## **VOLUNTARY ANNOUNCEMENT SUCCESSFUL BIDDING OF THE THIRD PARTY PLATFORM OF SHENZHEN HUI MIN BAO PROJECT**

Yidu Tech Inc. (the “**Company**” or “**Yidu Tech**”) is pleased to announce that Ningbo Century Kangtai Insurance Brokerage Co., Ltd. (寧波世紀康泰保險經紀有限公司), an affiliated company of the Company, recently won the bid of the third party platform of Shenzhen Hui Min Bao Project as the leader of the consortium.

Being the industry leader of the third-party operation platform for the Hui Min Bao, Yidu Tech builds intelligent models and intelligent risk prediction and management capabilities for tens of millions of large-scale population on its health management platform and solutions business segment by leveraging YiduCore, and provides the whole process services including product design, system construction, platform operation, marketing and promotion, intelligent customer service and intelligent claims service, thus offering one-stop solutions for the urban Hui Min Bao to improve the efficiency of insurance operation through technology empowerment.

China’s healthcare industry is undergoing a transformation from healthcare informatization to healthcare intelligence. Yidu Tech is the leader of China’s healthcare intelligence industry, adhering to the mission of “making value-based precision healthcare accessible to everyone”. Since establishment, we have focused on the development and application of healthcare intelligence, as well as committed to promoting the establishment of a safe, inclusive and value-based intelligent healthcare system. Yidu Tech empowers three major categories of healthcare scenarios, namely research, diagnosis and treatment and public health, through YiduCore, its proprietary “Healthcare Intelligent Brain”, to provide

intelligent analytics-driven innovative solutions for the healthcare industry, help accelerate the cost reduction of healthcare services, and improve the efficiency of the healthcare industry's supply side.

This is a voluntary announcement of the Company.

By order of the Board
