### 7. Warning for Electronic Applications

The application for the Hong Kong Offer Shares by **CCASS EIPO** service (directly or indirectly through your broker or custodian) is only a facility provided to CCASS Participants. Similarly, the application for the Hong Kong Offer Shares through the **HK eIPO White Form** service is only a facility provided by the **HK eIPO White Form** Service Provider to public investors. Such facilities are subject to capacity limitations and potential service interruptions and you are advised not to wait until the last day for applications to make your electronic application. We, the Relevant Persons, the **HK eIPO White Form** Service Provider take no responsibility for such applications and provide no assurance that any CCASS Participant applying through **CCASS EIPO** service or person applying through the **HK eIPO White Form** service will be allocated any Hong Kong Offer Shares.

To ensure that CCASS Investor Participants can give their **electronic application instructions**, they are advised not to wait until the last minute to input their instructions to the systems. In the event that CCASS Investor Participants have problems in the connection to CCASS Phone System/CCASS Internet System for submission of electronic application instructions, they should go to HKSCC’s Customer Service Center to complete an input request form for electronic application instructions before 12:00 noon on Thursday, April 20, 2023, the last day for applications, or such later time as described in “C. Effect of Bad Weather and Extreme Conditions on the Opening and Closing of the Application Lists” below.

### 8. How Many Applications Can You Make

Multiple applications for the Hong Kong Offer Shares are not allowed except by nominees. If you are a nominee and apply through the **HK eIPO White Form** service, in the box marked “For Nominees”, you must include an account number or some other identification code for each beneficial owner or, in the case of joint beneficial owners, for each joint beneficial owner when you fill in the application details. If you do not include this information, the application will be treated as being made for your own benefit.

All of your applications will be rejected if more than one application through the **CCASS EIPO** service (directly or indirectly through your broker or custodian) or through the **HK eIPO White Form** service is made for your benefit (including the part of the application made by HKSCC Nominees acting on **electronic application instructions**).

The Hong Kong Branch Share Registrar will record all applications into its system and identify suspected multiple applications with identical names, identification document numbers and reference numbers according to the Best Practice Note on Treatment of Multiple/Suspected Multiple Applications issued by the Federation of Share Registrars Limited.

With regard to the announcement of results of allocations under the section headed “— Publication of Results”, the list of identification document number(s) may not be a complete list of successful applicants,

only successful applicants whose identification document numbers are provided to HKSCC by CCASS Participants are disclosed. Applicants who applied for the Offer Shares through their brokers can consult their brokers to enquire about their application results.

Since applications are subject to personal information collection statements, beneficial owner identification codes displayed are redacted. Applicants with beneficial names only but not identification document numbers are not disclosed due to personal privacy issue.

If an application is made by an unlisted company and:

- the principal business of that company is dealing in securities; and
- you exercise statutory control over that company,

then the application will be treated as being made for your benefit.

“**Unlisted company**” means a company with no equity securities listed on the Stock Exchange.

“Statutory control” means you:

- control the composition of the board of directors of the company;
- control more than half of the voting power of the company; or
- hold more than half of the issued share capital of the company (not counting any part of it which carries no right to participate beyond a specified amount in a distribution of either profits or capital).

### **B. HOW MUCH ARE THE HONG KONG OFFER SHARES**

The maximum Offer Price is HK\$12.98 per Offer Share. You must also pay brokerage of 1.0%, SFC transaction levy of 0.0027%, AFRC transaction levy of 0.00015% and Stock Exchange trading fee of 0.00565%. This means that for one board lot of 200 Hong Kong Offer Shares, you will pay HK\$2,622.18.

You must pay the maximum Offer Price, together with brokerage, SFC transaction levy, AFRC transaction levy and Stock Exchange trading fee, in full upon application for Hong Kong Offer Shares.
