\* *For identification purpose only*

*The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.*

**SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 147,970,369 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 14,797,036 Shares which represent 10% of the total number of issued Shares during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting of the Company revoking or varying such mandate.

**REASONS FOR AND FUNDING OF REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to repurchase its Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

Repurchase of the Shares must be funded out of funds legally available for such purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with profits of the Company or out of a new issuance of shares made for the purpose of the repurchase or, if authorized by the Articles of Association and subject to the Companies Act, out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorized by the Articles of Association and subject to the Companies Act, out of capital.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors believe that if the Repurchase Mandate is exercised in full, it may not have a material adverse impact on the working capital and/or gearing position of the Company, as compared with the positions

disclosed in the audited consolidated financial statements of the Company as at December 31, 2022, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

**GENERAL**

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates (as defined in the Listing Rules), have any present intention if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No core connected person (as defined in the Listing Rules) has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

**TAKEOVERS CODE**

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the following persons were interested in 5% or more of the issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full, the interest of such persons will be increased to approximately the percentage set out in the last column as follows:

OrbiMed Advisors III Limited and OrbiMed Asia GP III, L.P. were therefore deemed to be interested in the Shares which are owned by OrbiMed Asia under the SFO.

The general partner of Warburg Pincus China-Southeast Asia II (Cayman), L.P. is Warburg Pincus (Cayman) China-Southeast Asia II GP, L.P., the general partner of which is Warburg Pincus (Cayman) China-Southeast Asia II GP LLC (“WPC-SEA II Cayman GP LLC”). The managing member of WPC-SEA II Cayman GP LLC is Warburg Pincus Partners II (Cayman), L.P., the general partner of which is Warburg Pincus (Bermuda) Private Equity GP Ltd.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Gao Tieta was deemed to be interested in 42.75% of the issued share capital of the Company through his wholly-owned company, namely GT HoldCo. In the event that the Directors should exercise in full the Repurchase Mandate, the shareholding of Mr. Gao Tieta in the Company will be increased to approximately 47.50% of the issued share capital of the Company. To the best knowledge and belief of the Directors, such increase would give rise to an obligation of GT HoldCo and Mr. Gao Tieta to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code for Mr. Gao Tieta and GT HoldCo to make a mandatory offer. Save as disclosed above, the Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any purchase by the Company of its Shares.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued shares of the Company would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.
