Street, Vancouver, British Columbia, Canada, for the purposes set forth in the Notice of Meeting that accompanies this Management Proxy Circular. Unless otherwise stated, this Management Proxy Circular contains information current as of May 17, 2023 (the “**Latest Practicable Date**”) the last business day preceding the date of this Management Proxy Circular.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange of Hong Kong Limited (“**HKEX**” or “**Hong Kong Stock Exchange**”) take no responsibility for the contents of this document, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this document.

This document, for which the directors of the Company collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the HKEX (the “**Listing Rules**”) for the purpose of giving information with regard to the Company. The directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this document is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this document misleading.

In this Management Proxy Circular, all dollar amounts are quoted in United States dollars (i.e., for all currency denoted in “\$”, it refers to US\$) unless otherwise indicated.

The Chinese name(s) marked with “*” and the English translation of company names of the entities marked with “**” are for identification purposes only.

SOLICITATION OF PROXIES

The enclosed Form of Proxy is solicited by and on behalf of management of the Company.

This Management Proxy Circular, the accompanying notice of meeting dated May 18, 2023 (the “**Notice of Meeting**”) and the enclosed form of proxy solicited by management of the Company for the Meeting (the “**Form of Proxy**”) (collectively, the “**Meeting Materials**”) are to be mailed to shareholders on or about May 29, 2023.

All expenses incurred in connection with the preparation, printing and mailing of this Management Proxy Circular and the solicitation of proxies for use at the Meeting will be borne by the Company.

No person is authorized to give any information or to make any representations other than those contained in this Management Proxy Circular and, if given or made, such information or representations must not be relied upon as having been authorized to be given or made.

In accordance with applicable securities law requirements, the Company will have distributed copies of the Meeting Materials to the clearing agencies and Intermediaries (as defined in the NI 54-101) for distribution to Non-Registered Shareholders (as defined below).

VOTING OF PROXIES

A Form of Proxy pertaining to the Meeting accompanies this Management Proxy Circular has been sent to registered shareholders. Common Shares represented by a properly executed Form of Proxy in favour of the persons designated therein will be voted or withheld from voting in accordance with the instructions made on the Form of Proxy in any ballot that may be called for. Where a shareholder specifies a choice as to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of such instructions, such Common Shares will be voted in favour of the matters specified in the Form of Proxy.**

The Form of Proxy confers discretionary authority upon the nominees therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

As of the date of this Management Proxy Circular, management of the Company knows of no such amendments, variations or other matters that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting, each nominee named in the accompanying Form of Proxy intends to vote thereon in accordance with the nominee's best judgment.

Only registered shareholders of the Company or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders ("**Non-Registered Shareholders**") because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they own their Common Shares.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Most Intermediaries delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Non-registered shareholders will receive a VIF instead of a Form of Proxy. Non-Registered shareholders are asked to complete the VIF and return it through the various methods specified on the form.

The Form of Proxy or VIF from your Intermediary is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote in person at the Meeting, or any adjournment(s) or postponement(s) thereof (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should insert the Non-Registered Shareholder's or such other person's name in the blank space provided for this purpose. Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the Form of Proxy or VIF is to be delivered.

If you are a Non-Registered Shareholder who has already provided voting or proxy holder instructions and wants to revoke it, contact your Intermediary about how to revoke your voting or proxy holder instructions.

The Meeting Materials are being sent to both registered shareholders and Non-Registered Shareholders. There are two (2) kinds of Non-Registered Shareholders: those who object to their names being made known to the Company, referred to as objecting beneficial owners ("**OBOs**"), and those who do not object to the Company knowing who they are, referred to as non-objecting beneficial owners ("**NOBOs**").

The Company does not intend to pay for Intermediaries to forward to OBOs the proxy-related materials under NI 54-101 and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* and OBOs will not receive the Meeting Materials unless the OBO's Intermediary assumes the cost of delivery.

In order to vote via the Internet, have the Form of Proxy you received available and access the website at www.meeting-vote.com. You will be prompted to enter the 13-digit Control Number which is located in a box on the backside of the Form of Proxy. The cut-off time for voting over the Internet is 4:30 p.m. (PDT) on Friday, June 16, 2023 (and Monday, June 19, 2023 at 7:30 a.m. in Hong Kong, China), or 48 hours (excluding Saturdays and Sundays and public/statutory holidays) before any adjournment(s) or postponement(s) of the Meeting.

If your Common Shares are held in street name for your account, your broker or other nominee will advise you whether you may vote online through the Internet. A number of banks and brokerage firms participate in programs that permit shareholders to direct their votes online through the Internet.

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the enclosed Form of Proxy are directors and/or officers of the Company. **A shareholder wishing to appoint some other person or company (who need not be a shareholder) to represent such shareholder at the Meeting has the right to do so, either by inserting such person's name in the blank space provided on the Form of Proxy or by completing another Form of Proxy.**

An appointment of a proxy holder or alternate proxy holders will not be valid unless a Form of Proxy making the appointment, signed by the shareholder or by an attorney of the shareholder authorized in writing, is deposited with TSX Trust Company (the “**Transfer Agent**”):

- a) via the internet www.meeting-vote.com;
- b) by facsimile to + 1 416-595-9593;
- c) by mail to P.O. Box 721, Agincourt, Ontario, M1S 0A1 Attn: Proxy Department;
- d) by hand to Suite 301-100 Adelaide Street West, Toronto, Ontario, M5H 4H1; or
- e) by email to: proxyvote@tmx.com (for proxy appointments in English) or votezprocuration@tmx.com (for proxy appointments in French),

and in each case must be received by the Transfer Agent by no later than 4:30 p.m. (PDT) on Friday, June 16, 2023 (and by 7:30 a.m. on Monday, June 19, 2023 in Hong Kong, China), or 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, British Columbia, Canada and public holidays in Hong Kong) before the Meeting or any postponement(s) or adjournment(s) thereof at which the instrument of proxy is to be used.

The Form of Proxy is deemed to be valid if deposit in the branch share registrar of the Company in Hong Kong (i.e., Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, by no later than 48 hours before the time for holding the Meeting as stated above).

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it by depositing an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing: (i) at the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any postponement(s) or adjournment(s) thereof at which the proxy is to be used; or (ii) with the Chair of the Meeting on the day of the Meeting or any postponement(s) or adjournment(s) thereof.

With respect to Non-Registered Shareholders, a Form of Proxy or VIF given to an Intermediary may be revoked by contacting the Intermediary through which the Non-Registered Shareholder's Common Shares are held and following the instructions of the intermediary respecting the revocation of proxies. In order to ensure that an Intermediary acts upon a revocation of a Form of Proxy or voting instruction form, the written notice should be received by the Intermediary well in advance of the Meeting.

A revocation of a proxy does not affect any matter on which a vote has been taken before the revocation. Please note that if you vote and subsequently change your voting preferences you may vote again not less than 24 hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, British Columbia, Canada) before the Meeting or any postponement(s) or adjournment(s) thereof. When you vote again, your latest vote will be recognized as your only valid vote, and all previous votes which you have recorded will be disregarded and considered as revoked.

VOTING SHARES AND RECORD DATE

Voting Shares

The Company has an authorized share capital consisting of an unlimited number of Common Shares without par value and an unlimited number of preferred shares without par value ("**Preferred Shares**"). ELECTION OF DIRECTORS

Fixing the Number of Directors

The Articles provide that the number of Directors is the greater of three (3) and the number fixed by ordinary resolution. At the Meeting, the Company's board of Directors (the "**Board**") is requesting that shareholders pass an ordinary resolution fixing the number of Directors at eight (8).

Term of Office

The term of office of each of the Directors will end at the conclusion of the Meeting. Majority Voting Policy for Directors

On November 6, 2013, the Board adopted a majority voting policy for Directors (which was amended on May 10, 2017 and March 28, 2023) pursuant to which, in both an uncontested and contested election of Directors, if a nominee for election as a Director receives a greater number of votes "withheld" or "abstained" than votes "for" with respect to the election of Directors by shareholders, he or she will be deemed to have submitted his or her resignation to the Board upon the conclusion of the meeting of shareholders. Upon receiving such resignation, the Board will promptly refer such resignation to the Company's Nominating and Corporate Governance Committee (the "**Nominating and Governance Committee**") for consideration and the Nominating and Governance Committee will make a recommendation to the Board whether or not to accept such resignation. The Board will determine whether to accept the resignation in question (and, absent exceptional circumstances, the Board will accept such resignation) and announce such decision in a press release to be issued within 90 days following the meeting of shareholders. The Director who tendered his or her resignation pursuant to this policy will not participate in any committee or Board deliberations and decisions pertaining to the resignation offer.

Contractual Director Nomination Rights

JD Zhixing Fund L.P.

On August 30, 2022, JDZF completed a sales transaction (the “**JDZF Sales Transaction**”) with the Company’s former largest shareholder, China Investment Corporation (“**CIC**”). Upon completion of the JDZF Sale Transaction, JDZF was, amongst other things, assigned the rights and benefits of the contractual director nomination rights contained in the securityholders agreement (the “**Securityholders’ Agreement**”) and certain deferral agreements (the “**Deferral Agreements**”), between CIC, the Company and certain of its subsidiaries in connection with the deferral of interest payments and other outstanding fees under the US\$250 million convertible debenture (the “**Convertible Debenture**”) and the Amended and Restated Cooperation Agreement (as defined below) previously held by CIC.

Pursuant to the terms of the Securityholders’ Agreement, JDZF is entitled, but not obligated, to nominate one (1) individual for appointment or election to the Board for as long as the Convertible Debenture remains outstanding or JDZF beneficially owns directly or indirectly 15% of the outstanding Common Shares.

Pursuant to the terms of the Deferral Agreements, the Company granted JDZF the following board nomination rights (which are in addition to JDZF’s existing right to nominate one individual for appointment or election to the Board pursuant to the Securityholders’ Agreement):

- as long as JDZF and its affiliates beneficially own, directly or indirectly, 20% or more of the outstanding Common Shares, JDZF will be entitled to nominate two individuals for appointment or election to the Board; and
- as long as JDZF and its affiliates beneficially own, directly or indirectly, 10% or more, but less than 20% of the outstanding Common Shares, JDZF will be entitled to nominate one individual for appointment or election to the Board.

Pursuant to the Securityholders’ Agreement and the Deferral Agreement, JDZF has nominated Messrs. Ruibin Xu, Chen Shen and Ms. Chonglin Zhu as its nominees for election as Directors at this Meeting. See “*Election of Directors – Director Nominees*” below.

Board	13
Audit Committee	10
Compensation and Benefits Committee	5
Operations Committee	4
Nominating and Corporate Governance Committee	3
Health, Environment, Safety and Social Responsibility Committee	3

All of the meetings listed in the foregoing table were held via teleconference.

In 2022, there were seventeen (17) written resolutions passed by the Directors, five (5) written resolutions passed by the Nominating and Governance Committee, two (2) written resolutions passed by the Compensation & Benefits Committee (the “**Compensation Committee**”) and one (1) written resolution passed by the HESS Committees. In 2022, no written resolutions were passed by the Audit or Operations Committees. Resolutions in writing must be executed by all of the members of the Board or the committee, as applicable, entitled to vote on a matter in order to be effective.

Independent Non-Executive Directors

The current Independent Non-Executive Directors of the Company (the “**INEDs**”), being, Mr. Mao Sun, Mr. Yingbin Ian He and Ms. Jin Lan Quan, have all been nominated for re-election as INEDs and, if elected at the Meeting, will hold office until the conclusion of the next annual meeting of the Company or, if no Director is then elected, until a successor is elected or appointed. Each of the nominee INEDs were considered and recommended by the Nominating and Governance Committee.

The Board has assessed the independence of all the INEDs and considers each of them to be independent having considered (i) receipt of their annual written confirmations of independence from Messrs. Yingbin Ian He, Mao Sun and Ms. Jin Lan Quan, relating to his/her independence pursuant to securities laws and stock exchange rules in all applicable jurisdictions, (ii) the absence of involvement in the daily management of the Company, (iii) the absence of any relationships

or circumstances which would interfere with the exercise of their independent judgement and (iv) information regarding personal and business circumstances provided in a comprehensive questionnaire completed annually by each of the Directors.

Following an assessment of the aforementioned information, the Board has determined that three (3) of its eight (8) Director nominees (Messrs. Yingbin Ian He, Mao Sun and Ms. Jin Lan Quan) are independent, representing 38% of all Director nominees nominated for election at the Meeting. Moreover, two (2) of the eight (8) Director nominees are Non-Executive Directors (“**NEDs**”).

The Board believes that its proposed size and composition and the proposed composition of the Board committees, results in balanced representation. The Board is proposed to be comprised of three (3) Executive Directors, two (2) NEDs and three (3) INEDs.

The Board is of the view that appropriate structures and procedures are in place to allow the Board to function independently of management. The Board has appointed an INED as Independent Lead Director who is responsible for providing overall leadership of the Board and maintaining the independence of the Board. In the event that the Board must consider a potential or actual conflict, such matter is referred to the INEDs and is subject to independent scrutiny. To facilitate the exercise of independent judgment, the INEDs and NEDs of the Board hold meetings as required.

Each of the nominee INEDs were considered and recommended by the Nominating and Governance Committee.

In considering and recommending for nomination each of the aforementioned individuals as INEDs, the Nominating and Governance Committee and the Board considered a number of different factors, including the past performance of each nominee, the independence confirmations provided by each nominee pursuant to Rule 3.13 of the Rules Governing the Listing of Securities of the HKEX and their respective expertise, knowledge and experience. The Nominating and Governance Committee and the Board also considered the terms of the Board Diversity Policy, which recognizes that a diverse Board will enhance the decision making of the Board by utilizing the difference in skills, experience and background, geographical and industry experience, ethnicity, gender, knowledge and length of services, and other distinguishing qualities of the members of the Board.

Brief biographies for each of Mr. Mao Sun, Mr. Yingbin Ian He and Ms. Jin Lan Quan are set out in the section entitled “*Election of Directors – Director Nominees*” of this Management Proxy Circular. The Board is of the view that each of the nominee INEDs offers a unique set of experiences in different fields and professions, including business, finance, accounting, audit and mining, which are relevant and valuable to the Company’s business. In addition, none of the nominee INEDs are considered to hold directorships on an excessive number of publicly listed companies, which allows each of them to devote sufficient time and attention to the Company’s affairs. Finally, the Board is of the view that it has greatly benefited from each nominee INED’s contributions in the past.

In view of the above, the Board believes that Mr. Mao Sun, Mr. Yingbin Ian He and Ms. Jin Lan Quan are qualified to serve as INEDs and should be elected to the Board.

APPOINTMENT OF AUDITORS

Shareholders will be requested to appoint BDO Limited, Certified Public Accountants (Practicing), Hong Kong (“**BDO**”) as auditors of the Company to hold office until the next annual meeting of shareholders and to authorize the Directors to fix their remuneration and the terms of their engagement.

Management and the Board recommend that BDO be appointed as auditor of the Company until the next annual meeting of shareholders. In the absence of contrary instructions, the person named in the accompanying Form of Proxy intends to vote the Common Shares represented thereby FOR the appointment of BDO as auditor of the Company until the next annual meeting of shareholders and the authorization to permit the Directors to set their remuneration.

Majority Voting Policy for Auditors

On April 17, 2023, the Board adopted a majority voting policy for auditors pursuant to which in any meeting of the shareholders of the Company at which the auditors are to be appointed, for whom the number of votes withheld exceeds the number of votes cast in favour of its appointment (a “**Non-Supported Auditor**”), the Non-Supported Auditor will be considered not to have received the support of Shareholders even though the Non-Supported Auditor was duly appointed as a matter of corporate law. The Board and the Company’s audit committee (the “**Audit Committee**”) will then consider the necessity to remove and replace any Non-Supported Auditor. The Board will consult with the Audit Committee in respect of the replacement of a Non-Supported Auditor promptly after the appointment of such Non-Supported Auditor. In the absence of exceptional circumstances, the Board expects that the Audit Committee will recommend to the Board that a special meeting of shareholders be convened for the purposes of considering an ordinary resolution for the removal of the Non-Supported Auditor and the appointment of another qualified audit firm to serve as auditors of the Company (the “**Replacement Auditor**”). The Board will announce in a press release its intention to call the special meeting to replace the Non-Supported Auditor, or explain the reasons justifying the Board’s decision not to remove the Non-Supported Auditor, which would be issued within 90 days following the meeting of Shareholders.

The Designated Member is a member of the Audit Committee who has been given the authority to grant pre-approvals of permitted audit and non-audit services.

The Audit Committee has considered whether the provision of services other than audit services is compatible with maintaining the auditors’ independence and has adopted a policy governing the provision of these services. This policy requires the pre-approval by the Audit Committee or the Designated Member of all audit and non-audit services provided by the external auditor, other than any *de minimis* non-audit services allowed by applicable law or regulation. The decisions of the Designated Member to pre-approve a permitted service are reported to the Audit Committee at its regularly scheduled meetings.

Pre-approval from the Audit Committee or Designated Member can be sought for planned engagements based on budgeted or committed fees. No further approval is required to pay pre-approved fees. Additional pre-approval is required for any increase in scope or in final fees.

Pursuant to these procedures, 100% of each of the services provided by the Company’s external auditors relating to the fees reported as audit, audit-related, tax and all other fees during 2022 were pre-approved by the Audit Committee or the Designated Member.

Outside Consultants and Peer Comparator Group

In establishing policies covering base salaries, benefits, annual incentive bonuses and long-term incentives, the Compensation Committee takes into consideration the recommendations of management. The Compensation Committee may seek compensation advice where appropriate from external consultants. When the Compensation Committee considers it necessary or advisable, it may retain, at the Company's expense, outside consultants or advisors to assist or advise the Committee on any matter within its mandate. The Committee has the sole authority to retain and terminate any such consultants or advisors.

Compensation and Benefits Philosophy and Goals

The Company's executive compensation program is administered by the Compensation Committee. The Compensation Committee has the following objectives:

- to provide a strong incentive for management to contribute to the achievement of the Company's short-term and long-term goals;
- to ensure that the interests of the Company's executive officers and shareholders are aligned;
- to enable the Company to attract, retain and motivate executive officers of the highest caliber in light of the strong competition in the Company's industry for qualified personnel; and
- to provide fair, transparent and defensible compensation.

Although compensation is generally tied to performance goals, the Compensation Committee and the Board maintain a degree of flexibility in making recommendations and compensation decisions.

NEOs and Directors are not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or Director in accordance with the Company's Corporate Disclosure, Confidentiality and Securities Trading Policy. The Company continually reviews its compensation policies to ensure the alignment of remuneration outcomes with the successful delivery of the Company's strategy.

How We Make Compensation Decisions

The Compensation Committee generally oversees and sets the general guidelines and principles for the Company's executive compensation policies. It assesses individual performance of the Company's executive officers and makes recommendations relating to compensation to the Board. Based on these recommendations, the Board makes decisions concerning the nature and scope of the compensation to be paid to the Company's executive officers. The Compensation Committee bases its recommendations to the Board on a combination of its compensation philosophy, market analysis for compensation paid by a peer comparator group, advice from third-party consultants and the Committee's assessment of individual performance based on an objective set of performance goals. In the normal course, the Company's total compensation package is made up of three elements: salary, bonus and equity incentives. In addition, certain executives receive other compensation such as housing allowance, income tax benefit and travel expenditures, as determined on a case by case basis.

The Compensation Committee generally meets quarterly to deal with any compensation issues or more frequently as needed to address specific issues in respect of executive compensation. The Compensation Committee meets with the CEO and CFO at least annually to discuss management's corporate goals for the forthcoming year, and to complete the annual review of the CEO's performance. The Compensation Committee works with the CEO and CFO to evaluate the performance and set the compensation for the other NEOs, including proposed salary adjustments, bonus awards and stock options grants.

The Board has the responsibility for overseeing the Company's compensation program. The Board has delegated certain oversight responsibilities to the Compensation Committee, but retains final authority over the compensation program and process, including approval of material amendments to or adoption of new equity-based compensation plans and the review and approval of Compensation Committee recommendations regarding executive compensation.

In designing the various elements and determining amounts of compensation, the Compensation Committee draws upon the advice from the CEO and CFO and may also obtain advice from compensation advisor(s) with regard to the recommendations of management as part of preparing its recommendations to the Board.

The CEO and CFO, in consultation with the Board and senior management, are responsible for developing the Company's overall strategic plan. On the basis of the strategic plan, the CEO and CFO develop an annual business plan and sets out corporate strategies, key performance indicators and objectives, which are reviewed and approved by the Board. These objectives include individual, general corporate and financial objectives and form the basis of assessing the performance of the executive management for the purpose of determining their annual incentive awards, which are weighted on an individual basis to reflect specific targets based on an executive's position.

The Board actively monitors the Company's adherence to its strategic plan and the annual business plan and budget and is directly involved in investigating any significant variance from those plans that would encounter any major new risks that have not already been identified and mitigated to the extent possible through its normal business practices.

Management of Risk

In designing and implementing the Company's compensation policy, the Compensation Committee and the Board regularly assess, as part of their respective deliberations, the risks associated with the Company's policies and practices. The structure of incentive compensation for executives is generally designed not to focus on a single metric, which in the Compensation Committee's view could be distortive, but rather a number of objectives within the framework of its values and responsibilities. The objectives contain both short term and long-term objectives. Planned performance is measured against actual achievements on a continuous basis so that the Board is able to react to any significant unanticipated risks. The Compensation Committee and the Board also aim to manage cash resources to the extent practicable with salaries aimed at the median of market, and overall consideration (including stock options) targeted at between the median and the top quartile of market. Consideration of risk is also directly incorporated into the incentive compensation by including goals related to risk management as a factor within the objectives for bonus incentive compensation. Compensation decisions are not entirely based on fixed formulas and the Board and Compensation Committee retain a certain degree of discretion when assessing certain performance based criteria and granting certain incentive compensation.

For a detailed explanation of the material risks applicable to the Company, see the section entitled "Risk Factors" in the Company's AIF which is available under the Company's profile on SEDAR at www.sedar.com, on the HKEX news website at www.hkexnews.hk and available to you on the Company's website at www.southgobi.com.

CORPORATE GOVERNANCE

NI 58-101 requires the Company to disclose its corporate governance practices with reference to a series of corporate governance practices outlined in National Policy 58-201 – *Corporate Governance Guidelines* that the Canadian Securities Administrators (“CSA”) believe reflect “best practices” standards to which they encourage Canadian public companies to adhere.

Director Independence

The Board has reviewed the independence of each Director on the basis of the definitions in section 1.4 of National Instrument 52-110 – *Audit Committees* (“NI 52-110”). A director is “independent” if he or she has no direct or indirect material relationship with the Company, including as a partner, shareholder or officer of an organization that has a relationship with the Company. A “material relationship” is one that would, or in the view of the Board, could be, reasonably expected to interfere with the exercise of a Director’s independent judgment.

The Board has determined, after reviewing the roles and relationships of each of the nominees proposed by management for election to the Board, that 38% (3 of 8) of such nominees are independent from the Company. The INED nominees are Ms. Jin Lan Quan and Messrs. Mao Sun and Yingbin Ian He. The non-independent director nominees are Messrs. Chen Shen, Zhu Gao, Ruibin Xu, Zaixiang Wen and Ms. Chonglin Zhu.

Messrs. Ruibin Xu, Chen Shen and Ms. Chonglin Zhu are considered to be non-independent because they are Executive Officers of the Company and are nominated representatives of JDZF, the Company’s largest shareholder, which currently owns approximately 29.03% of the issued and outstanding Common Shares as of the date of this Management Proxy Circular. Messrs. Ruibin Xu, Chen Shen and Ms. Chonglin Zhu have been nominated for election as Directors of the Company at the Meeting by JDZF pursuant to a contractual nomination right granted to JDZF in connection with the Securityholders’ Agreement and the Deferral Agreements. See “*Election of Directors – Contractual Director Nomination Rights*” in this Management Proxy Circular.

Mr. Zhu Gao is considered to be non-independent because he is the shareholder of Land Grand, which currently owns approximately 15.70% of the issued and outstanding Common Shares as of the date of this Management Proxy Circular. Messrs. Zhu Gao and Zaixiang Wen are each nominated for election as a Director of the Company at the Meeting by Land Grand pursuant to a contractual nomination right granted to Land Grand under the Subscription Agreement and are thus considered to be non-independent. See “*Election of Directors – Contractual Director Nomination Rights*” in this Management Proxy Circular.

The following table sets out each Director nominee's independence and Committee memberships:

Board Members ⁽¹⁾	Year Appointed	Committees				
		AC	C&B	N&CG	HESS	Operations
Executive						
Ruibin Xu	2023					
Chonglin Zhu	2022					
Chen Shen	2022

Zhu Gao	2022					
Zaixiang Wen	2023					
Independent						
Yingbin Ian He	2017	✓	✓	Chair	✓	Chair
Jin Lan Quan	2015	✓	Chair	✓		
Mao Sun	2015	Chair	✓	✓		

As of the date hereof, 38% of the current eight (8) Board members are independent, and, if each of the nominees put forward in this Management Proxy Circular are elected as Directors of the Company, Messrs. Mao Sun and Yingbin Ian He, and Ms. Jin Lan Quan, being 38% of the Board, will be considered INEDs. All of the Director nominees, with the exception of Messrs. Ruibin Xu, Chen Shen and Chonglin Zhu, will be non-executive Directors and the Board has in place an independent Lead Director.

In addition, the Audit Committee, Compensation Committee, and Nominating and Governance Committee are currently fully comprised of INED. If all of the Director nominees proposed by management for election to the Board are elected at the Meeting, it is expected that the Audit Committee, Compensation Committee and Nominating and Governance Committee will continue to be comprised exclusively of INEDs.

All Directors have or will receive a comprehensive briefing on the duties, responsibilities and liabilities of Directors. In particular, the briefings focused on the Directors' obligations to provide objective oversight of the Company on behalf of all shareholders notwithstanding other prior or current relationships. In the event the Board must consider a matter which involves a potential or actual conflict, such matter will be referred to the independent Directors for consideration to ensure that a proper process is followed and the matter is subject to independent scrutiny. To facilitate the exercise of their respective independent judgment, the INEDs may hold meetings without the presence of management and the non-independent Directors. Not all meetings of INEDs are regularly scheduled but communication among this group occurs on an ongoing basis as needs arise between regularly scheduled meetings of the Board. The CEO and CFO are periodically invited to attend such meetings in order to brief the INEDs on recent developments.

The following table discloses the attendance of the members of the Board at meetings of the Board and its committees in 2022:

Board Diversity Policy

The Company is of the view that Board appointments should be based on merit, and is committed to selecting the most suitable candidate to join the Board. At the same time, the Company recognizes that diversity is important to ensure that the profiles of Board members provide the necessary range of perspectives, experience and expertise required to achieve effective stewardship.

The Company believes that a diverse board will enhance its decision-making by utilizing the difference in skills, experience and background, geographical and industry experience, ethnicity, gender, knowledge and length of services, and other distinguishing qualities of the members of the Board. In support of this belief, the Board adopted a Board Diversity Policy in March 2014, and approved the adoption of certain amendments to the Board Diversity Policy in November 2017 and in March 2022.

