To the Shareholders

Dear Sir or Madam

**PROPOSALS FOR
GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES,
RE-ELECTION OF DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

The purpose of this circular is to provide you with information relating to, *inter alia*, the proposed renewal of the Share Repurchase Mandate, the proposed re-election of Directors who are going to retire and offer themselves for re-election at the Annual General Meeting and the proposed Directors' fees, and to give you the notice of the Annual General Meeting.

LETTER FROM THE BOARD

2. GENERAL MANDATE TO REPURCHASE SHARES

An ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Share Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10 per cent. of the number of issued Shares of the Company as at the date of passing of the Share Repurchase Resolution. The Share Repurchase Mandate will continue in force until the conclusion of the next annual general meeting of the Company or any earlier date as referred to in item 7B of the notice of the Annual General Meeting.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed Share Repurchase Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

3. GENERAL MANDATE TO ISSUE NEW SHARES

In order to ensure flexibility and give discretion to the Directors, in the event that it becomes desirable for the Company to issue any new Shares, an ordinary resolution to grant a general mandate to the Directors to allot, issue and deal with additional Shares not exceeding 10 per cent. of the number of issued Shares of the Company as at the date of passing of the relevant ordinary resolution will be proposed at the Annual General Meeting.

As at the Latest Practicable Date, the total number of issued Shares of the Company was 1,807,424,842. If there is no allotment or repurchase of the Shares between the Latest Practicable Date and the date of the Annual General Meeting, the general mandate to allot, issue and deal with additional Shares shall not exceed 180,742,484 Shares.

4. RE-ELECTION OF DIRECTORS

In accordance with Article 99 of the Bye-laws, the number of Directors retiring at each annual general meeting shall not be less than such number as is nearest to but not exceeding one-third of the Directors for the time being (not including those Directors who were appointed to fill casual vacancies or as additions to the Board further to Article 102), and any retiring Director shall be eligible for re-election at the same annual general meeting. Accordingly, Mr KUOK Khoo Hua, Mr MA Wing Kai William and Ms WONG Yu Pok Marina shall retire by rotation and shall be eligible for re-election at the Annual General Meeting. However, Mr Ma Wing Kai William intended not to offer himself for re-election at the Annual General Meeting as Mr Ma wishes to devote more time to his personal and family affairs. Mr Ma will therefore retire from the Board as an Executive Director, and cease to be a member of the Remuneration Committee, the chairman of the Finance Committee and the chairman of the Risk Management Committee of the Company, at the conclusion of the Annual General Meeting.

Ms Wong has served the Company as an Independent Non-executive Director for over nine years. During her term of office, Ms Wong has always contributed objectively in advising the Board and the senior management, expressing objective views and giving invaluable independent guidance to the Company in her

LETTER FROM THE BOARD

capacity as an Independent Non-executive Director. She is currently the chairman of the Audit and Compliance Committee of the Company and a member of the Remuneration Committee of the Company.

While Ms Wong has never been engaged in any executive management of the Group, she always places great importance on high standards of corporate governance. Due to her accounting background and experience, Ms Wong is able to provide valuable and useful advices and guidance to the Company in areas such as accounting and auditing.

Ms Wong is not involved in the daily management of the Company's affair, and there is no other business or other relationships or circumstances which could materially interfere with the exercise of her independent judgment. Ms Wong's tenure with the Company has allowed her to gain a deep understanding of the Group's business and operations and accumulate extensive industry experience, whose continuous service is believed to bring stability to the Board and be beneficial to the Company.

In light of the foregoing and taking into consideration (i) of the independent nature of Ms Wong's role and duties in the past years and her contribution to the Company; and (ii) that the Company has received (and the Board has reviewed and assessed) an annual confirmation from her that she satisfies all the criteria for independence set out in Rule 3.13 of the Listing Rules, the Board considers that Ms Wong's independence under the Listing Rules and her ability to continue to bring in fresh perspectives are not affected by the length of her tenure with the Company.

Further, despite the other directorships held by Ms Wong at other listed companies (as set out in her biographical information in Appendix I to this circular), based on Ms Wong's good attendance record at the meetings of the Board and her advice and contributions to the Board, the Board considers that such positions held by Ms Wong at other listed companies will not affect her devotion of sufficient time to the Board.

