Pursuant to Rules 14A.73(8) and 14A.98 of the Listing Rules, the transaction regarding the sharing of the Administrative Services between the Company and AGL contemplated under the 2023 Agreement is fully exempt under Chapter 14A of the Listing Rules.

THE 2023 AGREEMENT

As the 2020 Agreement will expire on 31 December 2022, on 23 December 2022, the Company and AGL entered into the 2023 Agreement to renew the 2020 Agreement for a term of three years from 1 January 2023 to 31 December 2025.

The major terms of the 2023 Agreement are as follows:

Date	:	23 December 2022
Parties	:	The Company and AGL
Term	:	Three years commencing from 1 January 2023 and expiring on 31 December 2025
Nature of transaction	:	The Company agreed to reimburse AGL the costs incurred in respect of the Administrative Services and the Management Services provided by AGL to the Group.
Payment terms in respect of the sharing of the Management Services	:	The Group agreed to reimburse a portion of the actual costs of the services incurred by AGL by reference to a specified percentage of the remuneration of the members of the Management Staff providing the Management Services to the Group, which will be payable by the Group on a quarterly basis. Such percentage varies among each member of the Management Staff providing the Management Services and would be determined by reference to the percentage of time currently estimated to be devoted by each member of the Management Staff to the affairs of the Group against the amount of time he/she would otherwise devote to the affairs of AGL and/or its wholly-owned subsidiaries as a full time employee of AGL and/or its wholly-owned subsidiaries.
Historical figures	:	The amount of service fees paid and payable by the Group to AGL for the Management Services for the years ended on 31 December 2020 and 2021 and the nine months ended 30 September 2022 were approximately HK\$2,296,000, HK\$2,212,000 and HK\$1,724,000, respectively. The historical service fees paid by the Group reflected the actual level of requirement for the Management Services that
		were provided by the Management Staff.

Annual Caps and : the basis of determining the same	In determining the Annual Caps, besides taking into account the historical figures of the service fees paid and payable by the Group, the Directors have also taken into consideration the existing scale of the Group's operations, the anticipated growth of the Group and the anticipated increase in the remuneration of those Management Staff who provide the Management Services to the Group, and having done so, the Annual Caps for the years ending 31 December 2023, 2024 and 2025 shall be HK\$2,940,000, HK\$3,240,000 and HK\$3,570,000, respectively.
Reasons for and benefits : of the transaction	The Directors consider that the sharing of the Administrative Services and the Management Services arrangement will benefit the Group in that both AGL and the Group can enjoy economies of scale brought by the sharing of the Administrative Services and the Management Services which will maximise cost efficiency and management effectiveness. In addition, since the Management Staff will devote part of their time to the affairs of the Group in the course of providing the Management Services to the Group, the Directors consider that it is reasonable for the Group to be charged for the Management Services to reimburse the costs incurred by AGL.
