## **INSIDE INFORMATION**

### **PRIVATE PLACEMENT OF US\$580 MILLION 4.50% CONVERTIBLE SENIOR NOTES DUE 2030**

This announcement is issued pursuant to Rule 13.09(2)(a) of the Hong Kong Listing Rules and under Part XIVA of the Securities and Futures Ordinance (Cap. 571).

### **PRIVATE PLACEMENT OF US\$580 MILLION 4.50% CONVERTIBLE SENIOR NOTES DUE 2030**

The Company today announced that it has entered into agreements to sell US\$580 million in aggregate principal amount of 4.50% convertible senior notes due 2030 (the “**Notes**”) to various private equity funds and institutional investors, including a sovereign wealth fund (collectively, the “**Investors**”).

The Notes will mature on January 31, 2030 (approximately the seventh anniversary of the issuance date). The conversion price will initially be US\$24.50 per American Depositary Share (“**ADS**”), corresponding to an initial conversion rate of 40.8163 ADSs per US\$1,000 principal amount of the Notes, subject to customary anti-dilution adjustments. The conversion price represents a premium of approximately 16.7% to the volume weighted average price of the Company’s ADSs traded on NASDAQ for the 25 trading days immediately preceding the signing date. The Notes will be convertible into ADSs or Class A ordinary shares of the Company (each ADS represents eight Class A ordinary shares as of the date of this announcement), at the option of the holders, at any time prior to the close of business on the third scheduled trading day (or the fifth scheduled trading day, if the converting holder elects to receive Class A ordinary shares in lieu of ADSs) immediately preceding the maturity date.

The Company will have the right to force a conversion by the holders of all (but not some only) of the Notes at any time on or after the third anniversary of the issuance of the Notes in exchange for ADSs or Class A ordinary shares at the then-prevailing conversion rate, plus any applicable make-whole adjustments, provided certain conditions are met, including the daily volume weighted average price of the Company's ADSs (or, in case the ADSs are no longer traded on NASDAQ, of the Class A ordinary shares) exceeding a specified threshold of 200% of the conversion price for a specified period. In addition, the Company will have the right to redeem all (but not some only) of the Notes upon the occurrence of certain changes in tax law subject to a right of holders of such Notes to elect not to have their Notes to be redeemed. The holders of the Notes may require the Company to repurchase all or part of their Notes in cash on January 31, 2028 (approximately the fifth anniversary of the issuance of the Notes), or in the event of certain fundamental changes, in each case at a repurchase price equal to 100% of the principal amount of the Notes to be repurchased, plus any accrued and unpaid interest to, but excluding, the repurchase date.

The Company intends to use the net proceeds from the placement of the Notes for the development and acquisition of new data centers, general corporate purposes and working capital needs.

The transaction is expected to close on or about January 20, 2023, subject to the satisfaction of certain customary closing conditions and the receipt of customary corporate and regulatory approvals.

The Notes, the ADSs deliverable upon conversion of the Notes and the Class A ordinary shares represented thereby have not been registered under the Securities Act of 1933 or any state securities laws. They may not be offered or sold within the United States or to U.S. persons absent registration or an applicable exemption from registration.

This announcement shall not constitute an offer to sell or a solicitation of an offer to purchase any of these securities, nor shall there be a sale of the securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.

This announcement contains pending placement of the Notes, and there can be no assurance that the placement of the Notes will be completed.