Accordingly, the Board, with the recommendation of the Nomination Committee of the Company, considers Ms Wong to be independent and recommends Ms Wong to be re-elected. In compliance with Code Provision B.2.3 of the Corporate Governance Code as set out in Appendix 14 of the Listing Rules, a separate resolution setting out the re-election of Ms Wong is proposed under item 4 of the notice of the Annual General Meeting.

In determining to propose Ms Wong to be re-elected as an Independent Non-executive Director, the Nomination Committee of the Company and the Board reviewed the biography and qualifications of Ms Wong, her past performance and contributions and the independence confirmation provided pursuant to Rule 3.13 of the Listing Rules, and assessed her suitability to be re-elected at the Annual General Meeting based on her reputation for integrity, knowledge and background, extensive experience in the accounting field, her past contribution to the Company, her commitment in respect of available time and exposure by virtue of her academic background and work experience having regard to the board diversity policy adopted by the Company. Both the Nomination Committee of the Company and the Board are satisfied that Ms Wong has the required character, integrity, experience and independence to continue fulfilling her role as an Independent Non-executive Director. Further, given Ms Wong's extensive knowledge, expertise and experience, the Board considers the re-election of Ms Wong as an Independent Non-executive Director is in the best interest of the Company and the Shareholders as a whole. The Board also considers that Ms Wong's professional knowledge and experience contribute to the diversity of the Board.

LETTER FROM THE BOARD

The Board is of the view that all of the Directors proposed to be re-elected will make contributions to the Group in promoting Board diversity. Details of each of the above Directors who is subject to re-election at the Annual General Meeting are set out in Appendix I to this circular in accordance with Rule 13.74 and the relevant requirements of the Listing Rules.

5. DIRECTORS' FEES

The resolution to fix the remuneration of the Directors will be proposed at the Annual General Meeting. The proposed details of the Directors' fees are set out in Appendix I to this circular.

6. FINAL DIVIDEND

Reference is made to the results announcement for the year ended 31 December 2022 of the Company dated 28 March 2023. The Board resolved to propose to the Shareholders in the Annual General Meeting on 22 May 2023 for the distribution of a final dividend of 38 HK cents per Share for the year ended 31 December 2022 payable to the Shareholders whose names are listed in the registers of members of the Company on 29 May 2023.

7. VOTING BY POLL

All the resolutions set out in the notice of the Annual General Meeting would be decided by poll in accordance with the Listing Rules and the Bye-laws. The chairman of the Annual General Meeting would explain the detailed procedures for conducting a poll at the commencement of the Annual General Meeting.

The poll results will be published on the Company's website at www.kln.com and the Stock Exchange's website at www.hkexnews.hk after the conclusion of the Annual General Meeting.

8. ANNUAL GENERAL MEETING

Notice of the Annual General Meeting is set out on pages 16 to 20 of this circular. A form of proxy for use at the Annual General Meeting is enclosed with this circular. Whether or not you are able to attend the meeting via the e-Meeting System, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return it to the Company's Hong Kong branch share registrar and transfer office, Tricor Investor Services Limited, at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong or submit it via the designated URL (<https://spot-emeeting.tricor.hk/#/636>) by using the log-in username and password provided on the notification letter sent by the Company, not less than 48 hours before the time appointed for holding the Annual General Meeting, i.e. by no later than 2:30 p.m. on Saturday, 20 May 2023. Completion and return of the form of proxy will not prevent you from attending and voting via the e-Meeting System at the Annual General Meeting if you so wish.

9. RECOMMENDATION

The Directors consider that the resolutions approving, including without limitation to, the Share Repurchase Mandate and the re-election of Directors, as set out respectively in the notice of the Annual General Meeting are in the best interests of the Company and its Shareholders. Accordingly, the Directors recommend the Shareholders to vote in favour of all such resolutions to be proposed at the Annual General Meeting.

Upon being re-elected, the appointment of each such Director shall continue for a period of three years and until the conclusion of the third annual general meeting of the Company or such earlier date pursuant to the Bye-laws. The appointments are subject to the provisions in relation to the retirement and rotation of directors in accordance with the Bye-laws.

Subject to such terms (including that the payment may be made on a pro-rata basis for the financial year, if applicable) as the Directors (or a duly authorised committee thereof) may in their absolute discretion see fit, the Directors recommended the amount of Directors' fees for the year ending 31 December 2023 to be as follows:

The Directors' fees are determined with reference to the level of fees payable by listed companies in Hong Kong and respective level of responsibilities, skills and commitments required of the Non-executive Directors (including Independent Non-executive Directors).

