LETTER FROM THE BOARD

2. GENERAL MANDATES TO ISSUE SHARES AND BUY BACK SHARES

At the annual general meeting of the Company on 1 June 2022, resolutions were passed giving general mandates to the Directors (i) to allot, issue, and deal with any Shares not exceeding 20% of the total number of the issued Shares of the Company; (ii) to buy back Shares up to a maximum number equivalent to 10% of the total number of the issued Shares of the Company; and (iii) to extend the general mandate of (i) above to include Shares bought back pursuant to the general mandate of (ii) above. Such general mandates will lapse at the conclusion of the Annual General Meeting.

At the Annual General Meeting, separate ordinary resolutions will be proposed:

- (a) to grant the Issuance Mandate to the Directors to exercise the powers of the Company to allot, issue, and deal with any Shares not exceeding 20% of the total number of issued Shares of the Company as at the date of passing the resolution. The Issuance Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws of the Cayman Islands; or the date upon which such authority is revoked, varied or renewed by an ordinary resolution of the Shareholders at a general meeting of the Company. Based on 655,944,000 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or bought back prior to the date of the Annual General Meeting, the Directors will be authorised to issue up to 131,188,800 Shares under the Issuance Mandate;
- (b) to grant the Share Buy-back Mandate to the Directors to exercise all powers of the Company to buy back issued Shares subject to the criteria set out in this circular. Under such Share Buy-back Mandate, the maximum number of Shares that the Company may be bought back shall not exceed 10% of the total number of issued Shares of the Company as at the date of passing the resolution. As at the Latest Practicable Date, the number of Shares in issue is 655,944,000 Shares. Subject to the passing of the proposed ordinary resolution approving the grant of the Share Buy-back Mandate and assuming no further Shares are issued or bought back prior to the Annual General Meeting, the Company would be allowed under the Share Buy-back Mandate to buy back a maximum of 65,594,400 Shares, being 10% of the total number of issued Shares of the Company as at the date of passing of the resolution in relation thereto. The Share Buy-back Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws of the Cayman Islands; or the date upon which such authority is revoked, varied or renewed by an ordinary resolution of the Shareholders at a general meeting of the Company; and

LETTER FROM THE BOARD

- (c) subject to the passing of the aforesaid ordinary resolutions granting the Issuance Mandate and the Share Buy-back Mandate, to extend the number of Shares to be issued and allotted under the Issuance Mandate by an additional number representing such number of Shares bought back under the Share Buy-back Mandate.

Pursuant to the Listing Rules, an explanatory statement is set out in Appendix I to this circular to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the proposed resolution granting the Share Buy-back Mandate at the Annual General Meeting.

3. RE-ELECTION OF RETIRING DIRECTORS

In accordance with Article 84(1) of the Articles of Association, Mr. Tse Po Tat (“**Mr. Tse**”), an executive Director, and Mr. Andrew Look (“**Mr. Look**”), an independent non-executive Director, shall retire and being eligible, have offered themselves for re-election at the Annual General Meeting.

At the Annual General Meeting, ordinary resolutions will be proposed to re-elect Mr. Tse as an executive Director and Mr. Look as an independent non-executive Director.

The nomination committee of the Company has considered the background, skills, knowledge and experience of the nominated executive Director/Independent non-executive Director, having regard to the board diversity policy of the Board. The board diversity policy sets out that board appointments are based on objective criteria, having due regard for the benefits of diversity on the Board including, but not limited to, gender, age, cultural and educational background, ethnicity, professional experience, skills and knowledge and length of service. The Board notes that these Directors have extensive experience in different fields and professions that are relevant to the Company’s business. In addition, their respective educational background, experience and practice allow them to provide valuable and relevant insights and contribute to the diversity of the Board.

During their years of appointment, both Mr. Tse and Mr. Look have shared their experience and expertise both at and outside board/committee meetings, which has been very valuable to the Company’s business development and strategy. Their re-election will continue to enhance the governance and oversight of the Company at both the Board and the Board committee levels.

The nomination committee of the Company, which comprises a majority of independent non-executive Directors, considers that Mr. Tse and Mr. Look continue to contribute effectively and are committed to their roles. Accordingly, the nomination committee has nominated and the Board has recommended the aforesaid retiring Directors to stand for re-election as Directors at the 2023 AGM.

LETTER FROM THE BOARD

Further, the nomination committee has also assessed and reviewed the independence of Mr. Look based on the independence criteria set out in Rule 3.13 of the Listing Rules, and has affirmed that he remains independent.

The biographical details of the above named Directors who are subject to re-election at the Annual General Meeting and the particulars describing how they contribute to the diversity of the Board are set out in Appendix II to this circular in compliance with the relevant requirements of the Listing Rules.

4. ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT

A form of proxy for use at the Annual General Meeting is enclosed. Such form of proxy is also published on the website of the Stock Exchange (www.hkexnews.hk). Whether or not you intend to be present at the Annual General Meeting, you are requested to complete and sign the form of proxy and return it to the Company in accordance with the instructions printed thereon not less than 48 hours before the time fixed for the holding of the Annual General Meeting. Completion and delivery of the form of proxy will not preclude you from attending and voting at the Annual General Meeting if you so wish.

5. VOTING BY POLL

All resolutions will be put to vote by way of poll at the Annual General Meeting pursuant to Rule 13.39 of the Listing Rules. An announcement on the poll results will be made by the Company after the Annual General Meeting in the manner prescribed under Rule 13.39(5) of the Listing Rules.

6. FINAL DIVIDEND AND SPECIAL DIVIDEND

The Board has recommended the declaration of a final dividend of HK0.34 cent per Share and a special dividend of HK0.28 cent per Share for the year ended 31 December 2022. Subject to the fulfilment of the conditions set out in the paragraph headed “Conditions of the Payment of the Final Dividend out of the Share Premium Account” below, the final dividend and special dividend are proposed to be paid out of the share premium account of the Company.

LETTER FROM THE BOARD

Under section 34(2) of the Cayman Companies Law, the share premium account may be applied by a company in paying dividends to members provided that no dividend may be paid to members out of the share premium account unless, immediately following the date on which the dividend is proposed to be paid, the company shall be able to pay its debts as they fall due in the ordinary course of business.

As at 31 December 2022, based on the audited consolidated financial statements of the Group, the Company had an aggregate amount of HK\$192,171,000 standing to credit of its share premium account. Subject to compliance with certain requirements under the laws of the Cayman Islands, the share premium may be applied for payment of final dividend and special dividend by the Company. Following the payment of the proposed final dividend and special dividend and assuming that there is no change in the number of issued Shares prior to 9 June 2023 (the date for determining the entitlement to the proposed final dividend and special dividend), there will be a remaining balance of approximately HK\$188,104,000 standing to the credit of the share premium account of the Company.

Conditions of the Payment of the Final Dividend and Special Dividend out of the Share Premium Account

The payment of the final dividend and special dividend out of the share premium account is conditional upon, inter alia, the following being fulfilled:

- (a) the passing of an ordinary resolution by the Shareholders to approve the payment of the final dividend and special dividend out of the share premium account of the Company; and
- (b) the Directors being satisfied that there are no reasonable grounds for believing that the Company is, and immediately after the final dividend and special dividend are paid, will be unable to pay its liabilities as they become due in the ordinary course of business.

Subject to the fulfilment of the above conditions, it is expected that the final dividend and special dividend will be payable on or about Friday, 7 July 2023.

The conditions set out above cannot be waived. The final dividend and special dividend will be paid only when all the conditions are satisfied.

LETTER FROM THE BOARD

Reasons for and Effect of the Payment of the Final Dividend and Special Dividend out of the Share Premium Account

After taking into account of a number of factors including cash flow and financial condition of the Company, the Board considers it appropriate and proposes the payment of the final dividend and special dividend out of the share premium account of the Company in accordance with Article 134 of the Articles and the Cayman Companies Law. The Board considers such arrangement to be in the interests of the Company and the Shareholders as a whole.

The Board believes that the payment of the final dividend and special dividend will not have any material adverse effect on the underlying assets, business, operations or financial position of the Group and does not involve any reduction in the authorized or issued share capital of the Company or reduction in the nominal value of the Shares or result in any change in the trading arrangements in respect of the Shares.

7. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make this circular or any statement herein misleading.

8. RECOMMENDATION

The Directors consider that (i) the granting of the Issuance Mandate and the Share Buy-back Mandate to the Directors to issue and buy back Shares; (ii) the extension of the Issuance Mandate to include Shares bought back pursuant to the Share Buy-back Mandate; (iii) the re-election of the retiring Directors; and (iv) the declaration of final dividend and special dividend are in the best interests of the Company and the Shareholders as a whole. The Directors therefore recommend the Shareholders to vote in favour of all the resolutions to be proposed at the Annual General Meeting.

Yours faithfully
By order of the Board
Hung Fook Tong Group Holdings Limited
Tse Po Tat
Chairman and Executive Director

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Share Buy-back Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) of the Listing Rules and other relevant provisions of the Listing Rules which is set out as follows:

1. LISTING RULES RELATING TO THE SHARE BUY-BACK

The Listing Rules permit companies whose primary listings are on the Stock Exchange to buy back their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognized by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all share buy-back by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, there was a total of 655,944,000 Shares in issue. Subject to the passing of the resolution granting the Share Buy-back Mandate and on the basis that no further Shares are issued or bought back during the period from the Latest Practicable Date to the date of the Annual General Meeting, the Company will be allowed under the Share Buy-back Mandate to buy back a maximum of 65,594,400 Shares, being 10% of total number of the issued Shares of the Company as at the date of the passing of the relevant resolution at the Annual General Meeting.

3. REASONS FOR SHARE BUY-BACK

The Directors have no present intention to buy back any Shares but consider that the ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders as a whole.

As compared with the financial position of the Company as at 31 December 2022 (as disclosed in its latest audited financial statements for the year ended 31 December 2022), the Directors consider that there might be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed buy-back were to be carried out in full during the proposed buy-back period. However, the Directors do not propose to exercise the Share Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse impact on the working capital or gearing ratio of the Company.

4. FUNDING OF SHARE BUY-BACK

The Company is empowered by its memorandum of association and articles of association to buy back its Shares. In buying back Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and articles of association, laws of the Cayman Islands and the Listing Rules. A listed company is prohibited from buying back its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. The laws of the Cayman Islands provide that payment for a share buy-back may only be made out of profits, share premium account or the proceeds of a new issue of Shares made for such purpose or subject to the Cayman Companies Law, out of capital of the Company. The amount of premium payable on the buy-back of Shares may only be paid out of either or both of the profits or the share premium account of the Company or subject to the Cayman Companies Law, out of capital of the Company.

In addition, under the laws of the Cayman Islands, payment out of capital by a company for the buy-back by a company of its own shares is unlawful unless immediately following the date on which the payment is proposed to be made, the Company shall be able to pay its debts as they fall due in the ordinary course of business. In accordance with the laws of the Cayman Islands, the shares so bought back would be treated as cancelled but the total number of authorised shares to be issued would not be reduced.

5. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules), has any present intention to sell any Shares to the Company in the event that the Share Buy-back Mandate is granted by the Shareholders.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Share Buy-back Mandate is granted by the Shareholders.

6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make share buy-backs pursuant to the Share Buy-back Mandate and in accordance with the Listing Rules, the Articles of Association and the laws of the Cayman Islands.

7. EFFECT OF TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

A buy-back of Shares by the Company may result in an increase in the proportionate interests of a substantial Shareholder in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company and as recorded in the register required to be kept by the Company under Section 336 of the SFO, Ms. Wong Pui Chu, Think Expert Investments Limited (a company wholly-owned by Ms. Wong Pui Chu), YITAO Investments Limited (a company wholly-owned by Mr. Tse Po Tat) and Prestigious Time Limited (a company wholly-owned by the late Mr. Kwan Wang Yung) jointly held 404,052,600 Shares representing approximately 61.60% of the issued share capital of the Company. Pursuant to the Acting in Concert Confirmation, a deed dated 27 March 2014 executed by Ms. Wong Pui Chu, Mr. Tse Po Tat and the late Mr. Kwan Wang Yung (“Controlling Shareholders”), whereby they have agreed to jointly control their respective interests in the Company and decisions as to the business and operations of the Group shall be made in accordance with their unanimous consent. Each of the Controlling Shareholders shall exercise their respective voting rights in the Company in the same way. Hence, each of the Controlling Shareholders is deemed to be interested in all the Shares held by the Controlling Shareholders in aggregate by virtue of the SFO. In the event that the Directors exercise in full the power to buy back the Shares which is proposed to be granted pursuant to the Share Buy-back Mandate, the shareholding of the Controlling Shareholders and their associates would be increased to approximately 68.44% of the issued share capital of the Company. In the opinion of the Directors, such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code. Save as disclosed above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) who may become obliged to make a mandatory offer under the Takeovers Code as a consequence of any buy-back pursuant to the Share Buy-back Mandate.

The Directors have no intention to exercise the Share Buy-back Mandate to such extent that it would result in the amount of Shares held by the public being reduced to less than 25% of the issued share capital of the Company.

8. SHARE BUY-BACK BY THE COMPANY

The Company had not bought back any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

9. SHARE PRICES

During each of the previous 12 months up to and including the Latest Practicable Date, the highest and lowest trading prices for Shares on the Stock Exchange were as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2022		
April	0.390	0.340
May	0.395	0.300
June	0.340	0.305
