RESPONSIBILITY STATEMENT AND FORWARD-LOOKING STATEMENTS

- (m) any statements concerning our ability to control costs or raise adequate and timely funding;
- (n) any statements concerning the nature of, and potential for, the future development of our business; and
- (o) any statements preceded by, followed by or that include words and expressions such as "expect," "believe," "plan," "intend," "estimate," "forecast," "project," "anticipate," "seek," "may," "will," "ought to," "would," "should" and "could" or similar words or statements,

as they relate to the Company or our senior management, are forward-looking statements.

These statements are based on assumptions regarding our current expectations and beliefs concerning future developments and their potential effects on us. These forward-looking statements reflect our current views as to future events and are not a guarantee of our future performance. Forward-looking statements are subject to certain known and unknown risks, uncertainties and assumptions, including the risk factors described in "Risk Factors." Important factors that may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by these forward-looking statements include, among other things, the risk factors described in "Risk Factors."

Subject to the requirements of applicable laws, rules and regulations, we do not have any obligation, and undertake no obligation, to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or developments or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all. Accordingly, you should not place undue reliance on any forward-looking information. All forward-looking statements contained in this document are qualified by reference to the cautionary statements set out in this section as well as the risks and uncertainties discussed in "Risk Factors."

In this document, statements of or references to our intentions or that of any of the Directors are made as at the date of this document. Any of these intentions may change in light of future developments.
