InnoCare Pharma Limited (the “**Company**”) is pleased to announce that following an application to The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) pursuant to Rule 18A.12 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”), the Stock Exchange has granted approval for the dis-application of Rules 18A.09 to 18A.11 of the Listing Rules (the “**Relevant Rules**”) to the Company.

As a result of the dis-application of the Relevant Rules, the “B” marker will no longer be affixed to the Company’s English and Chinese stock short name from 12 May 2023.

The Company’s market capitalization as of 8 May 2023 was approximately HK\$17.34 billion, which is in excess of HK\$4 billion as required under Rule 8.05(3) of the Listing Rules. As stated in the annual report of the Company for the year ended 31 December 2022, the Company’s total revenue for the year ended 31 December 2022, being the most recent audited financial year, was approximately RMB625.4 million (equivalent to approximately HK\$713.0 million), which is in excess of HK\$500 million as required under Rule 8.05(3) of the Listing Rules. Accordingly, the Company qualifies for listing under Rule 8.05(3) of the Listing Rules and the Stock Exchange has therefore granted its approval for the application for dis-application of the Relevant Rules to the Company.

EFFECTS OF THE DIS-APPLICATION OF THE RELEVANT RULES

Following the dis-application of the Relevant Rules, the “B” marker will cease to be affixed to the Company’s English and Chinese stock short name. There will be otherwise no effect on the existing share certificates in respect of the Company’s Shares which will continue to be good evidence of legal title and be valid for trading, settlement and registration purposes and will not involve any transfer or exchange of the existing share certificates for holders of Shares. No other changes will be made to the English or Chinese stock short name of the Company, the existing share certificates, the board lot size, the trading currency of the Shares and the share registrar and transfer offices of the Company following the dis-application of the Relevant Rules.
