## **PROFIT WARNING**

This announcement is made by Yunnan Energy International Co. Limited (the “**Company**”, together with its subsidiaries collectively, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and the potential investors that, based on the information currently available and a preliminary assessment of the latest unaudited consolidated management accounts of the Group for the year ended 31 December 2022 (the “**Current Year**”), it is expected that the net loss of the Group for the Current Year will decrease by more than 50% when compared with that of HK\$27.0 million for the year ended 31 December 2021 (the “**Prior Year**”).

Based on the analysis of the information currently available, such significant decrease in the net loss for the Current Year was mainly due to (i) the increase in both the revenue and the corresponding gross profit of the supply chain business; (ii) the absence of provision for inventories; and (iii) the decrease in charges for warehouse storage and logistic services which were recorded in the Prior Year.

The Company is still in the process of finalising the annual results of the Group for the Current Year. The information contained in this announcement is only based on a preliminary assessment by the Board of the Company with reference to the information currently available including the unaudited consolidated management accounts of the Group, which have not been audited or reviewed by the Company's auditor or the audit committee of the Board and may be subject to possible adjustments. The annual results of the Group for the Current Year are expected to be disclosed by the end of March 2023.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
