The Nomination Committee nominated each of the Retiring Directors to the Board for it to recommend to Shareholders at the AGM. Mr. Tsui Yung Kwok, who is a member of the Nomination Committee, abstained from voting on his own nomination when it was being considered.

The nominations were made in accordance with the Company’s Nomination Policy with due regard to diversity aspects (including without limitation, gender, age, cultural and educational background, ethnicity, professional experience, skills, knowledge and length of service), and took into account the benefits of diversity, as set out under the board diversity policy of the Company. The Nomination Committee also took into account Mr. Tsui Yung Kwok’s substantial experience in finance and the financial market and his respective contributions to the Board. The Nomination Committee was satisfied with the independence of Mr. Tsui Yung Kwok with reference to the criteria in Rule 3.13 of the Listing Rules.

The Board, having considered the recommendation of the Nomination Committee, is of the view that each of the Retiring Directors will continue to contribute to the Board with his deep understanding of the businesses of the Group, diversity of skills set and perspectives as well as devotion to the Board. The Board also believes that the valuable knowledge and experience of the Retiring Directors in the businesses of the Group and their general business acumen continue to generate significant contribution to the Company and the Shareholders as a whole.

Biographical details of the Retiring Directors who are proposed to be re-elected at the AGM, which are required to be disclosed pursuant to the Listing Rules, are set out in Appendix II to this circular.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material aspects and not

LETTER FROM THE BOARD

misleading or deceptive, and there are no other material matters the omission of which would make any statement herein or this circular misleading.

Your faithfully,
By Order of the Board
INTRON TECHNOLOGY HOLDINGS LIMITED
Luk Wing Ming
Chairman and executive Director

Hong Kong, 26 April 2023

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide all the requisite information in relation to the Share Repurchase Mandate for your consideration.

1. LISTING RULES RELATING TO THE SHARE REPURCHASE MANDATE

The Listing Rules permit companies with a primary listing on the Stock Exchange to purchase their securities subject to certain restrictions.

All proposed repurchases of securities on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up. A maximum 10% of the total number of issued Shares as at the date of passing the relevant resolution may be repurchased on the Stock Exchange.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were 1,087,380,900 Shares in issue. Subject to the passing of the resolution granting the Share Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 108,738,090 Shares, representing 10% of the total number of issued Shares as at the Latest Practicable Date.

3. REASONS FOR REPURCHASES

The Directors believe that the Share Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles and the applicable laws and regulations of the Cayman Islands.

It is presently proposed that any repurchase of the Shares would be made out of profits of the Company or the proceeds of a fresh issue made for the repurchase or out of capital provided that on the day immediately following the date of repurchase the Company is able to pay its debts as they fall due in the ordinary course of business.

5. IMPACT OF REPURCHASES

On the basis of the financial position of the Company as at 31 December 2022 (being the date of its latest audited accounts), the Directors consider that there is no material adverse impact on the working capital or gearing position of the Company if the Share Repurchase Mandate is exercised in

full during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing level (as compared with the position disclosed in its most recent published audited accounts) which in the opinion of the Directors are from time to time appropriate for the Company.

6. GENERAL INFORMATION

None of the Directors, to the best of their knowledge and having made all reasonable enquiries, nor any of their close associates (as defined in the Listing Rules), has any present intention to sell any Shares to the Company or any of its subsidiaries, if the Share Repurchase Mandate is approved by the Shareholders.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have any present intention to sell any Shares to the Company, or have undertaken not to do so, if the Share Repurchase Mandate is approved by the Shareholders.

7. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the Share Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Hong Kong, the Articles and the applicable laws of the Cayman Islands.

8. TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, according to the public record, and to the best of the knowledge and belief of the Directors, Mr. Luk and Mr. Chan held their interests in the Company commonly through Magnate Era and Zenith Benefit as well as individually through Treasure Map and Heroic Mind, a total of 717,970,000 Shares, representing a total of 66.03% of the total number of issued Shares. Accordingly, under the SFO, Mr. Luk and Mr. Chan are deemed to be interested in 717,970,000 Shares. In the event that the Directors exercise in full the power to buy back Shares in accordance with the Share Repurchase Mandate, the shareholding of Mr. Luk and Mr. Chan would be increased to 73.36% of the total number of the issued Shares. Such increase would not give rise to an obligation on the part of Mr. Luk, Mr. Chan and parties acting in concert (as defined in the Takeovers Code) with it to make a mandatory offer under Rule 26 of the Takeovers Code.

On the basis that the issued share capital of the Company remains the same, the Directors are not aware of any consequences which may arise under Rules 26 and 32 of the Takeovers Code. The Directors do not intend to exercise the Share Repurchase Mandate to an extent which would, in the circumstances, trigger any potential consequences under the Takeovers Code.

9. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares had been made by the Company during the six months immediately preceding the Latest Practicable Date.

10. SHARE PRICES
