The Company intends to use the net proceeds from the Subscription for the expansion of school network (including campus development and potential mergers and acquisitions) and working capital purposes.

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Subscription Shares.

Completion of the Placing and the Subscription is subject to the satisfaction of the conditions precedent in the Placing Agreement and the Subscription Agreement. As the Placing and the Subscription may or may not proceed, Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares and other securities of the Company.

Parties: (i) The Company;
(ii) Blue Sky; and
(iii) White Clouds.

Number of Subscription Shares

The number of Subscription Shares to be subscribed by each of Blue Sky and White Clouds is equivalent to the number of the Placing Shares placed by them respectively.

The Directors consider that the terms of the Subscription are fair and reasonable under the current market conditions, on normal commercial terms and in the interest of the Company and the Shareholders as a whole.

For completeness, the scrip Shares to be allotted and issued for payment of the final dividend for the year ended 31 August 2022 to the Shareholders in lieu of cash under the scrip dividend scheme of the Company, if approved by the Shareholders, shall be issued under the general mandate to be approved at the Company's next annual general meeting to be held on 13 February 2023. Based on the above, no separate Shareholders' approval is required for the Subscription.

- (i) completion of the Placing having occurred pursuant to the terms of the Placing Agreement; and
- (ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, such Subscription Shares and such listing and permission not subsequently revoked prior to the delivery of definitive share certificate(s) representing the Subscription Shares.

Completion of the Subscription

Completion shall take place on a date no later than 14 days from the date of the Placing Agreement (or such later date, subject to the approval of the Stock Exchange, as may be agreed between Blue Sky, White Clouds and the Company), failing which the Subscription Agreement and all rights and obligations of Blue Sky, White Clouds and the Company under the Subscription shall cease and terminate.

Completion of the Placing and the Subscription is subject to the satisfaction of the conditions precedent in the Placing Agreement and the Subscription Agreement. Note: Blue Sky, White Clouds, Mr. Yu Guo and Mr. Xie Ketao entered into the Concert Party Agreement to align their shareholding interests in the Company, pursuant to which Blue Sky, White Clouds, Mr. Yu Guo and Mr. Xie Ketao agreed to vote in concert with each other for all operational and other matters at Board meetings or Shareholders' meeting of the Company (through himself, Blue Sky or White Clouds, as the case may be).

DISPENSATION FROM RULE 26 OF THE TAKEOVERS CODE

Blue Sky, White Clouds, Mr. Yu Guo and Mr. Xie Ketao have been acting in concert with each other in respect of the Company for at least 12 months immediately preceding date of the Placing Agreement and the Subscription Agreement.

As a result of the Placing, the aggregate percentage shareholding of Blue Sky and White Clouds and the persons acting in concert with them in respect of the Company will reduce from approximately 63.00% to approximately 56.83% (assuming there will be no change to the total number of Shares in issue from the date of this announcement to the completion of the Placing) and, as a result of the Subscription, their aggregate percentage shareholding will increase from approximately 56.83% (assuming there will be no change to the total number of Shares in issue from the date of this announcement to the completion of the Placing) to approximately 59.34% (assuming there will be no change to the total number of Shares in issue from the date of this announcement to the completion of the Subscription other than the issue by the Company of the Subscription Shares).

Blue Sky, White Clouds, Mr. Yu Guo and Mr. Xie Ketao have also confirmed that, as at the date of this announcement, Blue Sky and White Clouds, together with persons acting in concert with them in respect of the Company, have continuously held more than 50% of the voting rights of the Company for at least 12 months immediately preceding the date of the Placing Agreement and the Subscription Agreement.

Pursuant to Note 6 on dispensations from Rule 26 of the Takeovers Code, a waiver from the obligation to make a general offer under Rule 26 of the Takeovers Code is not required where a shareholder, together with persons acting in concert with it, have continuously held more than 50% of the voting rights of a company for at least 12 months immediately preceding the relevant placing and top-up transaction.

