This announcement is made by Namyue Holdings Limited (the "Company") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the "SFO").

The board of directors (the “Board”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on a preliminary assessment of the Company’s unaudited consolidated management accounts for the year ended 31 December 2022, the unaudited consolidated net loss of the Company for the year ended 31 December 2022 is expected to record within a range of HK\$39 million to HK\$47 million, compared with the audited consolidated net loss of HK\$19.94 million in 2021.

The expected increase in the consolidated net loss was mainly due to the following factors:

- (i) a significant decrease in turnover of the Group brought about by the decrease in sales volume and selling price of footwear leather products as a result of the shrinking demand in footwear leather market in general and the impact of the epidemic prevention and control measures on the Group’s production and operation; and
- (ii) a shift from a gross profit to a gross loss of footwear leather products mainly attributable to the decrease in unit selling price while increase in unit cost.

The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts of the Company for the year ended 31 December 2022 and other information currently available to the Board, which have not been reviewed by the auditor of the Company.
