LETTER FROM THE BOARD

INTRODUCTION

The purpose of this circular is to provide you with information regarding the ordinary resolutions to be proposed, and if thought fit, to be approved at the forthcoming AGM in relation to (a) the re-election of the retiring Directors; (b) the granting of the Issue Mandate, the Repurchase Mandate and the Extension Mandate; and (c) the Proposed Amendments. An AGM Notice is set out on pages 22 to 28 of this circular.

RE-ELECTION OF RETIRING DIRECTORS

In accordance with Article 84(1) of the Articles, Mr. S.M. Chan, Mr. X.P. Wu and Mr. W.L. Wu will retire from office by rotation, and being eligible, offer themselves for re-election at the AGM.

The Nomination Committee, having reviewed the structure and composition of the Board and the confirmation of independence provided by Mr. W.L. Wu pursuant to Rule 3.13 of the Listing Rules, nominated Mr. W.L. Wu to the Board for it to recommend to the Shareholders for re-election as an independent non-executive Director at the AGM. The nomination was made in accordance with the nomination policy of the Company and the objective criteria, with due regard for the benefits of diversity, as set out under the board diversity policy of the Company (including without limitation, gender, age, cultural and education background, professional experience, skills and knowledge). The Nomination Committee had also taken into account the working profile and extensive experience of Mr. W.L. Wu as set out in Appendix I to this circular, contributions of Mr. W.L. Wu to the Board and his commitment to his roles and it was satisfied with his independence having regard to the independence criteria as set in Rule 3.13 of the Listing Rules. The Nomination Committee considers that Mr. W.L. Wu will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity. The Board accepted the Nomination Committee's nomination and recommended Mr. W.L. Wu to stand for re-election as an independent non-executive Director by the Shareholders at the AGM. The Board is satisfied that Mr. W.L. Wu has the required character, integrity and experience to continue fulfilling the role of an independent non-executive Director and considers Mr. W.L. Wu to be independent.

Given the extensive knowledge and experience of each of Mr. S.M. Chan and Mr. X.P. Wu, the Nomination Committee and the Board believe that their re-elections as Directors are in the corporate interests of the Company and the Shareholders, and therefore recommend the Shareholders to re-elect each of Mr. S.M. Chan and Mr. X.P. Wu as a Director. Separate resolutions will be proposed for their re-elections at the AGM.

The particulars of the above Directors which are required to be disclosed under the Listing Rules are set out in Appendix I to this circular.

LETTER FROM THE BOARD

GRANTING OF THE ISSUE MANDATE, THE REPURCHASE MANDATE AND THE EXTENSION MANDATE

By ordinary resolutions of the Shareholders passed at annual general meeting of the Company on 23 June 2022, the Directors were granted (a) a general unconditional mandate to exercise all powers for and on its behalf to allot, issue and deal with a total number of Shares not exceeding 20% of the total number of Shares in issue as at the date of passing the relevant resolution; (b) a general unconditional mandate to repurchase Shares with an aggregate amount not exceeding 10% of the aggregate number of issued Shares as at the date of passing the relevant resolution; and (c) the power to extend the general mandate mentioned in (a) above by an amount representing the aggregate amount of the Shares repurchased by the Company pursuant to the mandate to repurchase Shares referred to in (b) above.

Each of such mandates will expire at the conclusion of the AGM. In this regard, at the AGM, the following resolutions, amongst others, will be proposed:

- (a) to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot and issue and otherwise deal with the additional Shares up to an amount not exceeding 20% of the number of issued Shares as at the date of passing of the resolution at the AGM (details of which are set out as ordinary resolution no. 5(1) in the AGM Notice);
- (b) to grant the Repurchase Mandate to the Directors to enable them to repurchase Shares on the Stock Exchange up to an amount not exceeding 10% of the number of the issued Shares as at the date of passing the resolution at the AGM (details of which are set out as ordinary resolution no. 5(2) in the AGM Notice); and
- (c) to grant the Extension Mandate to the Directors to increase the total number of Shares which may be allotted and issued under the Issue Mandate by an additional number representing such number of Shares repurchased by the Company under the Repurchase Mandate (if granted to the Directors at the AGM) (details of which are set out as ordinary resolution no. 5(3) in the AGM Notice).

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,646,173,000 Shares. On the assumption that there will not be any change to the number of issued Shares between the Latest Practicable Date and the AGM, the number of Shares that may fall to be issued under the Issue Mandate will be 329,234,600 Shares, representing 20% of the issued Shares as at the Latest Practicable Date. On the assumption that there will not be any change to the number of issued Shares between the Latest Practicable Date and the AGM, the number of Shares that may fall to be repurchased under the Repurchase Mandate will be 164,617,300 Shares, representing 10% of the issued Shares as at the Latest Practicable Date.

LETTER FROM THE BOARD

The Issue Mandate, the Repurchase Mandate and the Extension Mandate, if approved at the AGM, will continue in force until (a) the conclusion of the next annual general meeting of the Company held after the AGM; (b) the expiration of the period within which the next annual general meeting of the Company is required to be held by the Articles or other applicable laws; or (c) when revoked or varied by an ordinary resolution passed in a general meeting of the Company prior to the next annual general meeting of the Company, whichever occurs first.

The Directors have no current plans to issue any new Shares or repurchase Shares pursuant to the relevant mandates, other than such Shares which may fall to be allotted and issued upon the exercise of any share options granted under the Share Option Scheme.

