VOLUNTARY ANNOUNCEMENT DECEMBER 2022 DELIVERY UPDATE

On January 1, 2023 (U.S. Eastern Time), Li Auto Inc. (“**Li Auto**” or the “**Company**”) (Nasdaq: LI; HKEX: 2015), a leader in China’s new energy vehicle market, announced that the Company delivered 21,233 vehicles in December 2022, achieving another monthly delivery record and representing an increase of 50.7% year over year. This brought the Company’s fourth quarter deliveries to 46,319, up 31.5% year over year. Total deliveries in 2022 increased by 47.2% year over year to 133,246. The cumulative deliveries of Li Auto vehicles reached 257,334 as of the end of December.

“We set another monthly record in December with 21,233 deliveries and became the fastest emerging new energy automaker in China to surpass the 20,000 monthly delivery mark. With December deliveries for Li L9 and Li L8 both exceeding 10,000, the two models have solidified our market position in the RMB300,000 to RMB500,000 price segment. We would like to extend our heartfelt gratitude to all our users’ families for their trust and support. In 2023, we will continue to bring our users safer, more convenient, and more refined products and services. We look forward to growing with more families in the new year, creating a mobile home and creating happiness,” commented Yanan Shen, co-founder of Li Auto.

As of December 31, 2022, the Company had 288 retail stores in 121 cities, as well as 318 servicing centers and Li Auto-authorized body and paint shops operating in 223 cities.

About Li Auto Inc.
