The Company will not issue any temporary documents of title in respect of the Offer Shares and will not issue any receipt for application monies received.

PUBLIC FLOAT

The Directors confirm that there will not be any new substantial Shareholder immediately after the Global Offering within the meaning of the Listing Rules and the number of Shares to be held by the public is expected to represent more than 25% of the total number of issued Shares and will satisfy the minimum percentage prescribed under Rule 8.08 of the Listing Rules. As each of the Pre-IPO Investors is not a core connected person of the Company and the Pre-IPO Investment was not financed directly or indirectly by any core connected persons of the Company, Shares held by the Pre-IPO Investors will be counted towards the public float after the Listing. As such, the number of Shares to be held by the public after the Listing (inclusive of the shares of the Pre-IPO Investors) is expected to represent 25.05% of the total number of issued Shares.

The Directors confirm that immediately following the completion of the Global Offering, (i) at least 25% of the Company's total number of issued Shares will be held by the public, satisfying Rule 8.08(1) of the Listing Rules; (ii) the three largest public Shareholders do not hold more than 50% of the Shares held in public hands at the time of the Listing in compliance with Rules 8.08(3) and 8.24 of the Listing Rules; and (iii) there will be at least 300 Shareholders at the time of the Listing in compliance with Rule 8.08(2) of the Listing Rules.
