### **SUCCESSFUL RENEWAL OF HUNAN HUI MIN BAO PROJECT**

This announcement is made by ClouDr Group Limited (the “**Company**”, together with its subsidiaries and consolidated affiliated entities, the “**Group**”) on a voluntary basis to inform its shareholders and potential investors of the recent development about the Group.

The Company is pleased to announce that Yinbang Insurance Brokerage Co., Ltd. (銀邦保險經紀有限公司), a consolidated affiliated entity of the Company, won the bids of the third party platform of both Shanxi Hui Min Bao Project and Wuxi Hui Min Bao Project, and successfully renewed the contract of Hunan Hui Min Bao Project, as the leader of each consortium.

As the largest digital chronic condition management solution provider in China, ClouDr Group Limited builds the ClouDr Brain with the two Model-as-a-Service (MaaS), the Cloud GPT model, an intelligent diagnostics technology, and Cloud DTx platform, an intelligent digital therapy model. The two MaaS models are powered by the ClouDr Machine Learning Infrastructure to support the AI-assisted clinical decision supporting system (CDSS) and AI-assisted drug and device research and development, providing several key technical solutions for digital medical care for chronic diseases.

By leveraging the ClouDr Brain, for example the established knowledge map among diseases, drugs and indications, and the established network in the hospitals and pharmacies, the Company is able to provide value added services to the Hui Min Bao Projects including targeted acquisition channel, intelligent product design and customer services, etc. With the Company’s value added solutions, the operational efficiency and customer satisfaction of these Hui Min Bao Projects can be significantly improved.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.**
