**APPENDIX V**

**STATUTORY AND GENERAL INFORMATION**

---

**6. Repurchase by our Company of our own securities**

This paragraph contains information required by the Stock Exchange to be included in this listing document concerning the repurchase by our Company of our own securities.

*(a) Provisions of the Listing Rules*

The Listing Rules permit companies with a primary listing on the Stock Exchange to purchase their shares on the Stock Exchange subject to certain restrictions.

*(i) Shareholders’ approval*

The Listing Rules provide that all proposed repurchases of shares (which must be fully paid in the case of shares) by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval of a specific transaction.

---

*Note:* Pursuant to the written resolutions of the sole shareholder passed on [•], the Repurchase Mandate was given to our Directors authorising our Directors to exercise all powers of our Company to purchase our Shares as described above in the section headed “Appendix V — Statutory and General Information — 4. Written resolutions of the sole Shareholder” in this listing document.

*(ii) Source of funds*

Repurchases must be funded out of funds legally available for the purpose in accordance with the Articles and the laws of the Cayman Islands. Our Company may not repurchase our own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

Any repurchases by our Company may be made out of profits or share premium or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase and, in the case of any premium payable on the repurchase, out of profits of our Company or out of our Company’s share premium account before or at the time our Shares are repurchased. Subject to the Companies Act, a repurchase may also be made out of capital.

*(iii) Connected parties*

The Listing Rules prohibit our Company from knowingly repurchasing our Shares on the Stock Exchange from a “core connected person”, which includes a Director, chief executive or substantial Shareholder of our Company or any of the subsidiaries or an associate of any of them and a core connected person shall not knowingly sell Shares to our Company.

---

**APPENDIX V**

**STATUTORY AND GENERAL INFORMATION**

---

*(b) Reasons for repurchases*

Our Directors believe that it is in the best interests of our Company and our Shareholders for our Directors to have a general authority from our Shareholders to enable our Company to repurchase Shares in the market. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of our Company's net asset value and/or earnings per Share and will only be made when our Directors believe that such repurchases will benefit our Company and Shareholders.

*(c) Exercise of the Repurchase Mandate*

Exercise in full of the Repurchase Mandate, on the basis of [REDACTED] Shares in issue after completion of the Spin-off (assuming that none of the outstanding Karrie International Share Options has been exercised from the Latest Practicable Date to the Distribution Record Date and taking into no account of any Shares which may be allotted and issued pursuant to the exercise of any options which have been or may be granted under the Share Option Scheme), could accordingly result in up to [REDACTED] Shares being repurchased by our Company during the period in which the Repurchase Mandate remains in force.

*(d) Funding of repurchase*

In repurchasing Shares, our Company may only apply funds legally available for such purpose in accordance with the Articles, the Listing Rules and the applicable laws of the Cayman Islands. Our Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of our Company or the gearing levels which in the opinion of our Directors are from time to time appropriate for our Company.

*(e) General*

None of our Directors or, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules), has any present intention if the Repurchase Mandate is exercised to sell any Shares to our Company.

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

## APPENDIX V

## STATUTORY AND GENERAL INFORMATION

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of our Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of our Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase. Our Directors are not aware of any consequence that would arise under the Takeovers Code as a result of a repurchase pursuant to the Repurchase Mandate.

Our Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the Listing Rules).

No core connected person (as defined in the Listing Rules) of our Company has notified us that he has a present intention to sell Shares to us, or has undertaken not to do so, if the Repurchase Mandate is exercised.

