PROFIT WARNING

This announcement is made by Hengdeli Holdings Limited (the “**Company**”, together with its subsidiaries as the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company would like to inform shareholders and potential investors of the Company that, based on the preliminary review by the Group’s management of the unaudited consolidated management accounts for the financial year ended 31 December 2022 (the “**Year Under Review**”) and information currently available, the Company expects to record a loss attributable to its equity shareholders of not less than RMB80 million for the financial year ended 31 December 2022, versus a profit attributable to its equity shareholders of approximately RMB26.3 million for the corresponding period in 2021. The turnaround from profit to loss for the Year Under Review was mainly attributable to (i) decrease in sales price and gross profit as a result of underperforming economic environment during the Year Under Review; and (ii) foreign exchange loss of operation units due to fluctuating exchange rate.

As the Company is still in the process of finalizing the financial results of the Group for the financial year ended 31 December 2022, the information contained in this announcement is only based on a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the financial year ended 31 December 2022 and information currently available to the Board, which have not been reviewed by or discussed with the auditors of the Company and that the actual results of the Group for the financial year ended 31 December 2022 may be different from what are disclosed in this announcement. The final results announcement of the Company for the financial year ended 31 December 2022 is expected to be released in March 2023 pursuant to the requirements of the Listing Rules.

Shareholders and potential investors of the Company should exercise caution when dealing in the securities of the Company.