In accordance with the Listing Rules, the Company may not make a new issue of Shares or announce a proposed new issue of Shares for a period of 30 days after any purchase by it of Shares, whether on the Stock Exchange or otherwise, other than an issue of securities pursuant to the exercise of warrants, share options or similar instruments requiring the Company to issue securities which were outstanding prior to that purchase of its own securities, without the prior approval of the Stock Exchange.

An explanatory statement containing the information as required by the Listing Rules in connection with the Repurchase Mandate is set out in Appendix II to this circular.

PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

For the purpose of bringing the existing Articles in line with the amendments made to the Listing Rules (in particular to conform to the core shareholder protection standards as set out in Appendix 3 to the Listing Rules), the Board proposes to amend the Articles by way of adopting a new set of articles of association of the Company in substitution for and to the exclusion of the Articles.

Details of the Proposed Amendments are set out in Appendix III to this circular.

The Board also proposes certain minor house-keeping amendments to the Articles for the purpose of clarifying existing practices and making consequential amendments in line with the Proposed Amendments.

The Hong Kong and Cayman Islands legal advisers of the Company have confirmed that the Proposed Amendments conform with the requirements of the Listing Rules and do not violate the laws of the Cayman Islands respectively. The Board considers that the Proposed Amendments are in the best interests of the Company and the Shareholders as a whole. The Board confirms that there is nothing unusual about the Proposed Amendments for a company listed in Hong Kong.

The Proposed Amendments are prepared in the English language. The Chinese translation of the Articles is for reference only. In case there are any inconsistencies between the English version and the Chinese version, the English version shall prevail.

Save as disclosed in this circular, as at the Latest Practicable Date, each of the retiring Directors (a) held no other directorships in any listed public companies in Hong Kong or overseas in the last three years; (b) did not have any relationship with any Directors, senior management, substantial Shareholders or controlling Shareholders; and (c) did not have any other interests in the Shares within the meaning of Part XV of the SFO.

Save as disclosed above, as at the Latest Practicable Date, there was no other information relating to each of the retiring Directors that was required to be disclosed pursuant to Rule 13.51(2) of the Listing Rules and no other matters in relation to their proposed re-elections that need to be brought to the attention of the Shareholders.

** For identification purpose only*

This Appendix serves as the explanatory statement required under Rule 10.06(1)(b) of the Listing Rules to provide you with the information necessary for your consideration of the proposed Repurchase Mandate to be granted to the Directors.

LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of Shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

SHARE CAPITAL

As at the Latest Practicable Date, the total number of issued Shares is 1,646,173,000.

Subject to the passing of the relevant ordinary resolution and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 164,617,300 Shares (representing not more than 10% of the number of issued Shares as at the date of passing the relevant ordinary resolution to approve the Repurchase Mandate).

REASONS FOR REPURCHASES

The Directors believe that it is in the corporate interests of the Company and the Shareholders that they should have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earning per Share and will only be made where the Directors believe that such repurchases will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles, the Listing Rules and the applicable laws and regulations of the Cayman Islands.

A listed company is prohibited from repurchasing its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Under the applicable laws and regulations of the Cayman Islands, any repurchase by the Company may be made out of the profits or share premium account of the Company or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or from sums standing to the credit of the Company's share premium account. Subject to the provisions of the applicable laws and regulations of the Cayman Islands, a repurchase may also be made out of capital.

On the basis of the current financial position of the Company as disclosed in its annual report for the year ended 31 December 2022 and taking into account the Company's current working capital position, the Directors consider that, if the Repurchase Mandate is exercised in full, it may have a material adverse effect on the Company's working capital and/or gearing position as compared with the financial position of the Company as at 31 December 2022 (being the date to which the latest audited financial statements of the Company have been made up). However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the Company's working capital requirements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applied, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles and applicable laws and regulations of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates, currently intends to sell any Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

No core connected person of the Company has notified the Company that he or she has a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If as a result of a repurchase of the Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as interpreted according to the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with the Takeovers Code.

As at the Latest Practicable Date, Sze Ming Limited directly held 1,200,000,000 Shares, representing approximately 72.90% of the total number of Shares in issue of the Company. Sze Ming Limited is wholly-owned by Chan S. M. Michael Family Trust. Mr. S.M. Chan is the settlor, protector and a discretionary beneficiary of Chan S. M. Michael Family Trust. IQ EQ (BVI) Limited is the trustee of Chan S. M. Michael Family Trust. Accordingly, Mr. S.M. Chan is deemed to be interested in 1,200,000,000 Shares held by Sze Ming Limited, representing approximately 72.90% of the total number of Shares in issue of the Company, pursuant to the SFO.

In the event that the Directors exercise in full the Repurchase Mandate, on the basis that there were 1,646,173,000 Shares in issue as at the Latest Practicable Date and assuming there is no other change in the total number of Shares in issue of the Company and the number of Shares held by Sze Ming Limited, the interest of each of Mr. S.M. Chan and IQ EQ (BVI) Limited in the shareholding of the Company would be increased to approximately 81.00% of the reduced total number of Shares and such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent which would trigger the obligations under the Takeovers Code or result in less than 25% of the Shares being held by the public.

To the best knowledge and belief of the Directors, the Directors are not aware of any Shareholder or group of Shareholders acting in concert who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

The highest and lowest traded prices at which the Shares have been traded on the Stock Exchange during each of the previous 12 months and up to the Latest Practicable Date were as follows:
