SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 1,108,791,736 Shares in issue.

Subject to the passing of the Shareholders' resolution at the Meeting granting the proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Meeting, the Company will be allowed to repurchase a maximum of 110,879,173 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in a general meeting.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

Repurchases made pursuant to the proposed Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Memorandum and Articles and the laws of the Cayman Islands.

The Directors had no intention to repurchase any Shares as at the Latest Practicable Date and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and in circumstances where they consider that the Shares can be repurchased on terms favourable to the Company. On the basis of the consolidated financial position of the Company as at the end of the Year, being the date to which the latest published audited accounts of the Company were made up, the Directors consider that if the Repurchase Mandate were to be exercised in full at the current prevailing market value, it could have a material adverse impact on the working capital position and gearing position of the Company. The Directors do not propose to exercise the Repurchase Mandate, in the circumstances, have a material adverse effect on the working capital requirements compared with the position disclosed in the latest published audited financial statements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

The following table shows the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous twelve months:

GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their close associates has a present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company or its subsidiaries. The Directors have undertaken to the Stock Exchange that they will exercise the proposed Repurchase Mandate in accordance with the Listing Rules and applicable laws of the Cayman Islands.

No core connected persons of the Company, as defined in the Listing Rules, have notified the Company that they have a present intention to sell Shares to the Company, and no such person has undertaken not to do so in the event that the Company is authorised to make purchases of the Shares.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Hallgain together with its Concert Parties were, in aggregate, interested in approximately 43.14% of the issued share capital of the Company. In the event that the Directors exercise in full the proposed Repurchase Mandate to repurchase Shares, the aggregate shareholding of the aforesaid Shareholders will be increased to approximately 47.93% of the issued share capital of the Company. To the best of the knowledge and belief of the Directors, such increase would give rise to an obligation to make a mandatory offer under the Takeovers Code. As at the Latest Practicable Date, the Directors had no intention to repurchase Shares to an extent that would trigger the obligations under the Takeovers Code to make a mandatory offer.