Given Blue Sky and White Clouds, together with persons acting in concert with them in respect of the Company, have continuously held more than 50% of the voting rights of the Company for at least 12 months immediately preceding the date of the Placing Agreement and the Subscription Agreement, a waiver from the obligation to make a general offer under Rule 26 of the Takeovers Code is not required for the Subscription.

REASONS FOR THE PLACING AND THE SUBSCRIPTION AND USE OF PROCEEDS

The Group is a leading global vocational education group with footprints in China, Australia, and the United Kingdom (“UK”), visioning to provide quality education through innovation. As at 31 August 2022, the Group’s school network consists of 12 schools in China (including the top ranked and largest private university in the country and four schools in the Guangdong-Hong Kong-Macao Greater Bay Area), an accredited higher education institute in Sydney, Australia, and a US-UK dual degree awarding university in London, UK. The Group is also the largest listed higher and secondary vocational education provider in China in terms of student enrollment.

Looking back at the past two years, favorable policies in the sector of vocational education were issued continuously, highlighting China's strong support for vocational education, for example:

- In October 2021, the General Office of the Central Committee of the Communist Party of China and the General Office of the State Council issued the “Opinions on Promoting High-Quality Development of Modern Vocational Education” (《關於推動現代職業教育高質量發展的意見》) stating that vocational education has a promising future and huge development potential in the new journey of building a modern socialist country, calling for the promotion of social capital investment in vocational education and encouraging listed companies and leading industry players to organize vocational education.
- In April 2022, the National People's Congress passed the newly amended Vocational Education Law, which explicitly expresses that the government encourages, instructs and supports enterprises and other social forces in organising vocational schools, requires governments at all levels to incorporate the development of vocational education into national economic and social development plans, and encourages financial institutions to support the development of vocational education by providing financial services.

Against the backdrop of continuous policy encouragement, the Directors believe that the Company, with over 30 years of school-running experience and extensive school networks and leveraging on its resource advantage as a leading player in higher education and vocational education, has unique position in materialising the favourable megatrends and continuing consolidation.

As the Company strives to uphold the glorious mission of cultivating talents for the country by vigorously enhancing the infrastructure, networks, industry-education-research integration, as well as construction of disciplines and majors, the Company would like to continue to strengthen its capital capacity in preparation for a range of pertinent opportunities and projects.

The Directors consider that the Placing and the Subscription will further strengthen the capital base of the Company to continue executing its industry consolidation strategy. The Company estimates that the net proceeds of the Subscription will amount to approximately HK\$1,597,634,529.20, net of related costs, professional fees and out-of-pocket expenses. To echo with government's supportive policy which encourages building nationwide vocational education groups, the Company intends to use the net proceeds from the Subscription for the expansion of school network (including campus development and potential mergers and acquisitions) and working capital purposes.

EQUITY FUND RAISING ACTIVITIES IN THE PAST TWELVE MONTHS

The Company has not conducted any fund-raising activities involving the issue of equity securities in the past 12 months before the date of this announcement.

For completeness, on 22 March 2022, the Company completed the issuance of CNY500,000,000 4.00% investment-grade guaranteed bonds due 2025 while the listing of such guaranteed bonds on the Singapore Exchange Securities Trading Limited became effective on 23 March 2022. Further details of the guaranteed bonds are set out in the announcement of the Company dated 17 March 2022.

The Directors confirm that, immediately after completion of the Placing and the Subscription, the public float of the Company will be no less than 25% of the Company's issued share capital as enlarged by the Subscription (assuming there is no change in the issued share capital of the Company from the date of this announcement to the date of the Subscription save for the issue of the Subscription Shares).

The Directors are of the view that the terms of the Placing Agreement and the Subscription Agreement are fair and reasonable and believe that the Placing and the Subscription are in the best interests of the Company and the Shareholders as a whole.

Completion of the Placing and the Subscription is subject to the satisfaction of the conditions precedent in the Placing Agreement and the Subscription Agreement. As the Placing and the Subscription may or may not proceed, Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares and other securities of the Company.
