PROFIT WARNING – SUPPLEMENTAL ANNOUNCEMENT

This supplemental announcement is made by The Cross-Harbour (Holdings) Limited (the “Company”, and together with its subsidiaries, the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) of Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the Company’s profit warning announcement dated 17 February 2023 in respect of the Group’s expected loss attributable to the equity holders of the Company in the region of HK\$270.0 million for the Year 2022 (the “Announcement”). Capitalized terms used herein shall have the same meanings as those defined in the Announcement unless otherwise specified.

The Board wishes to further inform shareholders of the Company and potential investors that, with further and updated information having been made available to the Board, the Group’s expected loss attributable to the equity holders of the Company for the Year 2022 may be increased to approximately HK\$460.0 million. The increase in the Group’s expected loss by approximately HK\$190.0 million is primarily due to (1) loss accumulated in fair value reserve recycled to profit or loss upon derecognition of debt securities measured at fair value through other comprehensive income and (2) an increase in the previously estimated net fair value loss of financial assets measured at fair value through profit and loss resulting from the revaluation of the Group’s unlisted investment funds.

The Company is still in the process of finalizing the annual results of the Group for the Year 2022. This supplemental announcement is made based on, among other information, the Board’s preliminary review and assessment of the Group’s latest consolidated management accounts and information currently available to the Board, which are subject to review by the Company’s auditors and further review by the Company. The information contained in this supplemental announcement may therefore be subject to further adjustments as and when further and/or updated information is made available to the Board. Details of the Group’s financial performance for the Year 2022 will be disclosed in its annual results announcement, which is expected to be published in late March 2023.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.

On behalf of the board
Yeung Hin Chung, John
