the issue of the Convertible Bonds at the Subscription Price which will be set off against the outstanding principal amount of the 2024 Bonds held by the Subscriber allows the Company to retain its financial resources for a longer period of time and represents an opportunity to enhance the working capital of the Company.

No net proceeds will be received by the Company from the issue of the Convertible Bonds. The outstanding principal amount of the 2024 Bonds of HK\$220,000,000 held by the Subscriber as at the date of this announcement will be settled through the issuance of the Convertible Bonds on the date of Completion to the Subscriber. Accordingly, no immediate cash outflow will be incurred in the settlement of the outstanding principal amount of the 2024 Bonds held by the Subscriber, thus providing more flexibility to the Company in its future cash management. The conversion of the Convertible Bonds (if any) may also strengthen the capital base and reduce the liability of the Company, and thus improve the financial position of the Company.

Hence, the Directors (excluding the members of the Independent Board Committee whose views are to be included in the circular to be despatched by the Company, after being advised by the Independent Financial Adviser) consider that the terms and conditions of the Subscription Agreement and the Convertible Bonds are fair and reasonable based on the current market conditions and are on normal commercial terms and in the interests of the Company and the Shareholders as a whole.

LISTING RULES IMPLICATIONS

The Subscriber is beneficially and ultimately owned by Mr. Mak, being the chairman, the chief executive officer, an executive Director and the controlling Shareholder of the Company, and is a connected person of the Company under Chapter 14A of the Listing Rules. Mr. Mak holds 25,589,652 Shares and is deemed under Part XV of the SFO to be interested in an aggregate of 446,025,079 Shares held by Capital Winner, New Capital and Capital Force, representing approximately an aggregate of 54.01% of the issued share capital of the Company. Accordingly, the Subscription constitutes a connected transaction on the part of the Company and is subject to the reporting, announcement, circular and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules. In addition, the Convertible Bonds and the Conversion Shares will be issued under the Specific Mandate which is subject to Independent Shareholders' approval at the SGM. The SGM will be convened and held for the purposes of considering, and if thought fit, approving, among other things, the Increase in Authorised Share Capital, the Subscription, and the Specific Mandate to allot and issue the Conversion Shares.

Mr. Mak has abstained from voting on the resolutions in relation to the Subscription Agreement proposed to the Board. Save as disclosed above, none of the Directors attended the Board meeting has a material interest in the Subscription.
