INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM relating to, among other things, (i) the granting of the General Mandates; and (ii) the re-election of the retiring Directors. The Notice of AGM is set out on pages 13 to 17 of this circular for approving the same.

LETTER FROM THE BOARD

ISSUE MANDATE

At the AGM, an ordinary resolution will be proposed to approve the granting of a fresh general mandate to the Directors to exercise the powers of the Company to allot, issue and deal with new Shares in the share capital of the Company up to 20% of the total number of issued Shares as at the date of the passing of the resolution. In addition, a further ordinary resolution will be proposed at the AGM to extend the authority to issue Shares under the Issue Mandate by an additional number representing such number of Shares repurchased under the Repurchase Mandate.

REPURCHASE MANDATE

Furthermore, at the AGM, an ordinary resolution will be proposed to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the total number of issued Shares as at the date of the passing of the resolution. As at the Latest Practicable Date, there were 398,979,524 Shares in issue. Assuming that no Shares are issued or repurchased by the Company prior to the date of the AGM, such 10% will represent 39,897,952 Shares.

An explanatory statement, as required under Rule 10.06(1)(b) of the Listing Rules to give all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the resolution to approve the purchase by the Company of its own Shares, is set out in Appendix I to this circular.

LETTER FROM THE BOARD

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Board believes that the Proposals are in the best interests of the Company and the Shareholders as a whole and therefore recommends the Shareholders to vote in favour of all the resolutions as set out in the Notice of AGM.

Yours faithfully,
For and on behalf of the Board
China Tian Yuan Healthcare Group Limited
Dong Wei
Executive Director

This Appendix serves as the explanatory statement required under Rule 10.06(1)(b) of the Listing Rules to provide the Shareholders with all the information necessary for their consideration of the Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares in issue was 398,979,524. Exercise in full of the Repurchase Mandate, on the basis that no further Shares are issued or repurchased prior to the date of the AGM, could accordingly result in up to 39,897,952 Shares being repurchased by the Company. The Repurchase Mandate shall, unless revoked or varied by the Company in general meeting, take effect upon approval by the Shareholders until the conclusion of the next annual general meeting of the Company.

REASONS FOR REPURCHASE

The Directors consider that the Repurchase Mandate will provide the Company with such flexibility to make repurchase of its own Shares as and when appropriate and beneficial to the Company. Such repurchases may enhance the net asset value of the Company and/or earnings per Share. The Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company as compared with the position disclosed in the latest published audited financial statements of the Company for the year ended 31 December 2022, in the event that the proposed purchases were to be carried out in full during the proposed purchase period. No purchase would be made in circumstances that would have a material adverse impact on the working capital or gearing ratio of the Company.

FUNDING OF REPURCHASE

Repurchases must be funded out of funds legally available for such purchase in accordance with the applicable laws of the Cayman Islands, the Articles of Association and the Listing Rules.

The Cayman Companies Law provides, inter alia, that shares may only be purchased out of the profits of a company or out of the proceeds of a fresh issue of shares made for the purpose of the repurchase or, in the manner provided for therein, out of capital.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates, has any present intention to sell any of the Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

No core connected person of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of Shares.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules, all applicable laws of the Cayman Islands and the Articles of Association.

EFFECT OF THE TAKEOVERS CODE

A repurchase of securities by the Company may result in an increase in the proportionate interests of a Shareholder in the voting rights of the Company, which will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date and to the best of the knowledge and belief of the Directors based on the register kept by the Company under Section 336 of the SFO, Tian Yuan Manganese Limited, a wholly-owned subsidiary of Ningxia Tian yuan Manganese Industry Co., Ltd, which is owned as to 99.99% by Mr. JIA Tianjing, held an aggregate of 266,069,294 Shares, representing about 66.69% of the existing issued share capital of the Company. Upon full exercise of the Repurchase Mandate and assuming that no further Shares are issued or repurchased prior to the date of the AGM, their aggregate shareholding would be increased to about 74.10%. Such an increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors are not aware of any Shareholder, or a group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous 12 months preceding the Latest Practicable Date were as follows:
