

Note: Beneficiary Owner Identification Code(s) are codes provided by brokers via CCASS.

Since applications are subject to personal information collection statements, beneficial owner identification codes displayed in the sections headed "Results of Applications Made by White Form eIPO" and "Results of Applications Made by Giving Electronic Application Instructions to HKSCC via CCASS" are redacted and not all details of applications are disclosed in this announcement.

The list of identification document number(s) in this announcement is not a complete list of successful applicants since only successful applicants whose identification document numbers are provided by CCASS are disclosed. Applicants with beneficial names only but not identification document numbers are not disclosed due to personal privacy issue as elaborated above. Applicants who applied for the Offer Shares through their brokers can consult their brokers to enquire about their application result.

Identification document numbers shown in the sections headed "Results of Applications Made by White Form eIPO" refer to Hong Kong identity card numbers whereas those displayed in the section headed "Results of Applications Made by Giving Electronic Application Instructions to HKSCC via CCASS" are provided by brokers via CCASS. Therefore, some of the identification document numbers shown in these sections are different in nature.