### **6. Maximum entitlement of each participant**

No option shall be granted to any Eligible Participant which, if exercised in full would result in the total number of our Shares issued and to be issued upon exercise of the options already granted or to be granted to such Eligible Participant under the Share Option Scheme (including exercised, cancelled and outstanding share options) in any 12-month period up to and including the date of such grant exceeding 1% in aggregate of our Shares in issue as at the date of such grant. ## STATUTORY AND GENERAL INFORMATION

Where any grant of options to a substantial Shareholder or an independent non-executive Director or any of their respective associates would result in the total number of our Shares issued and to be issued upon exercise of all options already granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:

- (i) representing in aggregate over 0.1% of the total number of Shares in issue; and
- (ii) having an aggregate value, based on the closing price of our Shares at the date of such grant, in excess of HK\$5 million,

such further grant of options must be approved by our Shareholders by poll in a general meeting where the grantee, his/her associates and core connected persons of our Company must abstain from voting in favour at such general meeting. Our Company will send a circular to our Shareholders containing the information required under the Listing Rules.

### **8. Restrictions on the time of grant of options**

No option shall be granted after inside information has come to the knowledge of our Company until our Company has announced the information. In particular, it may not grant any option during the period commencing one month immediately before the earlier of (i) the date of our Board meeting (as such date is first notified to the Stock Exchange under the Listing Rules) for approving our Company's results for any year, half-year or any other interim period (whether or not required under the Listing Rules); and (ii) the deadline for our Company to announce its results for any year or half-year under the Listing Rules, or any other interim period (whether or not required under the Listing Rules), and ending on the date of the results announcement. No option may be granted during any period of delay in publishing a results announcement. "**Inside information**" has the meaning defined in the SFO.

Our Directors may not make any offer to an Eligible Participant who is a Director during the periods or times in which our Directors are prohibited from dealing in Shares pursuant to the Model Code for Securities Transactions by Directors of Listed Issuers prescribed by the Listing Rules or any corresponding code or securities dealing restrictions adopted by our Company.

## APPENDIX V

## STATUTORY AND GENERAL INFORMATION

### 9. Time of exercise of option

An option may (and may only) be exercised in accordance with the terms of the Share Option Scheme at any time during a period as our Directors may determine which shall not exceed 10 years from the offer date subject to the provisions of early termination thereof, and provided that our Directors may determine the minimum period for which an option has to be held or other restrictions before its exercise.

The grantee shall not exercise an option to the extent that the public float of our Company will be less than 25% (or such higher percentage as required by the Stock Exchange or the Listing Rules) of the issued share capital of our Company immediately after the allotment and issue of our Shares upon such exercise of the option.

### 10. Performance targets

Save as determined by our Directors and provided in the offer of grant of the options, there is no performance target that must be achieved before the options can be exercised.

### 11. Ranking of Shares

Our Shares to be allotted and issued upon exercise of an option shall be subject to all the provisions of the Articles for the time being in force and shall rank *pari passu* in all respects with the then existing fully paid Shares in issue on the allotment date and accordingly shall entitle the holders to participate in all dividends or other distributions paid or made on or after the allotment date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the allotment date. Any Share allotted and issued upon the exercise of an option shall not carry voting rights until the name of the grantee has been duly entered into the register of members of our Company as the holder thereof.

### 12. Rights are personal to grantee

An option shall be personal to the grantee and shall not be transferable or assignable and no grantee shall in any way sell, transfer, charge, mortgage, encumber or otherwise dispose of or create any interest whatsoever in favour of any third party over or in relation to any option or enter into any agreement so to do. Any breach of the foregoing by a grantee shall entitle our Company to cancel any option granted to such grantee to the extent not already exercised.

**13. Rights on cessation of employment**

- (i) In the event of death of the grantee (being an individual) before exercising the option in full, his/her personal representative(s) may exercise the option up to the grantee's entitlement (to the extent exercisable as at the date of his/her death and not already exercised) within a period of 12 months following his/her death or such longer period as our Directors may determine.
- (ii) In the event of the grantee who is an Eligible Employee ceasing to be an Eligible Employee for any reason other than his/her death, or the termination of his/her employment pursuant to paragraph 18(v), the grantee may exercise the option (to the extent exercisable as at the date of such cessation and not already exercised) within 30 days following such cessation or such longer period as our Directors may determine. The date of cessation as aforesaid shall be the last day on which the grantee was actually at work with our Company or the relevant subsidiary or the Invested Entity whether salary is paid in lieu of notice or not, or such longer period as our Directors may determine.

