The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,000,000,000 Shares.

The Repurchase Mandate will enable the Directors to repurchase the Shares on the Stock Exchange up to a maximum of 10% of the number of issued Shares on the date of passing the relevant ordinary resolution in the Annual General Meeting. Subject to the passing of the proposed resolution granting the Repurchase Mandate and assuming that no Shares will be issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 100,000,000 Shares.

REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole.

Repurchase of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

FUNDING OF SHARE REPURCHASE

The Company may only apply funds legally available for the purpose of repurchases of Shares and in accordance with the Company's memorandum of association, the Articles of Association, the Cayman Companies Act, other applicable laws of the Cayman Islands and the Listing Rules. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Cayman Companies Act, repurchases by the Company may only be made out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Act, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Act, out of capital.

GENERAL

As at the Latest Practicable Date, to the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

IMPACT OF SHARE REPURCHASE

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the interests of the Company. The Directors consider that if the Repurchase Mandate were to be exercised in full at the current prevailing market value, it may not have a material adverse impact on the working capital and the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2022, being the date to which the latest published audited consolidated financial statements of the Company were made up. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

SHARE PRICES

The highest and lowest trading prices at which the Shares were traded on the Stock Exchange in each of the 12 calendar months immediately preceding the Latest Practicable Date are as follows:

TAKEOVERS CODE

As at the Latest Practicable Date, to the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their close associates, as defined in the Listing Rules, had any present intention to sell any Shares to the Company or its subsidiaries, if the Repurchase Mandate is approved by the Shareholders.

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, Mr. Yu Dingxin, Mr. Pan Wei and Mr. Xu Jiong, being the controlling shareholders of the Company (as defined in the Listing Rules), were interested in 702,312,000 Shares, representing 70.2312% of the total issued share capital of the Company.

As the shareholding of Mr. Yu Dingxin, Mr. Pan Wei and Mr. Xu Jiong in the Company is more than 50% in aggregate, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases made pursuant to the Repurchase Mandate. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

SHARE REPURCHASE MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company has not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
