Recommendation of the Nomination Committee

In identifying and selecting suitable candidates for directorships, the Nomination Committee would consider the candidate's character, qualifications, experience, independence, time commitment and other relevant criteria necessary to complement the corporate strategy and achieve Board diversity, where appropriate, before making recommendation to the Board. The Nomination Committee has assessed the independence of each of the independent non-executive Directors including Mr. Yiu Wa Alec TSUI and Mr. Yiu Leung Andy CHEUNG, based on reviewing their written confirmation of independence to the Company pursuant to Rule 3.13 of the Listing Rules and confirmed that both of them remain independent. In addition, the Nomination Committee had considered (i) the criteria set out in board diversity policy (including but not limited to gender, age, cultural and educational background, professional qualifications, skills, knowledge and industry and regional experience) and (ii) had evaluated the experience and performance of each of the retiring Directors (including but not limited to Mr. Yiu Wa Alec TSUI's extensive experience in finance and administration, corporate and strategic planning, information technology and human resources management and Mr. Yiu Leung Andy CHEUNG's extensive experience in finance and accounting) and found their experience and performance to be satisfactory and valuable contribution to the diversity of the Board. Accordingly, with the recommendation of the Nomination Committee, the Board has proposed that all the retiring Directors, namely Mr. Li CHEN, Mr. George Chien Cheng LIN, Mr. Yiu Wa Alec TSUI and Mr. Yiu Leung Andy CHEUNG stand for re-election as Directors at the AGM. The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Buy-back Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,055,588,761 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the Annual General Meeting in respect of the granting of the Share Buy-back Mandate and on the basis that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting, i.e. being 1,055,588,761 Shares, the Directors would be authorized under the Share Buy-back Mandate to repurchase, during the period in which the Share Buy-back Mandate remains in force, a total of 105,558,876 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting during the period from the passing of this resolution until (i) the conclusion of the next annual general meeting of the Company following the passing of the resolution at which time it shall lapse unless, by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or (ii) revoked or varied by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

2. REASONS FOR SHARE BUY-BACK

The Directors believe that the granting of the Share Buy-back Mandate is in the best interests of the Company and the Shareholders.

Shares buy-back may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.

3. FUNDING OF SHARE BUY-BACK

The company may only apply funds legally available for share buy-back in accordance with its Memorandum and Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF SHARE BUY-BACK

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended December 31, 2022) in the event that the Share Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period. However, the Directors do not intend to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE REPURCHASE MADE BY THE COMPANY IN PREVIOUS SIX MONTHS

No repurchase of Shares has been made by the Company during the six months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

6. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous twelve months before and up to the Latest Practicable Date were as follows:

7. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Share Buy-back Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

8. TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of an exercise of the proposed Share Buy-back Mandate.