DIRECTOR'S INTEREST

Save as disclosed in this circular, to the best knowledge of the Company, each of the Directors who stands for re-election (i) does not hold other positions in the Company or other members of the Group, (ii) does not hold any directorship in other public companies the securities of which are listed on any securities market in Hong Kong or overseas in the last three years, (iii) does not have any relationship with any other Director, senior management, Substantial Shareholder or Controlling Shareholder of the Company and (iv) has no information to disclose pursuant to any of the requirements of Rule 13.51(2)(h)-13.51(2)(v) of the Listing Rules; and there are no other matters that need to be brought to the attention of the Shareholders.

The following is the explanatory statement required to be sent to Shareholders under the Listing Rules to enable them to make an informed decision on whether to vote for or against the ordinary resolution in relation to the Share Repurchase Mandate to be proposed at the Annual General Meeting.

1. SHARE REPURCHASE PROPOSAL

As at the Latest Practicable Date, the total number of issued Shares of the Company was 1,807,424,842. It is proposed that pursuant to the Share Repurchase Mandate, up to a maximum of 10 per cent. of the number of issued Shares as at the date of passing of the Share Repurchase Resolution may be repurchased by the Directors. Subject to the passing of the Share Repurchase Resolution, on the basis that no further Shares are issued prior to the Annual General Meeting and ignoring other restrictions (if any), the Company would be allowed under the Share Repurchase Mandate to repurchase up to a maximum of 180,742,484 Shares.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Bye-laws and the laws of Bermuda. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for dividend or the proceeds of a fresh issue of shares made for the purpose. The premium payable on repurchase may only be paid out of either the profits that would otherwise be available for dividend or out of the share premium or contributed surplus accounts of the Company.

The Directors propose that such repurchases of Shares would be appropriately financed by the Company's internal resources and/or available banking facilities. There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended 31 December 2022 and taking into account the financial position of the Company as at the Latest Practicable Date, in the event that the proposed share repurchases were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. DIRECTORS' UNDERTAKING AND CORE CONNECTED PERSONS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, the exercise of the power of the Company to make repurchases pursuant to the Share Repurchase Resolution will be in accordance with the Listing Rules and the applicable laws of Bermuda.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) have a present intention, in the event that the Share Repurchase Resolution is adopted by Shareholders, to sell Shares to the Company or its subsidiaries.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares held by them to the Company, or have undertaken not to do so, in the event that the Company is authorised to make repurchases of its Shares.

5. EFFECT OF THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of a share repurchase, any such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (depending on the level of increase of Shareholders' interests) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. As at the Latest Practicable Date, Mr WANG Wei was directly or indirectly interested in 972,698,478 Shares as disclosed under the SFO, which constituted approximately 53.82 per cent. of the total number of issued Shares of the Company. If the Share Repurchase Mandate were to be exercised in full, which is considered to be unlikely in the current circumstances, Mr WANG Wei would (assuming that there is no change in relevant facts and circumstances) hold approximately 59.80 per cent. of the total number of issued Shares of the Company. As at the Latest Practicable Date, KGL was directly or indirectly interested in 595,928,608 Shares as disclosed under the SFO, which constituted approximately 32.97 per cent. of the total number of issued Shares of the Company. If the Share Repurchase Mandate were to be exercised in full, which is considered to be unlikely in the current circumstances, KGL would (assuming that there is no change in relevant facts and circumstances) hold approximately 36.63 per cent. of the total number of issued Shares of the Company. It is considered that, in the absence of any special circumstances, an obligation to make a mandatory offer as referred to above as a result of a share repurchase is unlikely to arise. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Share Repurchase Mandate.

6. SHARE REPURCHASES MADE BY THE COMPANY

There was no repurchase by the Company or any of its subsidiaries of the Shares during the six months prior to the Latest Practicable Date.

7. MARKET PRICES

During each of the 12 months preceding and up to the Latest Practicable Date, the highest and lowest prices at which the Shares were traded on the Stock Exchange are as follows:

Year	Month	Shares		
		Highest Price <i>HK\$</i>	Lowest Price <i>HK\$</i>
