Environmental, Social and Governance Report

環境、社會及管治報告

SCOPE AND REPORTING PERIOD

This is the Environmental, Social and Governance (“**ESG**”) report of Enviro Energy International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”), highlighting the Group’s ESG performance, with disclosure reference made to the ESG Reporting Guide as described in Appendix 27 to the Main Board Listing Rules (the “**Listing Rules**”) and Guidance set out by the Stock Exchange of Hong Kong Limited. This report has been published on the website of the Group (<http://www.enviro-energy.com.hk>) and the Stock Exchange of Hong Kong Limited (www.hkexnews.hk).

The Group principally engaged in sales of materials business and properties investment in Hong Kong and the People’s Republic of China (the “**PRC**”). This ESG Report covers the overall environmental and social performance of the Group’s sales of materials business and properties investment operation, in the three offices in Hong Kong and the PRC, from 1 January 2022 to 31 December 2022 (the “**Reporting Period**”), unless otherwise stated.

The sales of materials business and properties investment operations are included in the reporting scope as they contributed the entire total revenue to the Group during the Reporting Period. Other operations that have no significant contribution to the Group’s revenue and environmental and social impacts are excluded from the reporting scope. In the previous year, the reporting scope included the three offices in Hong Kong, Shenzhen and Yingkou of the PRC with total office area of 167.29 m². In October 2022, the Group and Hangzhou Zhongji Architectural Decoration Engineering Co., Ltd.* (杭州中機建築裝飾工程有限公司), jointly established a joint venture company, namely Hangzhou Jun Heng Building Materials Limited* (杭州峻衡建材有限公司) (“**Hangzhou Jun Heng**”). Therefore, during the Reporting Period, the reporting scope increased to four offices, namely Hong Kong, Shenzhen, Yingkou and Hangzhou. The total area of the four offices was 187.29 m².

During the Reporting Period, the Group has complied with all mandatory and the “comply or explain” provisions stipulated in the Environmental, Social and Governance Reporting Guide (the “**ESG Guide**”) as set out in Appendix 27 to the Listing Rules. The Group has also complied with relevant laws and regulations that have had a significant impact on the Group.

範圍及報告期

本報告為環能國際控股有限公司(「**本公司**」，連同其附屬公司統稱「**本集團**」)的環境、社會及管治(「**環境、社會及管治**」)報告，重點闡述本集團的環境、社會及管治表現，並已參考香港聯合交易所有限公司列明的主板上市規則(「**上市規則**」)及指引附錄二十七所述有關環境、社會及管治報告指引的披露方法。本報告已載於本集團網站(<http://www.enviro-energy.com.hk>)及香港聯合交易所有限公司網站(www.hkexnews.hk)。

本集團主要於香港及中華人民共和國(「**中國**」)從事銷售材料業務及物業投資。除另有說明外，本環境、社會及管治報告涵蓋本集團於二零二二年一月一日至二零二二年十二月三十一日(「**報告期**」)在香港及中國的三個辦事處的銷售材料業務及物業投資業務的整體環境及社會表現。

由於銷售材料業務及物業投資業務於報告期為本集團貢獻全部總收入，故該等業務計入報告範圍。其他對本集團收入以及環境及社會影響無重大貢獻的業務並無計入報告範圍。於過往年度，報告範圍包括位於中國香港、深圳及營口的三個辦事處，總辦公面積為167.29平方米。於二零二二年十月，本集團與杭州中機建築裝飾工程有限公司共同成立一間合營公司杭州峻衡建材有限公司(「**杭州峻衡**」)。因此，於本報告期間，報告範圍增加至四個辦公室，即香港、深圳、營口及杭州。四個辦事處的總面積為187.29平方米。

於報告期，本集團已遵守上市規則附錄二十七所載環境、社會及管治報告指引(「**環境、社會及管治指引**」)訂明的所有強制性及「不遵守就解釋」條文。本集團亦已遵守對本集團有重大影響的相關法律及法規。

The Board evaluates, prioritises and manages material ESG-related issues including climate risks and opportunities through the materiality assessment. Environmental, Social and Governance Report (Continued)

環境、社會及管治報告(續)

The Board understands the value of environmental protection even though the Group's operations have a minimal environmental impact and has consistently supported the development of its environmental policies. The Board also considers environmental preservation as one of the crucial factors when assessing the standards and performance of its suppliers and business partners. Since the Group's operations had a negligible impact on the environment, there was no environmental target set for the Reporting Period. Likewise, according to the findings of the materiality assessment, stakeholders did not view environmental issues as material. The Board routinely evaluates the need for settling ESG-related goals and upholds stringent standards towards its operation's ESG performance with an emphasis on labour practices and ethical standards.
