## **PROFIT ALERT – REDUCTION IN LOSS**

This announcement is made by Ev Dynamics (Holdings) Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary review of the latest available financial information of the Group, the Group expects to record a loss attributable to owners of the Company of approximately HK\$78 million to HK\$88 million for the year ended 31 March 2023, as compared to the loss attributable to owners of the Company of approximately HK\$408.3 million for the corresponding period of last year. Based on the information currently available, such expected reduction in the loss is primarily attributable to (i) decrease in the impairment loss on the mining assets in Guangxi, the PRC; and (ii) positive change in fair value of financial assets at fair value through profit or loss as compared to the negative change in last year.

The Group is still in the process of finalising the results for the year ended 31 March 2023. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the year ended 31 March 2023 which are currently available, and is not based on any information or figures which have been audited or reviewed by the Company's auditors or the audit committee of the Board. The information contained in this announcement may be different from the final results of the Group to be published. The audited annual results of the Group are expected to be published on 29 June 2023.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
