#### **VOLUNTARY ANNOUNCEMENT**

#### FUTURE DEVELOPMENT PLAN OF THE COMPANY

This announcement is made by China Environmental Technology Holdings Limited (the "Company", and together with its subsidiaries, the "Group") on a voluntary basis. The purpose of this announcement is to keep the shareholders and potential investors of the Company informed of the latest business development of the Group.

According to statistics from the China Environmental Protection Industry Association, the revenue of the entire environmental protection industry was about RMB2.22 trillion in 2022. As the industry develops in depth and standards improve, industry opportunities are still thriving. The Group will strive to seek multi-faceted cooperation, integrate external resources, and expand new environmental protection fields, such as business opportunities in the field of solid waste resource utilization, actively reserve and integrate solid waste disposal technologies at home and abroad, explore and practice waste recycling and high-value utilization business, and explore pilot projects in provinces such as Fujian, Gansu and Shandong.

Further, in addition to continuing to work hard in the traditional sewage treatment business and expanding its scale, the Group will leverage its leading position in water purification technology to explore business opportunities in other water purification projects. The Group intends to start such initiative via its subsidiary, Beijing Capital Environment Construction (Hong Kong) Company Limited, in Henan and Shandong province.

The Board of the Group believes that the above future strategic planning must be beneficial to the interests of all shareholders and in line with the long-term development of the future market and industry.
