### **VOLUNTARY ANNOUNCEMENT SIGNIFICANT INCREASE IN ENROLLMENT QUOTA FOR THE 2023/2024 ACADEMIC YEAR**

This announcement is made by the board of directors of China Education Group Holdings Limited (the “**Company**”, together with its subsidiaries and consolidated affiliated entities, the “**Group**”).

The Company is pleased to report that, as a leader in the provision of high-quality higher and vocational education, the Group’s enrollment quota in China’s higher education institutions has increased significantly for the 2023/2024 academic year, with an increase of approximately 13,000 places compared with the previous academic year, representing a year-on-year increase of more than 16%, of which the Bachelor’s degree program places increased by about 10%, and the number of junior college program places increased by about 56%. With the increased enrollment quota, the Group will be able to provide more students with quality education and development opportunities as well as support national and regional development strategies and industrial transformation and upgrading.

In recent years, the main reasons for the continuous significant increase in the Group’s enrollment quotas are: (1) To improve the skills and quality of workers and release the talent bonus, the country has continued to expand the scale of higher and vocational education; (2) Students have strong demand for higher education. The number of applicants for the college entrance examination has continued to increase, and the Group’s career-oriented high-quality education has been especially popular among students; (3) The new campuses constructed by the Group and the expansion of existing campuses meet the needs of scale growth and quality improvement.

The Group will continue to be committed to creating and providing high-quality higher and vocational education opportunities for more students, making positive contributions to the country’s economic and social development, and earnestly fulfilling the Group’s mission and social responsibility of “To Pioneer Excellence and Innovation in Education”.