**14. Effects of alterations to share capital**

In the event of any alteration in the capital structure of our Company while an option remains exercisable or the Share Option Scheme remains in effect whether by way of capitalisation of profits or reserves, bonus issue, rights issue, consolidation, subdivision or reduction of share capital of our Company, such corresponding alterations (if any) shall be made in the number or nominal amount of Shares to which the Share Option Scheme or any option(s) relate so far as unexercised; and/or the subscription price; and/or the method of exercise of the options; and/or the maximum number of Shares subject to the Share Option Scheme.

Any adjustments required under this paragraph must be made in compliance with the Listing Rules and give a grantee the same proportion of the equity capital as that to which that grantee was previously entitled and shall be made on the basis that the aggregate subscription price payable by a grantee on the full exercise of any option shall remain as nearly as possible the same (but shall not be greater than) as it was before such event, but no such adjustments may be made to the extent that Shares would be issued at less than nominal value, provided that in such circumstance, the subscription price shall be reduced to the nominal value. For the avoidance of doubt, the issue of securities as consideration in a transaction may not be regarded as a circumstance requiring adjustment. In respect of any such adjustments, other than any made on a capitalisation issue, the independent financial adviser of our Company or the auditor(s) of our Company must confirm to our Board in writing that the adjustments satisfy the requirements of the relevant provisions of the Listing Rules.

If such offer becomes or is declared unconditional, the grantee shall be entitled to exercise the option (to the extent exercisable as at the date on which the offer becomes or is declared unconditional and not already exercised) in full or in part at any time within 14 days after the date on which the offer becomes or is declared unconditional.

### **16. Rights on winding-up**

### **17. Rights on compromise or arrangement**

In the event of a compromise or arrangement between our Company and its members or creditors being proposed in connection with a scheme for the restructuring, reconstruction or amalgamation of our Company, our Company shall give notice thereof to all grantees on the same date as it gives notice of the meeting to its members or creditors to consider such a scheme, and thereupon the grantee shall be entitled to exercise all or any of his/her option(s) (to the extent which has become exercisable as at the date of the notice and not already exercised) at any time not later than two Trading Days (excluding any period(s) of closure of our Company's share registers) prior to the proposed meeting and our Company shall, as soon as possible and in any event no later than the Trading Day (excluding any period(s) of closure of our Company's share registers) immediately prior to the date of the proposed meeting, allot and issue such number of Shares to the grantee which falls to be issued on such exercise.

---

**APPENDIX V**

---

**STATUTORY AND GENERAL INFORMATION**

---

If the grantee is a company wholly-owned by one or more Eligible Participants:

- (1) the provisions of paragraphs 13(i) and (ii), 18(v) and (vi) shall apply to the grantee and to the options granted to such grantee, mutatis mutandis, as if such options had been granted to the relevant Eligible Participant, and such options shall accordingly lapse or fall to be exercisable after the event(s) referred to in paragraphs 13(i) and (ii), 18(v) and (vi) shall occur with respect to the relevant Eligible Participant; and
- (2) the options granted to the grantee shall lapse and determine on the date the grantee ceases to be wholly-owned by the relevant Eligible Participant, provided that our Directors may in their absolute discretion decide that such options or any part thereof shall not so lapse or determine subject to such conditions or limitations as they may impose.

**19. Cancellation of options granted but not yet exercised**

- (a) Any options granted but not exercised may be cancelled by the Board and such cancellation is recommended by the remuneration committee of the Company. Any options granted but subsequently renounced by the Grantee may be cancelled by the Board.
- (b) If an option is cancelled under paragraph 19(a), the Grantee shall not be entitled to any compensation from the Company.
- (c) Where the Company cancels options and issue new options to the same Grantee, the issue of such new options may only be made with available unissued options (excluding the cancelled options) within the Scheme Mandate Limit.

