The following is an explanatory statement required by the Stock Exchange to be sent to the Shareholders under the Listing Rules in connection with the proposed Share Buy-back Mandate.

LISTING RULES FOR BUY-BACKS OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to buy-back their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed buy-back of shares by a company with a primary listing on the Stock Exchange must be approved by shareholders in advance by an ordinary resolution at a general meeting, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be bought-back must be fully paid up.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital was HK\$14,846,040 comprising 1,484,604,000 Shares in issue. Subject to the passing of the resolution granting the Share Buy-back Mandate and on the basis that no further Shares are issued or bought-back before the Annual General Meeting, the Company will be allowed to buy-back a maximum of 148,460,400 Shares which represent 10 per cent of the issued Shares during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the revocation or variation by an ordinary resolution of the Shareholders in general meeting.

REASONS AND FUNDING OF BUY-BACKS

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to buy-back its Shares. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders as a whole.

Buy-backs of Shares will be financed out of funds legally available for the purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Companies Law provides that the amount of capital repaid in connection with a share buy-back may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the buy-back or out of capital subject to and in accordance with the Companies Law. The amount of premium payable on buy-back may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are bought-back in the manner provided for in the Companies Law.

The Directors have no present intention to buy-back any Shares and they would only exercise the power to buy-back in circumstances where they consider that the buy-back would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Share Buy-back Mandate was to be exercised in full, it may not have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2022, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their respective close associates currently intends to sell any Shares to the Company or its subsidiaries, if the Share Buy-back Mandate is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Share Buy-back Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Share Buy-back Mandate is exercised.

TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any buy-back of Shares pursuant to the Share Buy-back Mandate.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Wei Qiang was deemed to be interested in 970,534,633 Shares as a beneficiary of a discretionary trust within the meaning of Part XV of the SFO, representing approximately 65.37% of the existing issued Shares. In the event that the Directors should exercise in full the Share Buy-back Mandate, Mr. Wei Qiang's interests in the Company will be increased to approximately 72.64% of the issued Shares. On the basis of the aforesaid increase of shareholding, the Directors are not aware of any consequences of such buy-backs of Shares that would result in a Shareholder, or group of

Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Share Buy-back Mandate was exercised in full. The exercise of the Share Buy-back Mandate in full would not result in insufficient public float of the Company. In any event, the Directors have no intention to exercise the Share Buy-back Mandate to such an extent that results in a public shareholding of less than the minimum public float requirement of 25% of the total issued Shares.

SHARE BUY-BACK MADE BY THE COMPANY

No buy-backs of Shares have been made by the Company during the six months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

SHARE PRICES

The highest and lowest prices at which the Shares had been traded on the Stock Exchange during the period from April 2022 to the Latest Practicable Date were as follows:
