VOLUNTARY ANNOUNCEMENT INTENTION TO CONDUCT ON-MARKET SHARE REPURCHASE

This announcement is made by JACOBIO PHARMACEUTICALS GROUP CO., LTD. (the “**Company**” or “**Jacobio**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to inform the Shareholders of the Company and potential investors about the latest developments of the Group.

The board of directors of the Company (the “**Board**”) wishes to announce that it has an intention to exercise its powers under the general mandate (the “**Share Repurchase Mandate**”) given to the Board pursuant to the resolutions of the shareholders of the Company (the “**Shareholders**”) passed at the annual general meeting of the Company (the “**AGM**”) held on June 8, 2023, to repurchase up to 79,356,228 shares of the Company (the “**Shares**”), being 10% of the total number of the issued Shares as at the date of the AGM (the “**Proposed Share Repurchase**”), with such mandate to expire upon whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the next annual general meeting of the Company is required by the articles of association of the Company or any applicable law of the Cayman Islands to be held; or (c) the date on which the authority set out in the ordinary resolution approving the Share Repurchase Mandate is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

The Board has decided to utilize the Share Repurchase Mandate to repurchase Shares in the open market from time to time in accordance with market conditions and use up to a maximum of HK\$100 million for the Proposed Share Repurchase. The Company intends to fund the Proposed Share Repurchase from its own financial resources and not from the proceeds of the listing of the Shares on the Main Board of The Stock Exchange of Hong Kong Limited. No repurchases would be made in circumstances that would have a material adverse impact on the working capital positions of the Company.

The Company will conduct the Proposed Share Repurchase in compliance with the memorandum and articles of association of the Company, the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”), the Codes on Takeovers and Mergers and Share Buy-backs, the Companies Act of the Cayman Islands and all applicable laws and regulations to which the Company is subject to, the actual repurchase price of each Share shall be no more than 5% higher than the average closing market price for the Shares over the five trading days immediately preceding each repurchase. The Company may make further repurchases of Shares according to market conditions until the expiry of the Share Repurchase Mandate, but in any case, subject to the availability of the Share Repurchase Mandate. The Proposed Share Repurchase shall not result in the number of the Shares held by the public falling below the relevant minimum percentage prescribed by the Listing Rules. The Company will subsequently cancel the repurchased Shares, if any.

The Company's business development and operations are currently normal and its current financial position is healthy. The Board is of the view that the current trading price of the Shares does not reflect their intrinsic value and the Proposed Share Repurchases will enhance the value of the Shares, thereby increasing the returns to the Shareholders. In addition, the Board believes that the Proposed Share Repurchases reflect the Company's confidence in its long-term business prospects and the Company's growth potential, which will ultimately benefit the Company and is in the best interests of the Company and the Shareholders as a whole.

At the time of publication of this announcement, the Company has not repurchased any Shares. Shareholders and potential investors should note that repurchases of Shares under the Share Repurchase Mandate will be subject to market conditions and at the absolute discretion of the Board. There is no assurance of the timing, quantity or price of any repurchases or whether or not the Company will make any repurchases. Accordingly, Shareholders and potential investors are reminded to exercise caution when dealing in the securities of the Company.
