The Share Repurchase Mandate shall be in force from the date of the passing of the relevant resolution at the AGM until: (a) the conclusion of the next annual general meeting of Shareholders unless, by an ordinary resolution passed at that meeting, the Share Repurchase Mandate is renewed, either unconditionally or subject to conditions; or (b) revoked or varied by an ordinary resolution of the shareholders in a general meeting, whichever occurs first.

An explanatory statement required by the Listing Rules to be sent to all Shareholders in connection with the Share Repurchase Mandate is set out in Appendix II to this circular.

Share issue mandate

In order to give the Company the flexibility to issue Class Z Ordinary Shares and/or ADSs if and when appropriate and in accordance with Rule 13.36 of the Listing Rules, an ordinary resolution will be proposed at the AGM to approve the granting of a share issue mandate to the Directors to issue, allot or deal with unissued Class Z Ordinary Shares and/or ADSs not exceeding 20% of the total number of issued Shares as at the date of passing of such ordinary resolution. APPENDIX I PARTICULARS OF DIRECTORS PROPOSED TO BE RE-ELECTED

As of the Latest Practicable Date, Ms. Ni Li had interests or deemed to be interested in 3,908,300 Class Z Ordinary Shares and 7,200,000 Class Y Ordinary Shares and underlying Shares of the Company or its associated corporation (within the meaning of Part XV of the SFO), representing approximately 2.70% of the total Shares in issue; Mr. Yi Xu had interests or deemed to be interested in 196,100 Class Z Ordinary Shares and 27,216,108 Class Y Ordinary Shares and underlying Shares of the Company or its associated corporation (within the meaning of Part XV of the SFO), representing approximately 6.67% of the total Shares in issue; and Mr. Guoqi Ding was not interested or deemed to be interested in any Shares or underlying Shares of the Company or its associated corporation (within the meaning of Part XV of the SFO).

Save as disclosed above and immediately preceding the Latest Practicable Date, each of the above Directors had not held any directorships in other listed public companies or any other major appointments and professional qualifications during the past three years, did not hold any other position with the Company or other members of the Group and did not have any other relationships with any of the other Directors, senior management, substantial shareholders or controlling shareholders of the Company.

Save as disclosed above, there are no other matters concerning each of the Directors that need to be brought to the attention of the Shareholders in connection with his re-election and there is no other information that should be disclosed pursuant to Rule 13.51(2)(h) to (v) of the Listing Rules.

This appendix serves as an explanatory statement, as required by Rule 10.06(1)(b) of the Listing Rules, to provide information for you to make a reasonably informed decision on whether to vote for or against the ordinary resolution with respect to the Share Repurchase Mandate to be proposed at the AGM.

1. SHARE CAPITAL

As at the Latest Practicable Date, the Company had a total of 410,701,894 issued and outstanding Shares.

Subject to the passing of the ordinary resolution with respect to the Share Repurchase Mandate to be proposed at the AGM, and on the basis that the Company's total issued share capital remains unchanged from the Latest Practicable Date to the AGM date, the Directors would be authorized under the Share Repurchase Mandate to repurchase up to 41,070,189 Class Z Ordinary Shares and/or ADSs, representing 10% of the Company's total issued share capital, during the Share Repurchase Mandate period.

2. REASONS FOR REPURCHASING SHARES

The Directors believe that it is in the best interests of the Company and Shareholders to have a general authority from Shareholders to enable the Company to purchase Class Z Ordinary Shares and/or ADSs in the market. The repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Class Z Ordinary Share and/or ADS and/or its earnings per Class Z Ordinary Share and/or ADS and will be made only when the Directors believe that such repurchases will benefit the Company and Shareholders.

The Directors have no present intention to cause the Company to repurchase any Class Z Ordinary Shares and/or ADSs and they would exercise the power to repurchase only in circumstances where they consider that the repurchase would be in the best interests of the Company and Shareholders.

3. FUNDING OF REPURCHASES

Repurchases of Class Z Ordinary Shares and/or ADSs will be funded from the Company's internal resources, which includes funds legally available for such purposes in accordance with the Articles of Association, the Listing Rules, and applicable laws and regulations in the Cayman Islands, Hong Kong and elsewhere (as the case may be).

4. IMPACT OF REPURCHASES

There may be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the Company's annual report for the year ended December 31, 2022) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the Company's working capital requirements or gearing levels that, in the opinion of the Directors, are from time to time appropriate for the Company.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Class Z Ordinary Shares and/or ADSs pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the Company's voting right increases, this increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the WVR Beneficiaries, Mr. Rui Chen, Ms. Ni Li and Mr. Yi Xu, were interested in a total of 83,715,114 Class Y Ordinary Shares, representing a total of 71.91% voting rights in the Company with respect to Shareholders' resolutions relating to matters other than the Reserved Matters (excluding 4,559,523 Class Z Ordinary Shares issued and reserved for future issuance upon the exercise or vesting of awards granted under the Company's share incentive plans).

Pursuant to Rule 8A.15 of the Listing Rules, in the event that the Directors exercise the Repurchase Mandate, the WVR Beneficiaries must reduce their weighted voting rights in the Company proportionately through conversion of a proportion of their shareholding into Class Z Ordinary Shares, if the reduction in the number of Shares in issue would otherwise result in an increase in the proportion of Class Y Ordinary Shares. As such, to the best knowledge and belief of the Directors, the exercise of the Repurchase Mandate is not expected to give rise to an obligation of the WVR Beneficiaries to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code to make a mandatory offer. The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any purchase by the Company of its Shares.

In addition, the Directors do not propose to repurchase Shares which would result in less than the relevant prescribed minimum percentage of Shares in public hands as required by the Stock Exchange.

6. MARKET PRICES OF SHARES

Set out below are the highest and lowest prices at which the Class Z Ordinary Shares traded on the Stock Exchange during each month during the previous twelve months and until the Latest Practicable Date:

7. REPURCHASES OF SHARES

The Company announced in March 2022 that its board of directors had authorized a share repurchase program, under which the Company may repurchase up to US\$500 million of its ADSs for the next 24 months. As of March 31, 2023, approximately 2.6 million ADSs had been repurchased for a total cost of US\$53.6 million. No repurchases of Class Z Ordinary Shares have been made by the Company during the six months immediately preceding the Latest Practicable Date (whether on the Stock Exchange or otherwise).

8. GENERAL

None of the Directors, nor, to the best of the Directors' knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules), has any present intention, in the event that the Share Repurchase Mandate is approved, to sell any Shares to the Company.
