HISTORICAL AMOUNTS

Save for the Previous Service Agreements, no catering and office maintenance services had been provided to the Group by BESM Beijing and/or third parties engaged by BESM Beijing prior to the date of the BES Hainan Catering Service Agreement. As such, there was no historical figure under the Service Agreements.

REASON FOR AND BENEFITS OF THE ENTERING IN TO THE BES HAINAN CATERING SERVICE AGREEMENT

In determining the service providers and the service fees for the BES Hainan Catering Service Agreement, the Group has considered the following factors: (i) the fee quotations received by the Group; (ii) the track record of the candidate on performing similar services; (iii) the size of operation, manpower and financial performance of the candidate; (iv) the expected scale of staff canteen catering services required by the Group; and (v) the prevailing market price of the provision of similar services.

The Directors are of the view that (i) the procurement of staff canteen catering services will help improve the staff's satisfactions and morale, which in turn will benefit the Group's development as a whole; (ii) the procurement of staff canteen catering services will ensure smooth and efficient daily operations of the office premises by providing the staff with enhanced working environment; and (iii) BESM Beijing, being a subsidiary of the controlling Shareholder, BEH, has a better understanding of the corporate culture, needs and overall situations of the Group. Therefore, the Company believes that BESM Beijing is suitable for providing the services contemplated under the BES Hainan Catering Service Agreement.

Having considered the above, the Directors (including the independent non-executive Directors) consider that the terms of the BES Hainan Catering Service Agreement and the annual caps are fair and reasonable, and the transactions contemplated thereunder are entered into on normal commercial terms and in the ordinary and usual course of business of the Group and in the interests of the Company and its Shareholders as a whole.

As Mr. Zhao Bing (the non-executive Director) and Mr. Su Yongjian (the non-executive Director) were the senior management of BEH, they had abstained from voting on the Board resolution approving the BES Hainan Catering Service Agreement and the transactions contemplated thereunder.