**20. Period of the Share Option Scheme**

Subject to the terms of the Share Option Scheme, the Share Option Scheme shall be valid and effective for a period of 10 years after the adoption date, after which no further options may be issued. Subject to the above, in all other respects, in particular, in respect of Options remaining outstanding, the provisions of the Share Option Scheme shall remain in full force and effect.

Our Board may impose such terms and conditions of the offer of grant either on a case-by-case basis or generally as are not inconsistent with the Share Option Scheme including but not limited to the minimum period for which an option must be held before it can be exercised.

**21. Alteration to the Share Option Scheme**

The Share Option Scheme may be altered in any respect by resolution of our Board except that the terms and conditions of the Share Option Scheme relating to matters set out in Rule 17.03 of the Listing Rules (or any other relevant provisions of the Listing Rules from time to time applicable) cannot be altered to the advantage of grantees or prospective grantees except with the prior approval of our Shareholders in general meeting. No such alteration shall operate to affect adversely the terms of issue of any option granted or agreed to be granted prior to such alterations except with the consent or sanction of such majority of the grantee as would be required of our Shareholders under the Articles for the time being of our Company for a variation of the rights attached to Shares.

Any alterations to the terms and conditions of the Share Option Scheme which are of a material nature or any change to the terms of options granted must be approved by our Shareholders in general meeting, except where such alterations take effect automatically under the existing terms of the Share Option Scheme.

Any change to the authority of our Directors or administrators of the Share Option Scheme in relation to any alterations to the terms of the Share Option Scheme must be approved by our Shareholders in general meeting.

The amended terms of the Share Option Scheme and/or the options must continue to comply with the requirements set out in the note to rule 17.03(13) of the Listing Rules and the supplementary guidance being the attachment to FAQ No. 072/2020 released by the Stock Exchange on 6 November 2020 and/or any future guidance or interpretation of the Listing Rules issued by the Stock Exchange from time to time.

Subject to the above paragraphs, our Board may at any time alter, amend or modify the terms and conditions of the Share Option Scheme such that the provisions of the Share Option Scheme would comply with all relevant legal and regulatory requirements in all relevant jurisdictions to the extent as considered necessary by our Directors to implement the terms of the Share Option Scheme.

**22. Termination to the Share Option Scheme**

Our Company by ordinary resolution in general meeting or our Directors may at any time terminate the operation of the Share Option Scheme and in such event, no further options will be offered but the provisions of the Share Option Scheme shall remain in force in all other respects.

Options complying with the provisions of the Listing Rules which are granted during the life of the Share Option Scheme and remain unexpired immediately prior to the termination of the operation of the Share Option Scheme shall continue to be valid and exercisable in accordance with their terms of issue after the termination of the Share Option Scheme.

**23. Conditions of the Share Option Scheme**

The Share Option Scheme is conditional upon (i) the Stock Exchange granting the approval of the listing of and permission to deal in our Shares in issue and our Shares to be issued pursuant to the Spin-off and any Shares which may fall to be issued pursuant to the exercise of any options under the Share Option Scheme; (ii) the commencement of dealings in our Shares on the Stock Exchange; (iii) the passing by our Board and our sole Shareholder of resolution approving and adopting the Share Option Scheme; and (iv) the passing by the Karrie International Shareholders in accordance with the Listing Rules and all applicable laws at the extraordinary general meetings of Karrie International Shareholders of resolution approving the Share Option Scheme.

As at the Latest Practicable Date, no option had been granted by our Company under the Share Option Scheme. An application has been made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in our Shares to be issued and allotted by our Company pursuant to the exercise of options that may be granted under the Share Option Scheme in respect of up to 10% of our Shares in issue as at the Listing Date.

Our Directors consider it inappropriate to disclose the value of options which may be granted under the Share Option Scheme as if they had been granted as at the Latest Practicable Date. Any such valuation will have to be made on the basis of certain option pricing model or other methodology, which depends on various assumptions including, the exercise price, the exercise period, interest rate, expected volatility and other variables. As no options have been granted, certain variables are not available for calculating the value of options. Our Directors believe that any calculation of the value of options as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to investors.
