## **THE DISPOSAL AGREEMENT**

The principal terms of the Disposal Agreement are set out as follows.

Date: 20 June 2023

Parties:

- (1) The Purchaser, a company established in the PRC with limited liability and principally engaged in trust business. As at the date of this announcement, to the knowledge of the Directors, the identity of the de facto controller of the Purchaser is the Department of Finance of Yunnan Province\* (雲南省財政廳) which is principally engaged in supervision and management of finance and taxation within Yunnan Province, PRC. To the best knowledge, information and belief of the Directors having made all reasonable enquiries, the Purchaser and its ultimate beneficial owner are Independent Third Parties.
- (2) SY Factoring, an indirect wholly owned subsidiary of the Company whose principal business is, among other things, commercial factoring.

### **The Accounts Receivable to be disposed of**

The book value of the Accounts Receivable was approximately RMB75.3 million. The Accounts Receivable was comprised of accounts receivable due from the Debtor. The expiry date of the Accounts Receivable was 29 May 2024.

On 20 June 2023, SY Factoring and the Purchaser entered into the acknowledgement of disposal with the Debtor pursuant to which the parties confirmed the book value of the Accounts Receivable. Further, the Debtor acknowledged that SY Factoring has been appointed to manage the Accounts Receivable. After the completion of the Disposal Agreement, the Debtor shall continue to pay the monies due under the Accounts Receivable to SY Factoring, which shall then transfer the monies received to the Purchaser. Please refer to the section headed “Trust Management Service” in this announcement for details.

The disposal is without recourse against SY Factoring, which means that SY Factoring is not liable for default in payment by the Debtor.

### **Consideration and payment terms**

The consideration to be paid by the Purchaser to acquire the Accounts Receivable was approximately RMB79.2 million. The consideration was settled by the Purchaser by paying to the designated bank account of SY Factoring for the Accounts Receivable on 20 June 2023.

### **Basis of determination of the consideration**

The consideration was determined on arm's length negotiations between SY Factoring and the Purchaser based on 1) the book value of the Accounts Receivable; 2) the number of days between the date of disposal and the expected date of payment by the Debtor; and 3) the credit worthiness of the Debtor.

### **Completion of the disposal**

Completion of the Disposal Agreement took place upon the date of receipt of the consideration by SY Factoring, being 20 June 2023.

Pursuant to the transfer registration agreement between SY Factoring and the Purchaser on 23 February 2023, SY Factoring agreed to provide assistance to the Purchaser to register in the Zhongdeng Net the transfer of accounts receivable being disposed of by SY Factoring to the Purchaser pursuant to the Framework Disposal Agreement including the Accounts Receivable.

### **TRUST MANAGEMENT SERVICE**

According to the Purchaser, the Purchaser is acquiring the Accounts Receivable for and on behalf of a trust set up by it and using the trust funds. Pursuant to the terms of the Framework Disposal Agreement, SY Factoring agreed to provide accounts receivable management service in relation to the Accounts Receivable to the Purchaser. SY Factoring shall collect the monies due from the Debtor under the Accounts Receivable for and on behalf of the Purchaser and SY Factoring shall transfer the monies collected to a designated bank account of the Purchaser on the date of receipt of the monies (or the next business day if the date of receipt of the monies is not a business day). The services were provided in consideration of the Purchaser agreeing to enter into the Disposal Agreement and therefore no service fee will be charged by SY Factoring for the services provided by it.

### **FINANCIAL EFFECT OF THE DISPOSAL AND USE OF PROCEEDS**

After the completion of the transaction under the Disposal Agreement, the Board expects that the Company will record a gain of approximately RMB3.7 million for the Disposal Agreement based on the difference between the book value of the Accounts Receivable being disposed of and the consideration of the disposal, net of sales related taxes.

The Group intends to use the proceeds from disposal of the Accounts Receivable to finance the credit of digital financing solutions granted by the Group to its customers and as general working capital.
