
FORWARD-LOOKING STATEMENTS

We have included in this document forward-looking statements. Statements that are not historical facts, including statements about our intentions, beliefs, expectations or predictions for the future, are forward-looking statements.

This document includes forward-looking statements. All statements other than statements of historical facts contained in this document, including, without limitation, those regarding our future financial position, our strategies, plans, objectives, goals, targets and future developments in the markets where we participate or are seeking to participate, and any statements preceded by, followed by or that include the words "believe", "expect", "estimate", "predict", "aim", "intend", "will", "may", "plan", "consider", "anticipate", "seek", "should", "could", "would", "continue", or similar expressions or the negative thereof, are forward-looking statements. These forward-looking statements involve known and unknown risks, uncertainties and other factors, some of which are beyond our control, which may cause our actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. These forward-looking statements are based on numerous assumptions regarding our present and future business strategies and the environment in which we will operate in the future. Important factors that could cause our actual performance or achievements to differ materially from those in the forward-looking statements include, among other things, the following:

- our operations and business prospects;
- future development, trends and conditions in the industry and markets in which we operate;
- our strategies, plans and objectives and our ability to successfully implement these strategies, plans and objectives;
- our ability to control or reduce costs;
- general economic, market and business conditions in the PRC;
- changes in the regulatory and operating conditions in the industry and markets in which we operate;
- the amount and nature of, and potential for, future development of our business;
- the competitive environment of the industry and markets in which we operate;

FORWARD-LOOKING STATEMENTS

- the actions and developments of our suppliers, customers and competitors;
- development and effect of the COVID-19 pandemic;
- capital market developments in Hong Kong, the PRC and overseas;
- our dividend policy;
- our prospective financial information and certain statements in the section headed “Financial Information” in this document with respect to trends in prices, operations, margins, overall market trends and risk management; and
- the other risk factors discussed in this document as well as other statements in this document that are not historical facts.

Subject to the requirements of applicable laws, rules and regulations, we do not have any and undertake no obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect or at all. Accordingly, you should not place undue reliance on any forward-looking information. All forward-looking statements in this document are qualified by reference to the cautionary statements in this section.

In this document, statements of or references to our intentions or those of our Directors are made as of the date of this document. Any such information may change in light of future developments.