For the purposes of Board composition, diversity includes, but is not limited to, characteristics such as gender, age, disability, as well as the inclusion of members of visible minorities. In particular, the Company recognizes that gender diversity is a significant aspect of diversity and acknowledges the important role that women play in contributing to the diversity of perspective on the Board.

The Company is also committed to inclusiveness within all its positions.

The Nominating and Governance Committee is required to review the effectiveness of the Board Diversity Policy on an annual basis. The Nominating and Governance Committee also reviews the structure, size and diversity of the Board and make recommendations on any proposed changes to the Board to complement the Company's objectives and strategy.

The Nominating and Governance Committee is responsible for recommending qualified persons who possess the competencies, skills, business and financial experience, leadership and level of commitment required of a director to fulfill Board responsibilities. Diversity of directors is considered in assessing the skills matrix of the Board.

In the process of searching for qualified persons to serve on the Board, the Nominating and Governance Committee strives for the inclusion of diverse groups, knowledge, and viewpoints. To accomplish this, the Nominating and Governance Committee may retain an executive search firm to help meet the Board's diversity objectives.

A copy of the Board Diversity Policy is available on the Company's website (www.southgobi.com) and may also be requested by mail addressed to: SouthGobi Resources Ltd. Nomination of Directors

The Board maintains a Nominating and Governance Committee that currently consists of Messrs. Yingbin Ian He, Mao Sun and Ms. Jin Lan Quan, all of whom are INEDs. Mr. He is Chair of the Nominating and Governance Committee. If the nominees set forth herein are elected or re-elected, as applicable at the Meeting, it is expected that the Nominating and Governance Committee will continue to be composed solely of INEDs.

One of the primary responsibilities of the Nominating and Governance Committee is the identification of new candidates for Board nomination. Typically, the Board determines, based on the Company's objectives and strategies and the perceived risks it faces, the competencies, skills, experience and personal qualities it considers necessary or desirable in potential Director candidates. The Nominating and Governance Committee then takes responsibility for identifying potential candidates who possess some or all of these attributes for presentation to, and assessment by, the Board. The Nominating and Governance Committee is also responsible for assessing, on a periodic basis, the performance of individual Directors and the Board as a whole.

The Nominating and Governance Committee's responsibilities are outlined in the Committee's Charter. Those responsibilities include, but are not limited to:

- examining the structure, size and diversity (including but not limited to the skills, knowledge, experience, gender, age, cultural and educational background, ethnicity, professional experience and length of service) of the Board and recommending adjustments from time to time, and at least annually, to ensure that the Board is of a size and composition that facilitates effective decision making and complements the Company's strategy;
- identifying and assessing the necessary and desirable competencies and characteristics for Board membership and regularly assessing the extent to which those competencies and characteristics are represented on the Board;
- identifying individuals qualified to become Directors based on merit and against objective criteria, with due regard to the Board's diversity policy;
- recommending Director nominees to the Board for appointment, re-appointment or election;
- making recommendations to the Board with respect to membership on committees of the Board (other than the Nominating and Governance Committee);
- making recommendations with respect to potential successors to the CEO;
- ensuring that the Board has appropriate structures and procedures so that the Board can function with the proper degree of independence from management;
- assessing the independence of INEDs;
- establishing induction programs for new Directors;
- developing and maintaining continuing education programs for Directors; and
- reviewing the practices and procedures of the Board in light of ongoing developments in regulatory requirements and industry best practices in matters of corporate governance and recommending to the Board any changes considered necessary or desirable.

The Board determines, in light of the opportunities and risks facing the Company, what competencies, skills and personal qualities it should seek in new Board members in order to add value to the Company. The Nominating and Governance Committee believes that the Board should be comprised of directors with a broad range of experience and expertise and utilizes a skills matrix to identify those areas which are necessary for the Board to carry out its mandate effectively. The following table reflects the diverse skill set requirements of the Board nominees and identifies the specific experience and expertise brought by each individual Director nominee.

Directors	Corporate Governance	Mining Industry	General Business Management	Compensation/ Human Resources	Finance	Audit	Mining Expertise	Public Company	Mongolia Specific	China Specific

The Nominating and Governance Committee annually assesses the current competencies and characteristics represented on the Board and utilizes the matrix to determine the Board's strengths and identifies any gaps that need to be filled. This analysis assists the Nominating and Governance Committee in discharging its responsibility for approaching and proposing to the full Board new nominees to the Board, and for assessing Directors on an ongoing basis.

If required, the Nominating and Governance Committee has the authority to hire outside consultants to help to identify additional qualified Board candidates.

