* *For identification purpose only*

The following is an explanatory statement required by the Stock Exchange to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

ISSUED SHARES

As at the Latest Practicable Date, the issued Shares comprised 871,331,000 Shares of nominal value of US\$0.01 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 87,133,100 Shares which represent 10% of the issued Shares, during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the revocation or variation of the authority given under the resolution by an ordinary resolution of the Shareholders in general meeting.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares from the market. Such repurchases may, depending on market conditions and funding arrangements, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares must be financed out of funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands. Directors shall not repurchase the Shares on the Stock Exchange for consideration other than cash or by a method of payment not specified in the trading rules of the Stock Exchange. Subject to the foregoing, the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to the authorisation of the Articles of Association and in accordance with the Companies Act of the Cayman Islands; the amount of premium payable on repurchase, if any, may only be paid out of either the profits of the Company or out of the share premium account or out of capital subject to the authorisation of the Articles of Association and in the manner provided for in the Companies Act of the Cayman Islands.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the Repurchase Mandate was to be exercised in full at the current market price, it may have a material adverse impact on

the working capital and the balance sheet of the Company (as compared with the positions as disclosed as at 31 December 2022, being the date to which the latest published audited consolidated financial statements of the Company were made up). The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) has any present intention, in the event that the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company or its subsidiaries.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has any present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. WANG Zhenhua ("Mr. WANG") was deemed to be interested in 600,000,000 Shares within the meaning of Part XV of the SFO, representing approximately 68.86% of the issued Shares. In the event that the Directors should exercise in full the Repurchase Mandate, Mr. WANG's interests will be increased to approximately 76.51% of the issued Shares. On the basis of the aforesaid increase of shareholding, the Directors are not aware of any consequences of such repurchases of

Shares that would result in a Shareholder, or a group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate was exercised in full. As the exercise of the Repurchase Mandate in full would result in insufficient public float of the Company, the Directors have no intention to exercise the Repurchase Mandate to such an extent that results in a public shareholding of less than the minimum public float requirement of 25% of the total issued shares of the Company.

As at the Latest Practicable Date, the following Shareholders had interests representing 5% or more of the issued Shares:

Name of Shareholder	Capacity and Nature of interest	Number of Ordinary Shares held	Approximate percentage of issued Shares
Mr. WANG	Founder of a discretionary trust (<i>Note 2</i>)	600,000,000(L)	68.86%

Innovative Hero Limited	Beneficial owner (<i>Note 5</i>)	600,000,000(L)	68.86%

Notes:

4. Wealth Zone Hong Kong Investments Limited is held as to 100% by First Priority Group Limited.
5. Innovative Hero Limited is held as to 100% by Wealth Zone Hong Kong Investments Limited.
