PROFIT WARNING

This announcement is made by Tak Lee Machinery Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Directors**” and the “**Board**”, respectively) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Group’s unaudited consolidated management accounts for the six months ended 31 January 2023 and the information currently available to the Board, the net profit of the Group for the six months ended 31 January 2023 is expected to decrease by approximately 60% to 70% as compared to the net profit of the Group recorded for the corresponding period in 2022. The Board considers that the decrease in net profit was mainly attributed to (i) the decrease in the revenue of leasing business as the main reclamation and pavement works of the third runway of the Three Runway System of the Hong Kong International Airport were substantially completed in the previous financial year; and (ii) the decrease in demand of heavy vehicles, as a result of the uncertainties from the resurgence of the coronavirus disease 2019 (COVID-19) pandemic and in the economic outlook during the six months ended 31 January 2023. Save as disclosed above, during the six months ended 31 January 2023, the supply chain and the operations of the Group were not materially and adversely affected by the COVID-19 pandemic.

As at the date of this announcement, the Company is still in the process of finalising the unaudited consolidated financial results of the Group for the six months ended 31 January 2023. The information contained in this announcement is only based on a preliminary review on the relevant consolidated management accounts of the Group, which have neither been confirmed nor audited by the Company’s independent auditor, nor reviewed by the audit committee of the Company. The announcement of the Group’s unaudited consolidated financial results for the six months ended 31 January 2023 is expected to be published on or about 27 March 2023.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