A copy of the Nominating and Governance Committee's Charter is available on the Company's website (www.southgobi.com) and may also be requested by mail addressed to: SouthGobi Resources Ltd. Assessments

The Nominating and Governance Committee has the responsibility for developing and recommending to the Board, and overseeing the execution of, a process for assessing the effectiveness of the Board as a whole, the committees of the Board and the contribution of individual Directors on a regular basis. The Nominating and Governance Committee has developed an assessment process for the Board, each of its committees, and peer assessments of each of the Directors.

The Nominating and Governance Committee has, on an annual basis, reviewed and approved a performance evaluation questionnaire forwarded to all of the members of the Board. This questionnaire covers a wide range of issues providing for quantitative ratings and subjective comments and recommendations in each area. In 2022, all Directors assessed the performance of the Board as a whole and its Committees. These evaluations showed that the Board, its Committees, the Committee Chairs, the Lead Director and individual Directors were fulfilling their responsibilities.

Mandate of the Board

Under the BCBCA, Directors are required to manage the Company's business and affairs, and in doing so to act honestly and in good faith with a view to the best interests of the Company. In addition, each Director must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

The Board is responsible for supervising the conduct of the Company's affairs and the management of its business. The Directors' mandate includes setting long-term goals and objectives for the Company, formulating the plans and strategies necessary to achieve those objectives and supervising senior management in their implementation. Although the Board delegates the responsibility for managing the day-to-day affairs of the Company to senior management personnel, the Board retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Company and its business.

The Board's mandate requires that it be satisfied that the Company's senior management will manage the affairs of the Company in the best interest of the shareholders, in accordance with the Company's principles, and that the arrangements made for the management of the Company's business and affairs are consistent with their duties described above. The Board is responsible for protecting shareholder interests and ensuring that the incentives of the shareholders and of management are aligned. The obligations of the Board must be performed continuously, and not merely from time to time, and in times of crisis or emergency the Board may have to assume a more direct role in managing the affairs of the Company.

In discharging its responsibilities, the Board's mandate provides that it oversees and monitors significant corporate plans and strategic initiatives. The Board's strategic planning process includes annual and quarterly budget reviews and approvals, and discussions with management relating to strategic and budgetary issues. At least one (1) Board meeting per year is devoted to a comprehensive review of strategic corporate plans proposed by management.

As part of its ongoing review of business operations, the Board periodically reviews the principal risks inherent in the Company's business, including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the Audit Committee, the Board also assesses the integrity of internal controls over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required under its mandate to approve annual operating and capital budgets, any material dispositions, acquisitions and investments outside of the ordinary course of business or not provided for in the approved budgets, long-term strategy, organizational development plans and the appointment of senior executive officers. Management is authorized to act, without Board approval, on all ordinary course matters relating to the Company's business.

The mandate provides that the Board also expects management to provide the Directors, on a timely basis, with information concerning the business and affairs of the Company, including financial and operating information and information concerning industry developments as they occur, all with a view to enabling the Board to discharge its stewardship obligations effectively. The Board expects management to implement its strategic plans for the Company efficiently, to keep the Board fully apprised of its progress in doing so and to be fully accountable to the Board in respect to all matters for which it has been assigned responsibility.

The Board has instructed management to maintain procedures to monitor and promptly address shareholder concerns and has directed and will continue to direct management to apprise the Board of any major concerns expressed by shareholders.

Each Committee of the Board is empowered to engage external advisors as it sees fit. Any individual Director is entitled to engage an outside advisor at the expense of the Company provided such Director has obtained the approval of the Nominating and Governance Committee to do so.

In order to ensure that the principal business risks borne by the Company are identified and appropriately managed, the Board receives periodic reports from management of the Company's assessment and management of such risks. With respect to the Board's review of operations, the Board considers risk issues when appropriate and approves corporate policies addressing the management of risk with respect to the Company's business.

Meetings of the Board

The Board holds regular and quarterly meetings. Between the quarterly meetings, the Board meets as required, generally by means of telephone conferencing facilities. As part of the annual and quarterly meetings, the INEDs also have the opportunity to meet separate from management. If required, between regularly scheduled Board meetings, meetings of the INEDs, chaired by the Lead Director, are held by teleconference to update the Directors on corporate developments since the last Board meeting. Management also communicates informally with members of the Board on a regular basis and solicits the advice of Board members on matters falling within their special knowledge or experience.

Not all meetings of INEDs are regularly scheduled but communication among this group occurs on an ongoing basis as needs arise between regularly scheduled meetings of the Board. The Board believes that adequate structures and processes are in place to facilitate the functioning of the Board with a level of independence from the Company's management.
